OLD VAIL CONNECTION ROAD REZONING, AND AMENDING PIMA COUNTY ZONING MAP NO. 134.

IT IS ORDAINED BY THE BOARD OF SUPERVISORS OF PIMA COUNTY, ARIZONA:

Section 1. The 35.69 acres located on the northeast corner of Old Vail Connection Road and Houghton Road and illustrated by the shaded area on the attached rezoning ordinance map (Exhibit A), which amends Pima County Zoning Map No. 134, is rezoned from the GR-1/AE (Rural Residential/Airport Environs and Facilities) zone to the CI-2/AE (General Industrial/Airport Environs and Facilities) zone subject to the conditions in this ordinance.

Section 2. Rezoning Conditions.

1. Submittal of a development plan if determined necessary by the appropriate County agencies.
2. Recording of the necessary development related covenants as determined appropriate by the various County agencies.
3. Provision of development related assurances as required by the appropriate agencies.
4. Prior to the preparation of the development related covenants and any required dedication, a title report (current to within 60 days) evidencing ownership of the property shall be submitted to the Development Services Department.
5. The property owner shall execute and record the following disclaimer regarding Proposition 207 rights. "Property Owner acknowledges that neither the rezoning of the Property nor the conditions of rezoning give Property Owner any rights, claims or causes of action under the Private Property Rights Protection Act (Arizona Revised Statutes Title 12, chapter 8, article 2.1). To the extent that the rezoning or conditions of rezoning may be construed to give Property Owner any rights or claims under the Private Property Rights Protection Act, Property Owner hereby waives any and all such rights and/or claims pursuant to A.R.S. § 12-1134(l)."

6. In the event the subject property is annexed, the property owner shall adhere to all applicable rezoning conditions, including, but not limited to, development conditions which require financial contributions to, or construction of infrastructure, including without limitation, transportation, flood control, or sewer facilities.
7. Cultural Resources conditions:
 - A. All work must be within the area as shown on the proposed project maps and plans in the submitted documentation, and
 - B. A caution must be noted concerning human burials. Archaeological clearance recommendations do not exempt the construction and other ground-disturbing activities from compliance with State burial protection laws. In the event that human remains, including human skeletal remains, cremations, and/or ceremonial objects and funerary objects are found during excavation or construction, ground disturbing activities must cease in the immediate vicinity of the discovery. State laws ARS 41-865 and ARS 41-844, require that the Arizona State Museum be notified of the discovery at (520) 621-4795 so that cultural groups who claim cultural or religious affinity to them can make appropriate arrangements for the repatriation and reburial of the remains. The human remains will be removed from the site by a professional archaeologist pending consultation and review by the Arizona State Museum and the concerned cultural groups.
