Intergovernmental Agreement for Pima County ITD Subscriber Services
Corona de Tucson Fire Department
Contract #CTN-IT-15000000000000000074, Amendment #1

14 SR

142 SR

The Information Technology Department (ITD) requests that the Amendment to the Intergovernmental Agreement (IGA) for Pima County ITD Subscriber Services Agreement with Corona de Tucson Fire Department be submitted to the Pima County Board of Supervisors for approval at their March 3, 2015 meeting. The IGA was made and entered into by the parties pursuant to A.R.S. §§11-951 through 11-954, A.R.S. §15-1625(B)(2), and 41-2631 through 41-2634. This Amendment extends the Agreement for one year and adjusts revenue accordingly.

Corona de Tucson Fire Department is a participant in the Pima County Wireless Integrated Network (PCWIN), and has been issued portable and mobile radio equipment specifically for this purpose. Pima County ITD Wireless Division and City of Tucson General Services Division are the only two service providers authorized by the PCWIN Board of Directors for subscriber repair and maintenance. Corona de Tucson Fire Department has chosen Pima County ITD Wireless Division to provide this service. Therefore, since Pima County ITD Wireless Services Division has sufficient facilities, resources, and expertise to maintain and service PCWIN communication equipment, Corona de Tucson Fire Department has agreed to pay Pima County for use and repair of the equipment during the extended term as specified in Exhibit B-1.

This Amendment is effective upon endorsement by the Pima County Board of Supervisors.
