Comments	<p>RE:Rezoning Time Extension C09-07-21 Stewart Title and Trust TR 3652-North Como Drive Hearing on July 7th Dear Ms. Miller- I have been a resident of Pima County for 43 years. I bought my property on Teal Blue Trail 20 years ago and built my house on this land and have resided in this home for the past 19 years. I purchased this particular piece of property because of its location, beauty, views and the rural lifestyle it provided. I was very dissatisfied when the neighboring land to my east boarder was rezoned to SR-2. Looking at the map provided to me by the planning board after the rezoning, I realized that there are several homes to be placed in front of my view of the Catalina Mountains. With further investigation I found that this development allows for 2 story homes as well as one story homes. Because of this rezoning to cluster housing, I feel that this will change the character of the entire surrounding area. Not only will two story houses obstruct the views but also I feel they will diminish my property values. I object to the extension, but if the extension is granted I ask that it be conditioned on requiring that only one story structures be built on the lots that boarder my property. I am sorry that I am unable to attend the meeting scheduled for Tuesday July 7. I have had a long planned trip that will keep me from attending. I leave town on June 30th. I will be sending you a letter which you should receive this week that will include a copy of this letter along with a map of the SR-2 project provided to me by the planning board. I have indicated on that map the location of my property (LOTS 13,14 & 15). My street address is 13360 N. Teal Blue Trail Tucson, AZ 85742 Parcel ID: 219-19-003D. Thank you for considering my concerns. Sincerely- Pam Tilden</p>
