Please add the following to the comments for the May 16 Board of Supervisors Meeting

6. Actions Related to COVID-19 Vaccination Mandates for County Employees on the May 16 Addendum

As we look back on the mistakes made during the recent "pandemic" we know imposing questionable mandates that conflicted with some employees beliefs was a bad choice. While it does not fully compensate those employees who were removed from their positions, offering them back their positions and seniority would be a logical step for the Supervisors to pursue.
