Dear Board of Supervisors, I am writing you today to ask for your support of a 2015 bond election. I strongly support purchase of open lands- they are what make our area unique and beautiful. Without them we will live in an urban desert. Thank you for your consideration.

Sincerely, Carol R. Townsend, Pima County resident

Dear Board of Supervisors,
I am writing you today to ask for your support of a 2015 bond election.

Thank you for your consideration.

PS I like the idea of letting the electorate decide among the various possibilities and plan to vote for all.

Richard,

Thanks so much for championing the bonds for our community. We need the economic development and road repair. The state won't give us anything, and we need to do these things for ourselves.

Unfortunately I am out of town and unable to attend Tuesday's meeting.
