Thanks Michael for your comments they were thoughtful and I appreciate them. Will you be attending tomorrow? I'll ask Julie the clerk of the board to add this item is back up material to that agenda item. And again thank you for the comments.

As a Pima County resident and a frequent visitor to the park, I wanted to express my support of the 4 year lease extension for the multi use vision of the Park. I hope that you will strongly consider voting for the extension. I believe the multi use vision for the Rillito Regional Park is in the public's best interest and encapsulates the highest, best and most diverse use of the public space.
