RE: Item #13 Community and Workforce Development FY 2023/2024 Pima County Community Development Block Grant
Comment:

I would like to thank the Pima County Board of Supervisors for their service to our communities and caring for the needs of rural residents.

You have provided for the support of youth and families in Amado AZ; which is an economically depressed area, severely lacking in resources.

We appreciate that the Pima County CDBG funding has been provided to PPEP, Inc. to provide the academic and career readiness services, drug prevention education programs and through a partnership with PPEP and Sahuarita School District, provided us with resources toward building a new Amado Youth Center so needed to serve the youth and families in this area.

Thank you for showing Amado youth that they matter.

Amy Bass, M.S.W.
