# PROCLAMATION

**WHEREAS**, every person deserves to age well, with dignity and live their optimal life; and

**WHEREAS**, we are experiencing a worldwide demographic shift to an older and more diverse populace, with every person having distinct medical, social, emotional needs and desires; and

**WHEREAS**, people are increasingly opting to age alone or far away from their families; and

**WHEREAS**, older persons, their families and support networks often benefit from local experts on available resources, support navigating an often fragmented health-care system and advocates for their health and wishes; and

**WHEREAS**, the Aging Life Care Association® is headquartered in Pima County, with approximately 2,000 members practicing nationwide, and has established a strict code of ethics for the field; and

**WHEREAS**, Aging Life Care™ management is a holistic, client-centered approach to caring for older adults or others facing ongoing health challenges; and

**WHEREAS**, Aging Life Care Managers® provide guidance and resources to ensure quality care so that their clients balance safety, independence and well-being.

**NOW, THEREFORE, BE IT RESOLVED** that the Pima County Board of Supervisors hereby proclaims the month of May 2023 to be:

## **“AGING LIFE CARE™ MONTH”**
