Re: The Industrial Development Authority of the County of Pima – Notice of
Intention to Issue Bonds – Education Revenue Bonds (Noah Webster
Schools-Pima Project), Series 2014 – In an Amount Not to Exceed
\$12,000,000

Dear Mr. Chair and Members of the Board:

As part of its statewide program for financing Arizona charter schools, at a special meeting to be held on December 6, 2013, The Industrial Development Authority of the County of Pima (the “*Authority*”) will consider granting its final approval to a resolution authorizing the issuance of its Education Revenue Bonds (Noah Webster Schools-Pima Project), Series 2014 (the “*2014 Bonds*”), in one or more series and in an aggregate principal amount not to exceed \$12,000,000, the proceeds of which will be loaned to LAS School Foundation (the “*Borrower*”), an Arizona nonprofit corporation, which is exempt from taxation under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended. The Borrower will lease the financed facility to Noah Webster Schools-Pima, which will operate a charter school at that location, pursuant to a charter from the Arizona State Board for Charter Schools.

As always, this issuance of the 2014 Bonds is subject to the approval of the Pima County Board of Supervisors. Therefore, the Authority respectfully requests that this matter be placed on the Board of Supervisors’ Regular Meeting Agenda scheduled for December 17, 2013, for the purpose of having the Board of Supervisors approve the action of the Authority. Enclosed herewith are the following:

1. Fact Summary; and
2. Resolution of the Board of Supervisors.

In the opinion of Bond Counsel, no public hearing is required to be held pursuant to the Code and federal income tax regulations for the issuance of the 2014 Bonds.

In 2004, the Authority issued its Education Revenue Bonds (the “*2004 Bonds*”), on behalf of an affiliate of the Borrower, and loaned the proceeds of the 2004 Bonds to finance the costs incurred in the acquisition of land for the construction of an educational facility to be operated by Noah Webster Schools-Mesa as a charter school located at 8350 East Baseline Road in Mesa, Arizona. In 2004, the Authority also issued its Qualified Zone Academy Revenue Bonds, on behalf of Noah Webster Schools-Mesa, a Borrower affiliate, and loaned the proceeds of the Bonds to the Borrower to acquire equipment for use in such charter school. The Qualified Zone Academy Revenue Bonds issued in 2004 were paid in full in 2011. In 2011, the Authority issued its Qualified Zone Academy Revenue Bonds and loaned the proceeds to Noah Webster Schools-Mesa to acquire additional capital equipment and fixtures for use in such charter school (collectively, the “*Prior Bonds*”).

The proceeds of the 2014 Bonds will be loaned to the Borrower to (i) finance or refinance the costs of construction, improvement, renovation and equipping of charter school facilities in Chaparral Center located at 8800 East Chaparral Road in Scottsdale, Arizona (the “*2014 Project*”), (ii) fund any required reserves as set forth in the Indenture, (iii) pay capitalized interest, if any, on the 2014 Bonds, and (iv) pay certain issuance expenses relating to the 2014 Bonds. The Borrower leases the real property upon which the 2014 Project will be located from the Salt River Community Property Development and Asset Management Company, a division of the Salt River Pima-Maricopa Indian Community.

The 2014 Bonds are to be issued in accordance with Title 35, Chapter 5, of the Arizona Revised Statutes, as amended (the “*Act*”). The Borrower is applying for a rating on the 2014 Bonds; if the rating is investment grade, the 2014 Bonds will be issued as fully registered bonds in minimum denominations of \$5,000 and integral multiples thereafter; if the investment grade rating is not received, the Underwriter will sell the 2014 Bonds as unrated bonds in the same denominations, but with a minimum purchase of \$10,000, subject to an investor letter. The 2014 Bonds will be publicly sold through a Preliminary Official Statement by Robert W. Baird & Co. The 2014 Bonds will not be part of any pool bond issue, except that Noah Webster Schools-Mesa will provide a guaranty for the 2014 Bonds, which guaranty will be secured on a parity basis with certain collateral securing the 2004 Bonds.

As always, the 2014 Bonds are special limited obligations of the Authority. The 2014 Bonds are payable solely from payments made by the Borrower pursuant to a loan agreement and secured by a deed of trust on the 2014 Project site. Such payments are pledged to the Bondholders pursuant to an indenture of trust between the Authority and The Bank of New York Mellon Trust Company, as trustee. Neither the faith and credit, nor the taxing power of the Authority or Pima County or any other political subdivision thereof, are pledged to the payment of the 2014 Bonds. The Authority has no taxing power.

I will be available prior to the meeting to answer any questions you may have, or to meet with you at your convenience.

Thank you for your consideration of this matter.

Sincerely,

RUSSO, RUSSO & SLANIA, P.C.
