# PROCLAMATION

**WHEREAS**, for more than 100 years in the United States, the profession of landscape architecture has combined creative design, insightful planning and technical expertise to enhance the function and beauty of our public places, parks, open spaces, homes and neighborhoods; and

**WHEREAS**, landscape architects apply creative planning and design skills, knowledge and sustainable practices to add value and allow for the safe and accessible use of our natural and built environments; and

**WHEREAS**, the practice of landscape architecture balances artistic and scientific principles in the planning, design and management of our built environments; and

**WHEREAS**, the responsibilities of landscape architects include a commitment to protecting the public health, safety and welfare, along with the quality and viability of natural landscapes, through sensitive planning and design of public and private lands; and

**WHEREAS**, landscape architecture has made significant and lasting contributions to the quality of life for the people of Pima County through the design of communities, parks, trails, streets, and homes that provide a variety of outdoor experiences for people of all ages and abilities;

**NOW, THEREFORE, BE IT RESOLVED** that the Pima County Board of Supervisors hereby proclaims the month of April 2015 to be:

**“WORLD LANDSCAPE ARCHITECTURE MONTH IN PIMA COUNTY”**

**PASSED AND ADOPTED** this 7th day of April 2015.
