**RECITALS**

- A. A.R.S. § 48-5301, et seq., authorizes the Authority to act as a regional taxing authority for the purpose of funding multi-model transportation operations and improvements identified in the Regional Transportation Plan ("the Plan") approved by the voters at the special election held in Pima County, Arizona, on May 16, 2006.
- B. The governing board of the Authority is composed of representatives of each member of the regional council of governments in accordance with A.R.S. § 48-5303.
- C. Pursuant to A.R.S. § 48-5304 (12), the governing board of the Authority has sole authority to implement the elements of the Plan.
- D. Pursuant to A.R.S. § 48-5304 (13), the governing board of the Authority shall coordinate the implementation of the Plan among the local jurisdictions.
- E. A Regional Transportation Fund was established by the Arizona Legislature per A.R.S. § 48-5307 to be the repository for those funds collected for the purpose of funding the transportation projects identified in the Plan.
- F. The Authority is authorized by A.R.S. §§ 48-5304 (16) and 48-5308 to administer and distribute the regional transportation funds to the members of the Authority and to sell bonds in furtherance of that purpose to fund those projects or programs identified in the Plan.

- G. The Lead Agency is authorized by A.R.S. § 48-3603 to acquire and maintain floodprone property and construct flood control improvements and ancillary transportation and recreational facilities within the Lead Agency's jurisdictional boundaries.
- H. The Lead Agency may have a legal contract with one or more jurisdictions within Pima County empowering the Lead Agency to perform roadway and other improvements outside the Lead Agency's jurisdictional boundaries.
- I. The Lead Agency, with funding from the Authority wishes to complete the construction of the CDO River Park and Overton HAWK ("the Project").
- J. The Project is one of the transportation projects included in the Plan or is eligible for funding as part of a categorical program included in the Plan.
- K. The Authority intends to fund the Project under the terms and conditions contained in this Agreement and has entered into this Agreement for that purpose.
- L. It is the policy of the Authority to require that a lead agency be identified and an intergovernmental agreement (IGA) be approved and entered into by the Authority and the lead agency before requests for funding reimbursement or payment can be processed by the Authority.
- M. Pima County Regional Flood Control District has been identified as the Lead Agency for the Project and will be responsible for all aspects of Project implementation including, but not limited to, planning, project management, risk management, design, right of way acquisition and construction, advertisement, award, execution and administration of the design and construction contracts for the Project. The Authority's role is limited to providing financial support to the Lead Agency for the Project, as described herein.
- N. The RTA's Administrative Code will control all payments and other procedures unless otherwise specified herein.
- O. The Authority and the Lead Agency may contract for services and enter into agreements with one another for joint and cooperative action pursuant to A.R.S. § 11-951, et seq.

NOW, THEREFORE, Pima County Regional Flood Control District and the Authority, pursuant to the above and in consideration of the matters and things set forth herein, do mutually agree as follows:

### **AGREEMENT**

- 1. Purpose.** The purpose of this Agreement is to set forth the responsibilities of the parties for the design, construction, maintenance and operation of the Project and to address the legal and administrative matters among the parties.
- 2. Project.** The Project consists of constructing 1.6 miles of new shared use path along the CDO River Park and constructing a HAWK crossing at Overton Road as more fully depicted in the attached Exhibit A, including the following:
  - a) Detailed Project scope and schedule.

- b) Project budget and cost breakdown of items eligible for reimbursement by the Authority including any proposed billing of staff time directly attributable to Project.
- c) Total amount of RTA funding allowed for the Project plus a breakdown of any other regional, local, federal or state funding available.
- d) Designation of Project phases, if applicable, and any additional related agreements.
- e) Estimated construction start date and duration of construction.
- f) Projected timeline.
- g) Identification of the Lead Agency's duly authorized representative for signing and submitting payment requests.

**3. Effective Date; Term.** This Agreement shall be effective retroactively as of December 1, 2015 and shall continue in effect until all improvements constructed pursuant to this Agreement are completed, all eligible reimbursement payments to the Lead Agency are concluded, and all warranties applicable to the Project have expired.

**4. Responsibilities of the Lead Agency.**

- a. The Lead Agency shall be responsible for the design, construction and/or installation of the Project in accordance with this Agreement and all applicable public roadway, traffic signal, and street lighting design and construction standards. The Lead Agency shall immediately provide to the Authority copies of any and all contract documents and related materials upon request by the Authority. The Lead Agency shall retain the usual rights of the owner of a public contract including the authority to approve changes and make payments. However, any changes to the Project which would result in the final project cost deviating, by ten or more percent, from the Authority's budget amount for the Project, must be approved by the Authority in advance of those changes being made, regardless of the fact that the Authority will not be paying for them.
- c. The Lead Agency shall be responsible for all traffic management and public safety, including public notification, during construction of the Project.
- d. The Lead Agency shall operate and maintain the improvements during and after completion of construction.

- e. The final cost of the Project shall be that amount necessary to complete the Project including any unanticipated work incorporated into the Project by change orders and amendments executed by the Lead Agency. The Lead Agency shall be responsible for all Project costs in excess of the RTA funds contributed to the Project.
- f. The Lead Agency shall exercise its power of eminent domain, if necessary, to acquire property needed for the Project.
- g. Inasmuch as the RTA's role is limited to Project funding, the Lead Agency agrees, to the fullest extent permitted by Arizona law, to indemnify, defend, and hold harmless the RTA and its Board and officers, from, for, and against, any and all claims, demands, damages, liabilities or penalties, brought by or on behalf of any persons or entities, arising out of the Lead Agency's activities in performance of its obligations under this Agreement or use of RTA's resources, as described herein, regardless of how such claims are worded or styled, and regardless of the specific cause of action or type of claim asserted. This subsection shall survive termination of this Agreement.
- h. The Lead Agency shall require its contractors performing any portion of the Project to name the Authority as additional insured and additional indemnitee with respect to insurance policies for general liability, automobile liability and defects in design in all of the Lead Agency's contracts for the Project. The Lead Agency shall also require its contractors to name the Authority as an additional beneficiary in any performance and payment related assurances posted for the Project.
- i. Monthly, the Lead Agency shall be responsible for preparing and submitting to the Authority reimbursement requests (invoices). Said requests shall be signed by a duly authorized representative of the Lead Agency and shall include sufficient background information documenting payments made to contractors, vendors or any other eligible costs identified in this Agreement or the RTA's Administrative Code. The Lead Agency must retain and certify all vendor receipts, invoices and any related Project records as needed and ensure that they are available for review for a minimum of five (5) years after final payment is made unless otherwise specified herein.
- j. The Lead Agency shall be responsible for submitting a status report describing its progress and adherence to the Project scope, schedule and budget. Progress reports shall be submitted to the RTA monthly.
- k. The Lead Agency shall adhere to the RTA Administrative Code, including the requirements for a Project Charter (where applicable), a Project Closeout Meeting (Roadway Element Projects) and reimbursement limits.
- l. At the 90% design completion milestone the Lead Agency shall request written confirmation from the Authority that the Project is compliant with RTA requirements and that funding is available for Project construction. The Project may not be advertised for construction prior to receipt of this written confirmation.

- m. Prior to any construction bid solicitation, the Lead Agency shall provide a complete set of Project bid documents to the RTA, including all plans and specifications, the engineer's cost estimate, and a listing of all funding sources.

## **5. Responsibilities of Authority.**

- a. Upon receipt of reimbursement requests, the Authority shall convey to the Lead Agency RTA funds in the amount specified in Exhibits on a reimbursement basis unless otherwise specified herein. All payments and reimbursements shall follow the policies outlined in the RTA's Administrative Code.
- b. Reimbursements will generally be based on the Project schedules established by the Lead Agency and contained in Exhibits. In accordance with prior approvals, pay requests may be retroactive to December 1, 2015 to cover previously approved activities and expenditures.
- c. The RTA staff will review all payment requests to confirm that the request is for reimbursement of costs incurred by the Lead Agency for the Project. If the Authority determines that additional information is needed, the Lead Agency will be notified of the request for additional information within five business days of the receipt of the invoice by RTA.
- d. Upon approval of the request by RTA, the invoice will be processed for payment within thirty days of the invoice being accepted as complete.
- e. RTA shall provide all necessary cooperation and assistance to its fiscal agent to process all payment requests from the Lead Agency.

In the event that any provision of this Agreement is declared invalid or void, the parties agree to meet promptly upon request of the other party in an attempt to reach an agreement on a substitute provision.
- f. This Agreement is subject to cancellation pursuant to the provisions of A.R.S. § 38-511.

**9. Ownership of Improvements.** Ownership and title to all materials, equipment and appurtenances installed pursuant to this Agreement shall automatically vest in the Lead Agency upon completion of the Project.

**11. No Joint Venture.** It is not intended by this Agreement to, and nothing contained in this Agreement shall be construed to, create any partnership, joint venture or employment relationship between the parties or create any employer-employee relationship between the Lead Agency and any Authority employees, or between Authority and any Lead Agency employees. Neither party shall be liable for any debts, accounts, obligations nor other liabilities whatsoever of the other, including (without limitation) the other party's obligation to withhold Social Security and income taxes for itself or any of its employees.

**12.
