

BOARD OF SUPERVISORS AGENDA ITEM REPORT
CONTRACTS / AWARDS / GRANTS

Requested Board Meeting Date: May 17, 2016

or Procurement Director Award ☐

Contractor/Vendor Name (DBA): Arizona Early Childhood Development and Health Board (First Things First)

Project Title/Description:

Child Care Health Consultation

Purpose:

Health and safety consultation services to child care centers and child care homes in Pima County

Procurement Method:

N/A - grant

Program Goals/Predicted Outcomes:

This program creates healthier and safer environments for out of home child care, for both typically developing young children and children with special health care needs. Areas of focus include SIDS risk reduction, prevention and control of communicable diseases, immunization and medication administration, oral health promotion, building and physical premises safety and injury prevention, child abuse/neglect identification and prevention, nutrition and physical activity interventions to reduce obesity in young children, sensory and developmental screening and referral for families without access to health care or in need of other health-related services.

Public Benefit:

More than 45,000 children ages 0-5 in Pima County regularly require child care while their parent(s), grandparents or foster parents go to work or school or need respite. With large numbers of young children in non-parental care, children's health and safety out-of-home is an essential component of supporting children's physical, cognitive and social-emotional development. This contract supports Pima County Public Health Nurses and a Dietitian specifically prepared as Child Care Health Consultants to provide information, training, and technical assistance to guide child care programs in creating healthy and safe environments, as well as preparing child care staff to provide hearing, vision, developmental and obesity screening for the children in their care. With healthy young children in quality child care parents miss less work or school and children enter the school system ready to learn.

Metrics Available to Measure Performance:

1. Numbers of child care visits, trainings and participant numbers; 2. Changes in knowledge, behavior and status for 13 health and safety-related topics (such as child abuse and neglect, communicable disease, growth and development, physical activity, and nutrition) are measured every 90 days throughout the consultation process; 3. Annual evaluations of health and safety criteria are observed by outside evaluators hired by First Things First; 4. Annual use of the California Childcare Health Program Health and Safety Checklist as required by First Things First; and 5. Annual Immunization Data Reports submitted by licensed child care programs to Pima County Health Department's Vaccine Preventable Disease program. Performance measurements are used to refocus consultation or select additional consultation strategies.

Retroactive:

No.

Original Information

Document Type: _____ Department Code: _____ Contract Number (i.e., 15-123): _____
Effective Date: _____ Termination Date: _____ Prior Contract Number (Synergen/CMS): _____
