It was moved by Supervisor Elías, seconded by Chair Bronson and unanimously carried by a 5-0 vote, to approve the item.

13. FOREIGN TRADE ZONE PAYMENT IN LIEU OF TAXES AGREEMENT FOR NEW EMPLOYER MONSANTO

Note: The Payment In Lieu of Taxes Fee Agreement was acted upon by the Flood Control District Board, the Library District Board and the Board of Supervisors.

Staff recommends approval of the following:

- A. Lower Foreign Trade Zone property tax assessment ratios for the taxing districts controlled by the County (Approval of the PaymentIn Lieu of Taxes Fee Agreement);
- B. Formation of the Agricultural Science Advisory Commission and the Agricultural Community Advisory Committee.
- C. The Memorandum of Understanding with Monsanto.

Chuck Huckelberry, County Administrator, stated the issue before the Board was whether to support the foreign trade zone designation granted by the U.S.

Department of Commerce for Monsanto. He stated the County could not regulate agricultural production nor approve a tax reduction. He added that should the Board support the designation, a letter of concurrence would be provided for the four tax rates controlled by the Board and that other taxing jurisdictions, Marana Unified School District, Pima Community College and JTED, would make individual decisions on whether to support the designation.

Mr. Huckelberry explained the economic development attraction for Monsanto to come to Pima County was not the number or types of employment offered, but the capital investment on the purchased property, which would increase the tax base. The current use for the property yielded a tax amount of \$2,000.00 a year. Even with the tax reduction, the amount would rise to \$650,000.00, which would last 10 years. Afterwards, the yearly property tax would be around \$1.5 million.

Supervisor Valadez stated the Memorandum of Understanding established the Agricultural Science Advisory Commission and the Agricultural Community Advisory Committee and asked about their mission.

Mr. Huckelberry stated both were voluntary commissions and added the Agricultural Science Advisory Commission would review scientific facts and interpret conservation practices while the Agricultural Community Advisory Committee would focus on the views and values of the community.

Supervisor Valadez questioned whether without the Memorandum of Understanding, the County would be provided information concerning Monsanto's operations.

Mr. Huckelberry stated the County would only have access to federal or state reporting that Monsanto was required to provide, and that the only way to know what Monsanto would be doing was to approve the Memorandum of Understanding and establish the committees.

It was moved by Supervisor Valadez and seconded by Supervisor Carroll to impanel the Agricultural Science Advisory Commission, have them hear the questions that had been asked by the public speakers at Call to the Public, accept any future questions, publish their answers on the website for public viewing, and to continue the remainder of this matter until the Board of Supervisors meeting on February 21, 2017. No vote was taken at this time.

Supervisor Elías stated Pima County should not support Monsanto and asked why these committees were being established if the County had no regulatory authority and no fear about Monsanto activities. He added that District 5 had dealt with environmental pollution with the TCE contamination and dioxin in the wells and that the money from Monsanto was not worth what the County would be getting. He said the discussion from the public speakers had not been about Foreign Trade Zones or tax incentives, but against Monsanto coming to Pima County.

Supervisor Elías offered a friendly amendment to the motion to ask that there be five public hearings, one in each supervisorial district, and that the Economic Development Department be added to the discussions.

Supervisor Valadez replied that he agreed with Supervisor Elías but that they differed in the manner in which they went forward to obtain a solution. He stated it was better to know what was going on at Monsanto than to not have any knowledge at all. He added the Board did not have the authority to change the law, but the State did and that the fight to keep Monsanto away needed to be with the State.

Supervisor Miller used the example of Pima County's limited jurisdiction only regarding the air quality permit for Rosemont Copper, but stated the County none the less had gone to great lengths to oppose the opening of the Rosemont Copper mine. She questioned the information provided by the County Administrator which stated Monsanto would be the largest taxpayer in Marana Unified School District, but elsewhere the documentation specified that any payments and loop fees paid by Monsanto during the pilot fee forgiveness period of ten years would be forgiven by taxpayers via a refund.

Mr. Huckelberry explained that the different taxing jurisdictions could choose different options for their PILOT agreements and that the Marana Unified School District had opted for a yearly tax payment that had gone from \$818.00 to \$237,000.00 and a \$500,000.00 cash contribution.

Supervisor Miller inquired whether the request for Foreign Trade Zone approval would move forward should any taxing jurisdictions not agree to support the letter of concurrence.

Mr. Huckelberry stated that customarily without letters of concurrence from the local governing parties, the requests have been denied.

Supervisor Miller stated she saw no indemnification for Pima County or funding set asides in the event of lawsuits stemming from environmental contamination or pollutant exposure and asked that it be incorporated into the Monsanto agreement.

Mr. Huckelberry explained the regulating agency for water contamination would be the Arizona Department of Environmental Quality (ADEQ) and ADEQ would need to designate Monsanto as a potential pollution point source and without any discharge, ADEQ might decline jurisdiction.

Supervisor Miller declared the deal violated the Arizona State Constitution Gift Clause due to no public benefit and that the amount was grossly disproportionate to what the County would receive in return. She agreed with Supervisor Elías regarding the public hearings and that hearing notices be sent out as soon as possible.

Chair Bronson stated that answers were needed from the Agricultural Science Advisory Commission before public hearings were scheduled.

Both Supervisors Valadez and Carroll accepted the amendment to the motion made by Supervisor Elías

Supervisor Elías requested that staff provide clarification on the regulation of agricultural production and an agricultural research facility and the responsibility of the State. He added that the members of the Agricultural Science Advisory Commission file disclosure statements to ensure that are no conflicts.

Upon roll call vote, the motion carried unanimously 5-0.

14. **ADJOURNMENT**

As there was no further business to come before the Board, the meeting was adjourned at 2:32 p.m.

25. Hearing - Modification (Substantial Change) of Rezoning Conditions

The Board of Supervisors on August 15 and October 18, 2016, continued the following:

Co9-89-21, LAWYERS TITLE AND TRUST, TR NO. 6486 - T - INTERSTATE 19 NO. 2 REZONING

11-22-2016 (8)

Request of <u>Borderlands Investments I, L.L.C., represented by Wavelength</u> <u>Management</u>, for a modification (substantial change) of Rezoning Condition No. 10, which requires adherence to the revised rezoning preliminary development plan approved on April 15, 1997; and Condition No. 16, which limits uses to a golf course club house, pro shop, restaurant, and six residential lots as approved by the Architectural Review Committee of the Green Valley Coordinating Council, to allow the additional use of a communication tower. The subject site is the non-residential portion of the rezoning that is approximately 4.96 acres zoned CB-2 (General Business) and is located at the southeast corner of the intersection of S. Camino del Sol and S. Desert Jewel Loop. On motion, the Planning and Zoning Commission voted 7-1 (Commissioner Gavin voted NAY, Commissioners Membrila and Cook were absent) to recommend APPROVAL SUBJECT TO CONDITIONS. Staff recommends APPROVAL SUBJECT TO CONDITIONS. (District 4)

Without objection, this item was continued to the Board of Supervisors' Meeting of December 13, 2016.

26. Hearing – Rezoning

<u>Co9-15-005, JT RP, L.L.C. - EAST EAGLE FEATHER ROAD (EASEMENT)</u> <u>REZONING</u>

Request by <u>JT RP, L.L.C., represented by Brent Davis</u>, for a rezoning of approximately 3.81 acres from SR (Suburban Ranch) zone to CR-1 (Single Residence) zone on property located approximately 800 feet east of Bear Canyon Road on the south side of East Eagle Feather Road (Easement). The proposed rezoning conforms to the Pima County Comprehensive Plan (Co7-00-20). On motion, the Planning and Zoning Commission voted 6-2 (Commissioners Cook and Membrila were absent) to recommend DENIAL. Staff recommends APPROVAL SUBJECT TO STANDARD AND SPECIAL CONDITIONS. (District 4)

Should the Board of Supervisors choose to approve the rezoning request, staff recommends the following requirements to be completed within five years from the date the rezoning request is approved by the Board:

- 1. Recording of the necessary development related covenants as determined appropriate by the various County agencies.
- 2. Provision of development related assurances as required by the appropriate agencies.
- 3. Prior to the preparation of the development related covenants and any required dedication, a title report (current to within 60 days) evidencing ownership of the property shall be submitted to the Development Services Department.
- 4. Adherence to the sketch plan as approved at public hearing.
- 5. There shall be no further lot splitting or subdividing of residential development without the written approval of the Board of Supervisors.
- Pima County Department of Transportation:
 Any common, private roadway/driveway serving more than one dwelling unit shall be paved (chip sealed) within six (6) months of the issuance of building permits.
- 7. Pima County Waste Water Reclamation District: Should the Board of Supervisors be inclined to approve this rezoning, the Pima

County Regional Wastewater Reclamation Department (PCRWRD) recommends the following conditions:

The owner/developer shall not construe any action by Pima County as a commitment to provide sewer service to any new development within the rezoning area until Pima County executes an agreement with the owner/developer to that effect.

- The owner/developer shall obtain written documentation from the Pima Α. County Regional Wastewater Reclamation Department (PCRWRD) that treatment and conveyance capacity is available for any new development within the rezoning area, no more than 90 days before submitting any tentative plat, development plan, preliminary sewer layout, sewer improvement plan, or request for building permit for review. Should treatment and/or conveyance capacity not be available at that time, the owner/developer shall enter into a written agreement addressing the option of funding, designing, and constructing the necessary improvements to Pima County's public sewerage system at his or her sole expense or cooperatively with other affected parties. All such improvements shall be designed and constructed as directed by the PCRWRD.
- The owner/developer shall time all new development within the rezoning Β. area to coincide with the availability of treatment and conveyance capacity in the downstream public sewerage system.
- C. The owner/developer shall connect all development within the rezoning area to Pima County's public sewer system at the location and in the manner specified by the PCRWRD in its capacity response letter and as specified by PCRWRD at the time of review of the tentative plat, development plan, preliminary sewer layout, sewer construction plan or request for building permit.
- The owner/developer shall fund, design, and construct all off-site and on-site D. sewers necessary to serve the rezoning area, in the manner specified at the time of review of the tentative plat, development plan, preliminary sewer layout, sewer construction plan or request for building permit.
- Ε. The owner/developer shall complete the construction of all necessary public and/or private sewerage facilities as required by all applicable agreements with Pima County, and all applicable regulations, including the Clean Water Act and those promulgated by ADEQ, before treatment and conveyance capacity in the downstream public sewerage system will be permanently committed for any new development within the rezoning area. Pima County Office of Sustainability:
- F.

An on-the-ground archaeological and historic site survey shall be conducted on the subject parcel(s) before any ground modifying activities occur. Any archaeological or historic sites that are recommended as eligible for Arizona or National Registers of Historic Places shall require cultural resources mitigation plan. The mitigation plan will need to be submitted to Pima County either before or at the time of the submittal of a site plan, tentative plat, or development plan. Any cultural resource survey and/or mitigation plan shall be conducted by an archaeologist permitted by the Arizona State Museum or registered architect as appropriate. Any subsequent development requiring a Type II grading permit will be reviewed for compliance with Pima County's cultural resources requirements under Chapter 18.81 of the Pima County Zoning Code.

G.

Upon the effective date of the Ordinance, the owner(s)/developer(s) of the rezoned property shall have a continuing responsibility to remove buffelgrass (Pennisetum ciliare) from the property. Acceptable methods of removal include chemical treatment, physical removal, or other known effective means of removal. This obligation also transfers to any future owners of property within the rezoning site; and, Pima County may enforce this rezoning condition against the property owner. Prior to issuance of the Certificate of Compliance, the owner(s)/developer(s) shall record a covenant, to run with the land, memorializing the terms of this condition. The property owner shall execute and record the following disclaimer

Η.

regarding Prop 207 rights. "Property Owner acknowledges that neither the rezoning of the Property nor the conditions of rezoning give Property Owner any rights, claims or causes of action under the Private Property Rights Protection Act (Arizona Revised Statutes Title 12, chapter 8, article 2.1). To the extent that the rezoning or conditions of rezoning may be construed to give Property Owner any rights or claims under the Private Property Rights Protection Act, Property Owner hereby waives any and all such rights and/or claims pursuant to A.R.S. § 12-1134(I)."

I. In the event the subject property is annexed, the property owner shall adhere to all applicable rezoning conditions, including, but not limited to, development conditions which require financial contributions to, or construction of infrastructure, including without limitation, transportation, flood control, or sewer facilities.

Chris Poirier, Planning Director, stated the super majority requirement had been triggered.

The following speakers addressed the Board in opposition to the rezoning:

- Monica Hills
- L.L. Mac Summer.
- Kent Moeckly

They offered the following comments:

- Denied by the Planning and Zoning Commission. Affirm the Planning and Zoning Commission's recommendation and deny.
- If the zoning issue had been filed a little later, it would have fallen under new guidelines and not been considered.
- Planning and Zoning went out to inspect road and stated it would not be desirable for the rezoning project and this was a spot zoning project.
- Plan was to build four homes originally zoned for one. Road not suited for the ensuing traffic.

Brent Davis, JT RP, L.L.C., explained the rezoning allowed four homes on one acre lots and that there had been multiple neighbor meetings but that the demands varied too greatly to allow for consensus approval. He stated the applicant had agreed to the following modifications: In lieu of a wall to the east or north of the property, a non-developed buffer would be made to allow natural vegetation to stay; money that would have gone to building the walls would instead pave the road; they would work with County staff so neighbors would not have to move fences that encroached into the right-of-way; four homes would be oriented toward the new culde-sac so as not to impede mountain views; the paved road would be maintained by the four new homes plus the house to the west; the applicant would place a deed restriction on the property to the west, with a declaration of intention not seeking to subdivide the property; they would also work with the neighbor to the west; and they would provide a timeline for upgrading and improving the property to the east.

Supervisor Carroll asked if the neighbors in opposition had seen the declaration of intention.

Mr. Davis stated they had not.

Supervisor Elías asked if the rezoning area fell under the Maeveen Marie Behan Conservation Land System.

Mr. Poirier stated the property was located outside the Maeveen Marie Behan Conservation Land System.

Supervisor Carroll requested the applicant again meet with the neighbors to allow them to examine the declaration of intention and to try to resolve some of the issues to avoid the super majority requirement.

It was moved by Supervisor Carroll, seconded by Supervisor Valadez and unanimously carried by a 5-0 vote, to leave the public hearing open and continue this item to the Board of Supervisors' Meeting of December 13, 2016.

27. Hearing – Rezoning

1

P16RZ00007, ANDRADA WILMOT 180, L.L.C. - S. WILMOT ROAD REZONING Request of Andrada Wilmot 180, L.L.C., represented by Engineering & Environmental Consultants, for a rezoning of approximately 359 acres (Parcel Codes 305-23-018D, 305-23-026A, 305-23-027B and a portion of Parcel Code 305-23-018A) from the RH (Rural Homestead) zone to the CR-5 (Multiple Residence-Small Lot Option) zone, on property located on the east side of S. Wilmot Road, approximately 754 feet south of E. Andrada Road. The proposed rezoning conforms to the Pima County Comprehensive Plan which designates the property as Low Intensity Urban 3.0. On motion, the Planning and Zoning Commission voted 8-1 (Commissioner Bain abstained (abstain counts as a YES vote) Commissioner Gungle voted NAY, Commissioner Cook was absent) to recommend APPROVAL SUBJECT TO STANDARD AND SPECIAL CONDITIONS. Staff recommends APPROVAL SUBJECT TO STANDARD AND SPECIAL CONDITIONS. (District 4)

Completion of the following requirements within five years from the date the rezoning request is approved by the Board of Supervisors:

- The owner shall:
 - A. Submit a development plan if determined necessary by the appropriate County agencies.
 - B. Record the necessary development related covenants as determined appropriate by the various County agencies.
 - C. Provide development related assurances as required by the appropriate agencies.
 - D. Submit a title report (current to within 60 days) evidencing ownership of the property prior to the preparation of the development related covenants and any required dedications.
- 2. There shall be no further lot splitting or subdividing of residential development without the written approval of the Board of Supervisors.
- 3. A master block plat along with the studies and/or plans required by various departments shall be submitted prior to any individual subdivision plats.
- 4. Transportation conditions:

- A. Access shall be designed to provide cross access between the rezoning site and the adjacent property to the east. Provision shall also be made for future access to Andrada Road, when and if constructed.
- B. The property owner shall dedicate 30 feet of right-of-way for Wilmot Road.
- C. The property owner shall construct half of the future 150-foot arterial roadway cross section including drainage infrastructure along the Wilmot Road frontage. The frontage of the rezoning site shall be built as an all-weather roadway.
- D. The property owner shall notify all future home buyers of the lack of allweather access in the vicinity of this project.
- E. The property shall be limited to 2 access points on Wilmot Road.
- 5. Regional Flood Control District conditions:
 - A. Flow Corridors equivalent to the Flood Control Resource Areas as shown on the Pima Prospers Regional Hydrology Maps shall be created in order to preserve flow conveyance and provide wildlife connectivity. Flow Corridors should minimize encroachment into the Important Riparian Area and shall remain undisturbed open space. Flow Corridors are subject to review and approval by the District.
 - B. Water conservation measures identified in the Preliminary Integrated Water Management Plan shall be implemented with the development. Where necessary as determined at the time development plan is submitted, provisions for permanent maintenance of these measures may also be required to be included in the project's CC&Rs and a Final Integrated Water Management shall be submitted to the District for review and approval at the time of development.
- 6. Regional Wastewater Reclamation conditions:
 - A. The owner shall construe no action by Pima County as a commitment of capacity to serve any new development within the rezoning area until Pima County executes an agreement with owner to that effect.
 - B. The owner acknowledges and agrees that there is no existing treatment facility for this development in the Southlands Service Basin and that the Corona de Tucson WRF was not designed to provide service for these downstream parcels. Any connection to the Corona de Tucson WRF will require augmentation of the treatment capacity.
 - C.

D.

The owner acknowledges and agrees that in order to be served by the Corona de Tucson WRF, a conveyance system must be constructed by the owner. Pima County shall decide whether this system will be conveyed to public ownership, or operated as a private sewer system by the owner.

- The owner shall prepare a study of the sewer basin at his or her sole expense for the purposes of determining the routing and sizing of all off-site and on-site private or public sewer facilities necessary to provide both conveyance and treatment capacity and service to the rezoning area, and/or for the purpose of conceptual phasing of a pump station. The owner shall fund, design and construct the necessary wastewater collection, conveyance and treatment facility improvements necessary to serve the rezoning area, as determined by the basin study.
- E.

If Pima County allows the conveyance system to be public, the rezoning area may be sewered using public sewers, if and only if the owner meets the following conditions:

- The owner may fund, design and construct the necessary improvements to Pima County's public sewerage system at his or her sole expense or cooperatively with other affected parties. All such improvements shall be designed and constructed as directed by the Pima County Regional Wastewater Reclamation Department.
- 2) Upon approval of the basin study, the owner shall enter into a master sewer service agreement with Pima County that specifies

the improvements to be made to Pima County's public sewerage system and their timing.

- 3) A sewer master sewer service agreement must be approved by the Pima County Regional Wastewater Reclamation Department prior to approval of a master block plat, any tentative plat, development plan, sewer construction plan, or request for building permit.
- 4) Should the rezoning area be serviced to the Corona de Tucson Wastewater Treatment facility, the owner shall provide all weather, unrestricted vehicular access to all new public sewer manholes within the rezoning area. The owner shall obtain all necessary public sewer easements within the rezoning area prior to approval of a master block plat, any tentative plat, development plan, sewer construction plan, or request for building permit at his/her own expense.
- F. No more than 90 days before submitting any tentative plat, development plan, sewer improvement plan or request for building permit for review, the owner shall obtain written documentation that sanitary sewerage treatment and conveyance capacity for the proposed development will be available when needed to serve the development.
- 7. Environmental Planning conditions:

Tamarix spp.

Α.

Upon the effective date of the Ordinance, the owner(s)/developer(s) shall have a continuing responsibility to remove invasive non-native species from the property, including those below. Acceptable methods of removal include chemical treatment, physical removal, or other known effective means of removal. This obligation also transfers to any future owners of property within the rezoning site and Pima County may enforce this rezoning condition against the property owner. Prior to issuance of the certificate of compliance, the owner(s)/developer(s) shall record a covenant, to run with the land, memorializing the terms of this condition.

- 8. Cultural Resources condition: Archaeological field inspections (submitted with the Site Analysis Appendix C) resulted in a finding of cultural resources on the subject property. The reports did not include a Significance Assessment of sites--However, it appears that the sites may not be eligible for listing in the NRHP. Formal review and submittal of survey report(s) to Office of Sustainability and Conservation will be required at the time of the master block plat.
- 9. Parks and Recreation conditions:
 - A. <u>Construct the Wilmot Road Greenway G053 trail using the Pima County</u> <u>Greenway cross-section.</u>
 - B. With the submittal of a subdivision plat, a recreation area plan shall be submitted and meet the requirements of the Pima County Zoning Code, Section 18.69.090.
 - C. Construct internal, non-vehicular circulation that will link the residential development blocks.
- 9.10. Adherence to the preliminary development plan as approved at public hearing. A maximum of 800 dwelling units is allowed.
- 10.11. The planning and development of the subject site shall occur such that transportation, wastewater, recreational, and other major infrastructure, and the protection of riparian areas and other natural resources are integrated and coordinated.
- 11.12. Parcel code 305-23-0260 shall be developed at an average density of four residences per acre per the comprehensive plan amendment resolution 2009-240. The density calculation is based upon lot area.
- 12.13. A mix of housing types shall be provided to insure a diverse community. Residential densities shall support multi-modal transportation opportunities including public transit even if such transit facilities are not currently in close proximity.
- 13.14. The subject site shall be surveyed for presence of the Pima pineapple cactus and its habitat. Surveys shall be conducted by an entity qualified to perform biological surveys. Surveys shall be done according to the most recent protocol approved by the U.S. Fish and Wildlife Service. A report containing the results of these surveys and copies of any data collected shall be provided to Development Services prior to master block plat approval. If Pima Pineapple cactus are found to be present on the project site, a copy of the report shall also be sent to the Arizona Game and Fish Department's Heritage Data Management System.
- 14.15. The owner shall provide a <u>50-foot bufferyard and one row of single-story homes</u> along the northern boundary and a 100-foot bufferyard and one row of single-story homes along the southern boundary of the subject properties and abutting the Mann Avenue frontage <u>in adherence with the preliminary development plan</u>.
- 16. No recreation areas, parks, playgrounds, bike paths, or walking trails shall be located within the perimeter bufferyards.
- 15.17. In the event the subject property is annexed, the property owner shall adhere to all applicable rezoning conditions, including, but not limited to, development conditions which require financial contributions to, or construction of infrastructure, including without limitation, transportation, flood control, or sewer facilities.
- 16.18. The property owner shall execute and record the following disclaimer regarding Proposition 207 rights: "Property Owner acknowledges that neither the rezoning of the Property nor the conditions of rezoning give Property Owner any rights, claims or causes of action under the Private Property Rights Protection Act (Arizona Revised Statutes Title 12, chapter 8, article 2.1). To the extent that the rezoning or conditions of rezoning may be construed to give Property Owner any rights or claims under the Private Property Rights Protection Act, Property Owner hereby waives any and all such rights and/or claims pursuant to A.R.S. § 12-1134(I)."

The Chair inquired whether anyone wished to address the Board. No one appeared. It was moved by Supervisor Carroll, seconded by Chair Bronson and

unanimously carried by a 5-0 vote, to close the public hearing and approve P16RZ00007, subject to standard and special conditions.

28. Hearing – Rezoning

P16RZ00009, KING CONE, L.L.C. - N. ORACLE ROAD REZONING

Request of King Cone, L.L.C., represented by Urban Engineering, for a rezoning of three parcels containing approximately 3.54 acres from the SH (GZ1) (Suburban Homestead-Gateway Overlay) zone to the CB-2 (GZ1) (General Business-Gateway Overlay) zone, on property addressed as 15605, 15621, and 15625 N. Oracle Road located approximately 260 feet west of N. Oracle Road and approximately 300 feet south of the intersection of N. Oracle Road and N. Lupine Place. The proposed rezoning conforms to the Pima County Comprehensive Plan which designates the property as Multifunctional Corridor. On motion, the Planning and Zoning Commission voted 9-0 (Commissioner Cook was absent) to recommend APPROVAL SUBJECT TO STANDARD AND SPECIAL CONDITIONS. Staff recommends APPROVAL SUBJECT TO STANDARD AND SPECIAL CONDITIONS. (District 1)

Completion of the following requirements within five years from the date the rezoning request is approved by the Board of Supervisors:

- 1. The owner shall:
 - A. Submit a development plan if determined necessary by the appropriate County agencies.
 - B. Record the necessary development related covenants as determined appropriate by the various County agencies.
 - C. Provide development related assurances as required by the appropriate agencies.
 - D. Submit a title report (current to within 60 days) evidencing ownership of the property prior to the preparation of the development related covenants and any required dedications.
- 2. There shall be no further lot splitting or subdividing of residential development without the written approval of the Board of Supervisors.
- 3. Transportation condition: Written certification from Arizona Department of Transportation, stating satisfactory compliance with all its requirements shall be submitted to Development Services Department prior to approval of a Site Development Permit or Subdivision Plat.
- 4. Environmental Planning condition: Upon the effective date of the Ordinance, the owner shall have a continuing responsibility to remove buffelgrass (*Pennisetum ciliare*) from the property. Acceptable methods of removal include chemical treatment, physical removal, or other known effective means of removal. This obligation also transfers to any future owners of property within the rezoning site and Pima County may enforce this rezoning condition against the property owner. Prior to issuance of the certificate of compliance, the owner shall record a covenant, to run with the land, memorializing the terms of this condition.
- 5. Cultural Resources conditions:
 - A. All work must be within the area as shown on the proposed project maps and plans in the submitted documentation, and
 - B. A caution must be noted concerning human burials. Archaeological clearance recommendations do not exempt the construction and other ground-disturbing activities from compliance with State burial protection laws. In the event that human remains, including human skeletal remains, cremations, and/or ceremonial objects and funerary objects are found during

excavation or construction, ground disturbing activities must cease in the immediate vicinity of the discovery. State laws ARS 41-865 and ARS 41-844, require that the Arizona State Museum be notified of the discovery at (520) 621-4795 so that cultural groups who claim cultural or religious affinity to them can make appropriate arrangements for the repatriation and reburial of the remains. The human remains will be removed from the site by a professional archaeologist pending consultation and review by the Arizona State Museum and the concerned cultural groups.

- 6. Adherence to the preliminary development plan as approved at public hearing.
- 7. All lighting sources within 50 feet of the southern property boundary shall be located at a maximum height of 5 feet.
- 7.8. In the event the subject property is annexed, the property owner shall adhere to all applicable rezoning conditions, including, but not limited to, development conditions which require financial contributions to, or construction of infrastructure, including without limitation, transportation, flood control, or sewer facilities.
- 8.9. The property owner shall execute and record the following disclaimer regarding Proposition 207 rights: "Property Owner acknowledges that neither the rezoning of the Property nor the conditions of rezoning give Property Owner any rights, claims or causes of action under the Private Property Rights Protection Act (Arizona Revised Statutes Title 12, chapter 8, article 2.1). To the extent that the rezoning or conditions of rezoning may be construed to give Property Owner any rights or claims under the Private Property Rights Protection Act, Property Owner hereby waives any and all such rights and/or claims pursuant to A.R.S. § 12-1134(I)."

The Chair inquired whether anyone wished to address the Board. No one appeared. It was moved by Supervisor Miller, seconded by Supervisor Elías and unanimously carried by a 5-0 vote, to close the public hearing and approve P16RZ00009, subject to standard and special conditions.

30. Hearing - Hillside Development Overlay Zone (HDZ) Special Use Permit/Plat Note Waiver

A. Hillside Development Overlay Zone (HDZ) Special Use Permit

P16SA00011, MOUSSA - N. ENCLAVE PLACE HILLSIDE DEVELOPMENT OVERLAY ZONE (HDZ) SPECIAL USE PERMIT

Request of Renee Moussa, represented by Burton and Associates Architects, for a Hillside Development Overlay Zone (HDZ) Special Use Permit. The applicant requests a special use permit to construct a single residence, pool, and driveway within a designated HDZ Level One protected ridge area on Lot 9 of The Enclave at Gates Pass subdivision. Nearly all of Lot 9 lies within the protected ridge area. Subdivision plat Permitting Note No. 12(f) subjects the development of lots 8, 9, 10, and 11 to all requirements in effect that are based upon the proximity of the lots to the protected peak and ridge line in the event that a building permit is not obtained within two years from the date of final subdivision plat approval (November 18, 2003). Pima County Zoning Code Section 18.61.041(A) (1) prohibits development within the protected area of a (Level One) peak or ridge except with a special use permit which may be granted by the Pima County Board of Supervisors as set forth in Section 18.61.042(A). The subject lot is approximately 1.46 acres zoned CR-1(BZ)(PR-1) (Single Residence-Buffer Overlay-Protected Peaks and Ridges Level 1) and is located on the north side of the terminus of N. Enclave Place, approximately 1,400 feet north of the intersection of W. Speedway Boulevard and N. Enclave Place. Staff recommends APPROVAL SUBJECT TO CONDITIONS. (District 5)

Staff recommends APPROVAL WITH CONDITIONS, as follows:

- 1. Grading limits shall be generally consistent with the limits depicted on the Roof/Site Plan presented at public hearing. Areas outside of the grading limits shall be set aside as "HDZ Natural Area" in accordance with Section 18.61.053 of the Zoning Code.
- 2. To promote blending with natural surroundings, gabion rocks and any other retaining rocks shall be of color(s) consistent with natural rocks within Lot 9. Exposed rock cuts shall be stained consistent with color(s) of natural rocks within Lot 9. The exposed exterior walls and roof of the residence, retaining walls, and utility structures shall have earth tone color(s). The driveway shall be earthtone colored concrete. Earthtone colors may not be other than browns, adobes, rusts, tans, beiges, sepias, olives, mauves, and grays. Earthtone colors shall not exceed a light-reflective value (LRV) of 38%. The 38% LRV shall include the driveway and shall override the LRV of 60% stated in Section 18.61.056 which is referenced in Plat Permitting Note #12(d).
- 3. Rooflines shall not extend to a height greater than 18 feet above the graded building pad, overriding the 20-foot allowance per Plat Permitting Note #12(a).
- 4. Roof mounted antennas, including satellite dishes, shall not be visible above the highest roofline.
- 5. Outdoor lighting shall be in accordance with the Pima County Outdoor Lighting Code (Title 15).
- 6. All utilities shall be underground. The pathway(s) through any natural area to construct and install utilities shall be revegetated with plants native to the subdivision.
- 7. The width of the driveway, including the driveway entrance to Lot 9, shall not exceed 10 feet, except within 25 feet of the garage. The southerly graded driveway edge shall be revegetated in accordance with Section 18.61.055.
- 8. There shall be no outdoor storage of recreational vehicles, trailers, or boats.
- 9. There shall be no detached accessory structures or buildings.

B. Plat Note Waiver

P1200-125, THE ENCLAVE AT GATES PASS (LOT 9) PLAT NOTE WAIVER

Request of <u>Renee Moussa</u>, represented by <u>Burton and Associates</u> <u>Architects</u>, for a Waiver of Plat Permitting Note No. 12(b) for Lot 9 of The Enclave at Gates Pass (Bk. 57, Pg. 93) which states, "All dwellings on lots 8, 9, 10, and 11 shall have flat roofs." The applicant requests to allow a sloping roof. Lot 9 is approximately 1.46 acres zoned CR-1(BZ)(PR-1) (Single Residence-Buffer Overlay-Protected Peaks and Ridges Level 1) and is located on the north side of the terminus of N. Enclave Place, approximately 1,400 feet north of the intersection of W. Speedway Boulevard and N. Enclave Place. Staff recommends APPROVAL SUBJECT TO A CONDITION. (District 5)

Staff recommends APPROVAL WITH A CONDITION, as follows:

1. Rooflines shall not extend to a height greater than 18 feet above the graded building pad.

Chair Bronson stated there were multiple members of the audience who wanted to speak in opposition of the item.

Supervisor Elías stated he did not want to take away from the audience members but was ready to vote to deny the item.

It was moved by Supervisor Elías and seconded by Supervisor Valadez to close the public hearing, deny the special use permit and deny the plat note waiver. No vote was taken at this time.

Supervisor Miller objected to the denial stating that if not for a bankruptcy two years' prior, the property would have been developed. She added the owner had reduced the size of the house by half and due to the property being on a protected ridge, the owner would not now be able to be develop the land.

Supervisor Carroll asked what the recourse would be if denied.

Supervisor Elías said that would be up to the owner. He stated there had been multiple litigations about the Enclave and that the Board had set a precedent for the Peaks and Ridge Ordinance.

Upon roll call vote, the motion carried 3-2, Supervisors Carroll and Miller voted "Nay."

31. Hearing - Rezoning Ordinance

COUNTY ADMINISTRATOR

34. Foreign Trade Zone Payment in Lieu of Taxes Agreement for New Employer Monsanto

Staff recommends approval of the following:

- A. Lower Foreign Trade Zone property tax assessment ratios for the taxing districts controlled by the County (Approval of the Payment In Lieu of Taxes Fee Agreement);
- B. Formation of the Agricultural Science Advisory Commission and the Agricultural Community Advisory Committee, with membership as follows:

Agricultural Science Advisory Commission:

- 1. Dr. Shane Burgess, Dean, The University of Arizona College of Agriculture and Life Sciences
- 2. Dr. Joaquin Ruiz, Dean, The University of Arizona College of Science
- 3. Dr. Gary Nabhan, Director, The University of Arizona Center for Regional Food Studies
- 4. Dr. Douglas Taren, Associate Dean for Academic Affairs and Professor, Health Promotion Science Department, The University of Arizona Mel and Enid Zuckerman College of Public Health
- 5. Dr. Jeffery Silvertooth, Associate Dean and Director, Economic Development & Extension, Soil, Water and Environmental Science, The University of Arizona School of Plant Science
- 6. <u>A physician from the</u> Dr. Mazda Shirazi, Medical Director, Arizona Poison Control Center who specializes in toxicology
- 7. A Monsanto representative
- 8. Patrick Cavanaugh, Deputy Director of the Pima County Economic Development Office, Commission Administrator and Ex-Officio Member

Agricultural Community Advisory Committee:

- 1. Kimber Lanning, Local First Arizona
- 2. Brandon Merchant, Organic Gardening
- 3. Garrett Ham, 4-H
- 4. Jack Mann, Pima County Farm Bureau
- 5. Five additional members appointed by the Pima County Board of Supervisors
- 6. Patrick Cavanaugh, Deputy Director of the Pima County Economic Development Office, Commission Administrator and Ex-Officio Member
- C. The Memorandum of Understanding with Monsanto.

Chuck Huckelberry, County Administrator, stated the issue before the Board was whether to support the foreign trade zone designation granted by the U.S. Department of Commerce for Monsanto. He stated the County could not regulate agricultural production nor approve a tax reduction. He added that should the Board support the designation, a letter of concurrence would be provided for the four tax rates controlled by the Board and that other taxing jurisdictions, Marana Unified School District, Pima Community College and JTED, would make individual decisions on whether to support the designation.

Mr. Huckelberry explained the economic development attraction for Monsanto to come to Pima County was not the number or types of employment offered, but the

capital investment on the purchased property, which would increase the tax base. The current use for the property yielded a tax amount of \$2,000.00 a year. Even with the tax reduction, the amount would rise to \$650,000.00, which would last 10 years. Afterwards, the yearly property tax would be around \$1.5 million.

Supervisor Valadez stated the Memorandum of Understanding established the Agricultural Science Advisory Commission and the Agricultural Community Advisory Committee and asked about their mission.

Mr. Huckelberry stated both were voluntary commissions and added the Agricultural Science Advisory Commission would review scientific facts and interpret conservation practices while the Agricultural Community Advisory Committee would focus on the views and values of the community.

Supervisor Valadez questioned whether without the Memorandum of Understanding, the County would be provided information concerning Monsanto's operations.

Mr. Huckelberry stated the County would only have access to federal or state reporting that Monsanto was required to provide, and that the only way to know what Monsanto would be doing was to approve the Memorandum of Understanding and establish the committees.

It was moved by Supervisor Valadez and seconded by Supervisor Carroll to impanel the Agricultural Science Advisory Commission, have them hear the questions that had been asked by the public speakers at Call to the Public, accept any future questions, publish their answers on the website for public viewing, and to continue the remainder of this matter until the Board of Supervisors meeting on February 21, 2017. No vote was taken at this time.

Supervisor Elías stated Pima County should not support Monsanto and asked why these committees were being established if the County had no regulatory authority and no fear about Monsanto activities. He added that District 5 had dealt with environmental pollution with the TCE contamination and dioxin in the wells and that the money from Monsanto was not worth what the County would be getting. He said the discussion from the public speakers had not been about Foreign Trade Zones or tax incentives, but against Monsanto coming to Pima County.

Supervisor Elías offered a friendly amendment to the motion to ask that there be five public hearings, one in each supervisorial district, and that the Economic Development Department be added to the discussions.

Supervisor Valadez replied that he agreed with Supervisor Elías but that they differed in the manner in which they went forward to obtain a solution. He stated it was better to know what was going on at Monsanto than to not have any knowledge at all. He added the Board did not have the authority to change the law, but the State did and that the fight to keep Monsanto away needed to be with the State.

Supervisor Miller used the example of Pima County's limited jurisdiction only regarding the air quality permit for Rosemont Copper, but stated the County none the less had gone to great lengths to oppose the opening of the Rosemont Copper mine. She questioned the information provided by the County Administrator which stated Monsanto would be the largest taxpayer in Marana Unified School District, but elsewhere the documentation specified that any payments and loop fees paid by Monsanto during the pilot fee forgiveness period of ten years would be forgiven by taxpayers via a refund.

Mr. Huckelberry explained that the different taxing jurisdictions could choose different options for their PILOT agreements and that the Marana Unified School District had opted for a yearly tax payment that had gone from \$818.00 to \$237,000.00 and a \$500,000.00 cash contribution.

Supervisor Miller inquired whether the request for Foreign Trade Zone approval would move forward should any taxing jurisdictions not agree to support the letter of concurrence.

Mr. Huckelberry stated that customarily without letters of concurrence from the local governing parties, the requests have been denied.

Supervisor Miller stated she saw no indemnification for Pima County or funding set asides in the event of lawsuits stemming from environmental contamination or pollutant exposure and asked that it be incorporated into the Monsanto agreement.

Mr. Huckelberry explained the regulating agency for water contamination would be the Arizona Department of Environmental Quality (ADEQ) and ADEQ would need to designate Monsanto as a potential pollution point source and without any discharge, ADEQ might decline jurisdiction.

Supervisor Miller declared the deal violated the Arizona State Constitution Gift Clause due to no public benefit and that the amount was grossly disproportionate to what the County would receive in return. She agreed with Supervisor Elías regarding the public hearings and that hearing notices be sent out as soon as possible.

Chair Bronson stated that answers were needed from the Agricultural Science Advisory Commission before public hearings were scheduled.

Both Supervisors Valadez and Carroll accepted the amendment to the motion made by Supervisor Elías.

Supervisor Elías requested that staff provide clarification on the regulation of agricultural production and an agricultural research facility and the responsibility of the State. He added that the members of the Agricultural Science Advisory Commission file disclosure statements to ensure that are no conflicts.

Upon roll call vote, the motion carried unanimously 5-0.

35. Mike Jacob Sportspark Operating Agreement

Staff recommends approval of the following:

- A. A month-to-month Operating Agreement with the present operator, for a period of up to six months, during which County staff will conduct a competitive Request for Proposals process to select a single entity to operate Mike Jacobs Sportspark.
- B. Up to \$1 million in capital improvements to the facility, with concurrence from the competitively-selected future operator of the Sportspark, using funding from the Arizona Department of Transportation right-of-way acquisition for Interstate 10 and Ina Road improvements.

Chuck Huckelberry, County Administrator, requested the item be continued to the Board of Supervisors Meeting on December 13, 2016, to communicate with the applicant and their attorney.

Scott List, Championship Sports, asked that the needs of the community be considered prior to any vote to close the sportpark.

It was moved by Supervisor Miller, seconded by Chair Bronson and unanimously carried by a 5-0 vote, to continue this item to the Board of Supervisors' Meeting of December 13, 2016.

36. Raytheon Expansion Economic Development Incentives

Staff recommends the following actions be taken to incentivize Raytheon Missile Systems to expand their Tucson operations:

- A. Approve the voluntary restrictions placed on County acquired property to buffer Raytheon. These restrictions are to be placed on any proposed land use of the County property leased or sold to a third party for economic development purposes. These restrictions ensure continued compatibility of the future land uses with Raytheon operations.
- B. Approve and support a Foreign Trade Zone (FTZ) application for Raytheon's existing operations, as well as the expanding operations proposed by Raytheon through a significant capital facility expansion. The FTZ property tax reduction will be subject to US Department of Commerce FTZ requirements, eligibility of Raytheon for said designation, and approval by the US Department of Commerce as an FTZ eligible property for both existing and future expansion facilities. Educational institutions will receive their full pre-FTZ property tax payments.
- C. Affirm County initiated and managed transportation capacity improvements to the Aerospace Parkway and Raytheon Parkwayto expand traffic capacity and accessibility to Raytheon facilities based on additional employment.

- D. Reaffirm and commit to all of the previous actions of the County to facilitate Raytheon expansion and new and increased employment at their Tucson facilities.
- E. Pursuant to ARS 11-254.04, authorize the County Administrator to, at the appropriate time, negotiate the sale of the entire property described as County land lying north of the Aerospace Parkway and west of Raytheon Parkway to the City of Tucson. This property will be utilized by Raytheon for the South Entry Control Facility to Raytheon. The sale of the County-owned property will be at the appraised market value and will be funded by the City of Tucson Annexation Fund designed to provide buffer space for Raytheon.

Supervisor Miller declared a potential conflict of interest for matters regarding Raytheon Missile Systems as her husband was employed on the Engineering Leadership Team at Raytheon, and left the dais.

It was moved by Supervisor Valadez, seconded by Chair Bronson and carried by a 4-0 vote, Supervisor Miller recused herself due to a potential conflict of interest, to approve the recommendations.

TRANSPORTATION

39. Waiver of Development Impact Fee

Pursuant to Pima County Code Section 19.03.070, Darrel Nelson requests a waiver of the Roadway Development Impact Fee for the placement of a residential dwelling located at 28720 S. Prairie View Court, in the Southeast Impact Fee Benefit Area. Staff recommends APPROVAL. (District 4)

Darrel Nelson addressed the Board and explained he drives 5/8 mile down an unmaintained dirt road, several hundred feet in Pima County on a Santa Cruz County maintained paved road and does not receive any Pima County services such as EMS, fire or animal control, those are provided by Santa Cruz County. He requested the waiver of development impact fees due to those factors.

It was moved by Supervisor Carroll, seconded by Supervisor Miller and carried by a 3-2 vote, Chair Bronson and Supervisor Elías voted "Nay," to reduce the development impact fee by 50 percent.

PULLED FOR SEPARATE ACTION

CONTRACT AND AWARD

Procurement

15. **Award**

Award of Contract: Master Agreement No. MA-PO-17-97, Mobile Maintenance and Towing, L.L.C. (Headquarters: Tucson, AZ), to provide vehicle towing and auction services. Contract is for an initial term of one year in the annual estimated revenue amount of \$580,000.00 and an annual not-to-exceed expense amount of \$464,000.00 with four annual renewal options. <u>Funding Source</u>: General Fund. <u>Administering Department</u>: Sheriff.

At the request of staff and without objection, this item was continued to the Board of Supervisors' Meeting of December 13, 2016.

PULLED FOR SEPARATE ACTION BY SUPERVISOR MILLER

CONTRACT AND AWARD

County Administrator

7. Racy Associates, Inc., to provide for state legislative representation services, General Fund, contract amount \$280,000.00/2-year term (CT-CA-17-157)

Supervisor Miller stated these services should be bid competitively. She then made a motion to continue the item and move for a competitive bid. The motion died for a lack of a second.

It was then moved by Supervisor Valadez, seconded by Supervisor Carroll and carried by a 4-1 vote, Supervisor Miller voted "Nay," to approve the item.

Procurement

11. **Award**

Amendment of Award: Master Agreement Nos. MA-PO-14-268 and MA-PO-17-65, Advanced Controls Corporation and Climatec, L.L.C., for energy management and temperature controls services, increase the five year notto-exceed award amount by \$642,282.00 to a cumulative not-to-exceed award amount of \$1,257,032.00. <u>Funding Source</u>: General Fund. <u>Administering Department</u>: Facilities Management.

Supervisor Miller inquired about the cost increase and why the services had not been anticipated in the original contract.

Lisa Josker, Facilities Management Director, stated the contract amendment was to install energy management controls in several buildings, the repairs had been anticipated but the scope of work for those repairs were not known.

Chuck Huckelberry, County Administrator, explained all County owned buildings needed to be modified and cost depended on the existing individual HVAC systems. He stated this had been an ongoing process to get all buildings on one system, which turned air and lights on and off at one central location. The cost also varied depending on how many buildings were serviced within the year.

Supervisor Miller stated she would have liked to have seen a worst-case estimate with a not-to-exceed amount where there were contracts where more work was anticipated. She questioned what the impact was on doing a competitive bid with other bidders who may have understood the project had possibility for work at a larger scale and which would have reflected in their pricing. Mr. Huckelberry stated he would provide a report on how many buildings were on-control, how many were off-control and the advantages of being added to the central system.

Supervisor Elías asked Mr. Huckelberry for a report on how the bid process worked and how to make improvements.

It was moved by Supervisor Elías, seconded by Chair Bronson and carried by a 4-1 vote, Supervisor Miller voted "Nay," to approve the item.

12. Award

Amendment of Award: Master Agreement No. MA-PO-16-198, Diamondback Police Supply Co., to provide for body armor IFB 198449. Increase the annual award amount by \$100,000.00 to a cumulative not-to-exceed amount of \$380,000.00. <u>Funding Source</u>: General Fund. <u>Administering Department</u>: Sheriff.

Supervisor Miller asked if the Sheriff's Department budget was sufficient to cover the cost of the amendment.

Chuck Huckelberry, County Administrator, stated when a purchase was made by independent elected officials, the County relied on the department budget staff to make sure the item was budgeted.

It was moved by Supervisor Valadez, seconded by Supervisor Miller and unanimously carried by a 5-0 vote, to approve the item.

20. Spillman Technologies, Inc., Amendment No. 5, to provide for the Spillman Software Support Project, extend contract term to 6/30/18 and amend contractual language, General Fund, contract amount \$900,873.00 (MA-PO-13-476) Sheriff

Supervisor Miller questioned the cost increase and that the original contract had been a sole source procurement.

Chuck Huckelberry, County Administrator, explained the project was for a major upgrade to the existing computer system that operated the jail.

Chair Bronson asked if the upgrade had been anticipated in the budget.

Jesse Rodriguez, Chief Information Officer, explained the project entailed a major upgrade to both the software and the underlying systems, in order to comply with new requirements for running the jail and to integrate the data with other County used systems, and was a result of a grant the Sheriff's department had received. He explained the sole source was because Spillman was the only company that sold the product that met the department's requirements and the increase was due to the additional capabilities of the software.

Supervisor Miller questioned that if there were upgrades that had not been considered and were outside the scope of the original contract, shouldn't a new contract have been negotiated.

Mary Jo Furphy, Procurement Director, explained the scope of the original contract allowed for annual maintenance as well as upgrades and that the amendment was within the scope of the contract, but had not been anticipated when the original contract was approved.

It was moved by Chair Bronson, seconded by Supervisor Elías and carried by a 4-1 vote, Supervisor Miller voted "Nay," to approve the item.
