Agenda item #36

Pima County has a large population of people who would likely qualify as being in need. This will quickly become an expensive money pit that Pima County will not be able to sustain, for very long. **NO**

Agenda item #37

Fix the root cause problem rather than whitewashing it with a Band-Aid. This is not the answer. **NO**

Agenda item #39

Vacines for animals. Sure, everyone wants a pet with possible autism and or an early death by a vax, right?

Agenda item #40

Yes, we appreciate having these facilities remain online during an off-grid situation.

Agenda item #41

NO to amending the **Pima County Code, Title 9.** (District 1). We will not comply with your attempt to ignore state law and the 2nd Amendment regarding gun ownership.

Addendum Item #2

Another boondoggle. **NO**

Sincerely,

Philip Kortesis, PC
