Green Valley Council, Inc. (DBA Green Valley Council)

**\*Project Title/Description:**

Green Valley Council Services

**\*Purpose:**

Pima County benefits from Green Valley Council (GVC) services as they obtain service requests through their centrally organized and managed constituent input and referral service. GVC provides assessment, analysis, coordination, evaluation and identification of issues requiring County services as noted in the original contract, Exhibit A, Scope of Services.

The Health and Public Works departments benefit from GVC obtaining service requests through a centrally organized and managed constituent input and referral service. This amendment extends the contract for an additional year (third year) in the amount of \$87,500/yr. The cost will be shared as follows:

27.1%	\$23,750	Health Department Fund 2002, Unit 2933
25.7%	\$22,500	Transportation Director's Office Administration Fund 2000, Unit 2857

8.6%	\$ 7,500	Regional Fund Control District Tax Levy Fund 2005, Unit 1120

**\*Procurement Method:**

Direct Select pursuant to Board Policy D29.6. III C

**\*Program Goals/Predicted Outcomes:**

The GVC works and coordinates with the County to effectively communicate and resolve issues and address community needs for County Services. In 2016 the Board approved a service contract with GVC to improve efficiency of service delivery. This current contract continues these services, which include coordination between the Health Department and Office of Emergency Management relating to health/emergency pandemic services, the Transportation Department for roadway improvements, DEQ services relating to air quality, Development Services coordination for zoning or permit concerns, Regional Wastewater Reclamation Department coordination with regards to the operations/maintenance of the sewer systems, Natural Resources Parks & Recreation and the Regional Flood Control District for coordination regarding recreational parks and issues related to drainage ways in Green Valley. These services include opportunities for public input relating to these topics, which provides a valuable resource to departments serving the area.

**\*Public Benefit:**

The public benefit is that GVC provides more accessible outreach in a local setting to the greater Green Valley community to ensure that County Departments can better serve the region.

**\*Metrics Available to Measure Performance:**

The County requires a monthly report that focuses on services rendered by Green Valley Council through the various committees it oversees.

**\*Retroactive:**

RE: Amendment Request – Direct Selection of Professional Services from Green Valley Council for Contract Number CT-PW-21\*202

Pursuant to Board of Supervisor Policy D29.6 III.C – Direct Selection and Procurement Procedure No. PO-50, approval was received to direct select the Green Valley Council to provide services to coordinate with the County to effectively communicate and resolve issues and address community needs for County services in the Green Valley community. Contract Number 21\*202 was awarded for \$87,500 for calendar year 2021, and extended a second calendar year at the same rate for a new total of \$175,000.

### Background

The County originally requested this contract to be extended in future years based on continued success with the services as defined. We continue to see benefit from this contract, and the local community coordination via the Green Valley Council. It is anticipated that additional years will be awarded in the future should the services continue to be satisfactory.

### Requested Action

Public Works Administration requests approval to amend CT-21-202 to increase funds by \$87,500 and extend for an additional contract term of 1 year, with the option to extend for an additional two (2) one-year terms, each term having additional funds of \$87,500 pursuant to the Direct Select provisions of Board of Supervisors Policy D29.6 III-C.
