Following are my comments for the 5-16-23 Board of Supervisors Meeting

Addendum 1 Item #4 Update on Title 42 and Title 8 policy.

I call them the "Squad of Four" Bronson, Scott, Heinz & Grijalva. The Squad of Four votes in favor of all the funding to benefit illegal immigrants. Remind me – what community have they pledged to defend? Maybe the Squad of Four doesn't understand that all of the money they are playing with is the taxpayers money. Federal, County, Grants, Lease Payments, etc. That money is our taxpayer money. We already know about additional crossings of illegals due to Biden establishing a Welcome Wagon on our border. Many current reports indicate our past illegal problems in Pima County will increase. So what is the Squad of Four going to do — double the funds supporting illegals? I cannot trust the Squad of Four. Their past history shows me by their votes that I am not part of the community they are supporting. The Squad of Four is not honoring the Pima County Oath and they need to RESIGN. Yes I understand the Squad of Four are probably incensed at such a suggestion. Well, I am more than incensed at their actions against taxpayers in Pima County who are now at greater risk because of their evil. The Discussion/Direction/Action on Title 42 and Title 8 policies should begin with SQUAD OF FOUR **RESIGNATIONS.**

God Bless America
