

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: February 2, 2016

Title: Lavery Lane Parking Ordinance

Introduction/Background:

The Pima County Traffic Engineering Division received a citizen concern and information from the Pima County Sheriff's Department regarding vehicles and semi-trucks parking along Lavery Lane in the vicinity of the driveways accessing the Flamingo Suites and Best Western Inn Suites.

Discussion:

As a result of the citizen concern, staff field reviewed the location and found that vehicles and semi-trucks parking in the vicinity of the commercial and residential driveways and side streets obstruct intersection sight distance for entering and exiting vehicles.

Conclusion:

Parked vehicles along Lavery Lane obstruct intersection sight distance for vehicles entering and exiting the driveways and side streets along the segment on Lavery Lane from Oracle Road to Sparkle Lane. Allocating this segment of Lavery Lane as No Parking will improve the intersection sight distance and provide reasonable safety for ordinary travel.

Recommendation:

The Pima County Traffic Engineering Division recommends that parking on the north and south sides of Lavery Lane from Oracle Road to Sparkle Lane be regulated No Parking Anytime.

Fiscal Impact:

Minimal.
