7.1 Right to Assurance. If DPS in good faith has reason to believe that the subrecipient does not intend to, or is unable to perform or continue performing under this subgrant award agreement, DPS may demand in writing that the subrecipient give a written assurance of intent to perform. Failure by the subrecipient to provide written assurance within the number of days specified in the demand may, at DPS's option, be the basis for terminating the subgrant award agreement under the General Conditions or other rights and remedies available by law or provided by the subgrant award agreement.

7.2 Project implementation. An award is subject to cancellation if less than 20% of the awarded funds are expended or encumbered within 4 months of the contract start date, 40% within 7 months, and 70% within 10 months. DPS shall provide a 30-day written notice of termination and the reasons for termination to the subrecipient. Publicity or Propaganda. Federal funds are not legally available, and may not be used (whether directly or indirectly, including by private contractors), for publicity or propaganda purposes not authorized by Congress.

Employee Trainings. Federal funds are not legally available, and may not be used, for any employee training that:

1. does not meet identified needs for knowledge, skills, and abilities bearing directly upon the performance of official duties;

Nothing in this provision prohibits, restricts, or otherwise precludes an agency from conducting training bearing directly upon the performance of official duties.

Nondisclosure policies, forms, and agreements. Federal funds are not legally available, and may not be used, to implement or enforce any nondisclosure policy, form, or agreement, if such policy, form, or agreement does not contain the following provisions:

Nondiscrimination in programs involving students. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP are not legally available, and may not be used, to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or those of their parents or legal guardians.

Blocking of pornography on computer networks. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP are not legally available and, may not be used, to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. Nothing in this provision limits the use of funds necessary for any federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, adjudication, or other law enforcement or victim assistance-related activity.

Award or incentive fees to contractors. Funds appropriated under the Department of Justice Appropriations Act, 2016, and awarded by OJP are not legally available, and may not be used, to pay award or incentive fees for contractor performance that has been judged to be below satisfactory performance or for performance that does not meet the basic requirements of a contract.

INSTRUCTIONS Completing the Certification Form Compliance with the Equal Employment Opportunity Plan (EEOP) Requirements

The federal regulations implementing the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, require some recipients of financial assistance from the U.S. Department of Justice subject to the statute's administrative provisions to create, keep on file, submit to the Office for Civil Rights (OCR) at the Office of Justice Programs (OJP) for review, and implement an Equal Employment Opportunity Plan (EEOP). See 28 C.F.R. pt. 42, subpt. E. All awards from the Office of Community Oriented Policing Services (COPS) are subject to the EEOP requirements; many awards from OJP, including awards from the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), and the Office for Victims of Crime (OVC) are subject to the EEOP requirements; and many awards from the Office on Violence Against Women (OVW) are also subject to the EEOP requirements. If you have any questions as to whether your award from the U.S. Department of Justice is subject to the Safe Streets Act's EEOP requirements, please consult your grant award document, your program manager, or the OCR.

Recipients should complete *either* Section A *or* Section B *or* Section C, not all three. If recipient completes Section A *or* C and sub-grants a single award over \$500,000, in addition, please complete Section D.

To claim the complete exemption from the EEOP requirements, complete Section A.

Section B

Although the regulations require some recipients to create, maintain on file, and implement an EEOP, the regulations allow some recipients to forego submitting the EEOP to the OCR for review. Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business; *and* (2) have fifty or more employees; *and* (3) have received a single grant award of \$25,000 or more, but less than \$500,000, may claim the limited exemption from the submission requirement by completing Section B. In completing Section B, the recipient should note that the EEOP on file has been prepared within twenty-four months of the date of the most recent grant award.

Section C

Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business, *and* (2) have fifty or more employees, *and* (3) have received a single grant award of \$500,000 or more, must prepare, maintain on file, *submit to the OCR for review*, and implement an EEOP. Recipients that have submitted an EEOP Utilization Report (or in the process of submitting one) to the OCR, should complete Section C.

Section D

Recipients that (1) receive a single award over \$500,000; *and* (2) subaward a single award of \$500,000 or more must provide a list; including, name, address and DUNS # of each such sub-recipient by completing Section D.

Complying with Federal Civil Rights Program Requirements

Ensuring Access to Federally Assisted Programs

Federal laws prohibit recipients (and subrecipients) of federal financial assistance from discrimination on the basis of race, color, national origin, religion, sex, or disability in funded program or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients (and subrecipients) of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please refer to <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please go to the Office for Civil Rights website at http://ojp.gov/about/ocr/equal_fbo.htm.

Nondiscrimination Notification

DPS-VOCA subrecipient agencies must have a method of notifying employees, clients, customers, or program participants that the subrecipient agency does not discriminate in employment practices or delivery of services, and must have a written policy that includes the procedures for filing a complaint, and the names and contact information for the agencies that receive complaints.

Discrimination Complaints

Employees, clients, customers, or program participants of a DPS-VOCA subrecipient who wish to file a complaint of discrimination, may file a complaint directly with the subrecipient; or with the Arizona Department of Public Safety VOCA Administration Unit (http://www.azdps.gov/Services/Crime_Victims/); the Arizona Office of the Attorney General, Office for Civil Rights (http://www.azag.gov/civil_rights/); or the Office for Civil Rights (OCR), Office of Justice Programs, Department of Justice (<http://www.justice.gov/crt/>).

Submitting Findings of Discrimination

If in the three years prior to the date of the grant award, a federal or state court or administrative agency makes an adverse finding of discrimination after a due process hearing against the subrecipient agency on the grounds of race, color, national origin, religion, sex, or disability, the subrecipient shall forward a copy of the finding to the Department of Justice, Office of Justice Programs, Office for Civil Rights and DPS-VOCA.

I, BARBARA LAWALL (printed name of authorizing official), certify that the

Pima County Attorney's Office (name of subrecipient organization) will comply with the Federal Civil Rights Program requirements as outlined above.

**Certification regarding eligibility for
de minimis rate of 10% of Modified Total Direct Costs (MTDC)**

Pursuant to § 200.414 Indirect (F&A) Costs of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, any non-Federal entity that has never received a negotiated indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 – States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in § 200.403 Factors affecting allowability of costs, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.

Additionally, pursuant to § 200.414(g), any non-Federal entity that has a federally negotiated indirect cost rate may apply for a one-time extension of a current negotiated indirect cost rate for a period of up to four years. This extension will be subject to the review and approval of the cognizant agency for indirect costs. If an extension is granted the non-Federal entity may not request a rate review until the extension period ends. At the end of the 4-year extension, the non-Federal entity must re-apply to negotiate a rate.

I certify to the best of my knowledge _____ (name of subrecipient organization) has never received a federally negotiated rate and will conform to the requirements listed above when utilizing the de minimis rate of 10% of modified total direct costs (MTDC).

Certification regarding Non-Supplanting

As outlined in the U.S. Department of Justice, Office of Justice Programs, Federal Financial Guide, Federal funds must be used to **supplement** existing State and local funds for program activities and must not supplant those funds that have been appropriated for the same purpose. Furthermore, supplanting is defined as "to deliberately reduce State or local funds because of the existence of Federal funds. For example, when State funds are appropriated for a stated purpose and Federal funds are awarded for that same purpose, the State replaces its State funds with Federal funds, thereby reducing the total amount available for the stated purpose."

The following example is provided in the Federal Financial Guide to help clarify the difference between supplementing and supplanting:

State funds are appropriated to hire 50 new police officers, and Federal funds are awarded for hiring 60 new police officers. At the end of the year, the State has hired 60 new police officers, and the Federal funds have been exhausted. The State has not used its funds towards hiring new officers, but instead reduced its appropriation for that purpose and assigned or appropriated the funds to another purpose. In this case, the State has supplanted its appropriation with the Federal funds. If supplanting had not occurred, 110 new officers would have been hired using Federal funds for 60 officers and State funds for 50 officers.

As a subrecipient of Victims of Crime Act (VOCA) Assistance funds, each agency shall certify its understanding of and adherence to the prohibition against supplanting of State or local funds with Federal funds.

I certify that the PIMA COUNTY ATTORNEY'S OFFICE (name of subrecipient organization)

will comply with the prohibition against supplanting as outlined above.
