Re: **Award of Contract Group Prepaid Dental Insurance Benefits, Award Recommendation**

Pursuant to the published solicitation terms, I recommend award to Employers Dental Services, Inc. (dba EDS) for Award of Contract, Requisition 15000000000000000088, Group Prepaid Dental Insurance Benefits Plan 100N as the most qualified respondent.

EDS provided two proposals, Plan 700R, highest score, and Plan 100N, second highest score. Plan 100N will include 67 additional procedures at the same premiums, which will benefit our members with an overall cost savings when they utilize services.
