***Title:**

Regular Session, Regional Wastewater Reclamation Department

***Introduction/Background:**

A.R.S. § 49-391(C) provides that a public comment period of 30 days must be provided before any pretreatment Consent Decree or Negotiated Settlement Agreement (NSA) is made final. The proposed NSA with Carlson-Fehser Corporation dba ACE Pumping & Portables is a result of enforcement action by the Industrial Wastewater Control section of the Pima County Regional Wastewater Reclamation Department. Publication of the announcement on the May 16, 2023 agenda will meet the requirement for the action listed below.

***Discussion:**

The Department and Carlson-Fehser Corporation propose an NSA to settle violations of the County's wastewater discharge limitations at Carlson-Fehser Corporation's facility located at 8973 South Eisenhower Road. As part of the agreement, Carlson-Fehser Corporation will enter into the attached Supplemental Environmental Project (SEP) if it falls out of compliance in the twelve-month period after the execution of the NSA.

***Conclusion:**

The Department complies with A.R.S. § 49-391(C) and its industrial wastewater pretreatment enforcement program requiring a public comment period of 30 days before any pretreatment Consent Decree or Negotiated Settlement Agreement is made final.

***Recommendation:**

That the Board of Supervisors allows the public comment period to begin.
