Requested Board Meeting Date: August 2, 2016

Title: Election Board Worker Appointments

Introduction/Background:

The Elections Department recruits election board workers (also known as poll workers) to work at the polling places on Election Day. It also recruits tally board workers for the purpose of tallying write-in votes.

Discussion:

A.R.S. section 16-531(A) requires the Board of Supervisors to appoint election board workers for each polling place not less than twenty days before a general or primary election. In addition, A.R.S. section 16-531(F) requires the Board to appoint tally boards not less than ten days before the election.

Conclusion:

By approving the appointment of election boards and tally boards recruited and on file in the Elections Department Office for the August 30, 2016 Primary Election and the November 8, 2016 General Election, the Board of Supervisors and the Elections Department will be in compliance with A.R.S. section 16-531.
