**CONTRACTS / AWARDS / GRANTS**

**Requested Board Meeting Date:** 4/18/2017

**or Procurement Director Award** ☐

**Contractor/Vendor Name:** Community Food Bank, Inc.  
**(DBA):**

**Project Title/Description:**

Marana Community Food Bank Expansion Project

**Project Site:**

11734 W. Grier Road

Marana, AZ 85653

**Purpose:**

Two modular office structures were donated to Subrecipient for use in food bank and distribution operations. Subrecipient will use Community Development Block Grant ("CDBG") funds to transport, affix and complete needed facility improvements to the two modular office structures.

**Procurement Method:**

Solicitation number CDNC-10-30-15-CDBG-ESG for \$40,000 in CDBG funds. As this contract was being drafted, staff recommended the Community Food Bank proceed with formal estimates from the few state licensed, commercial transport modular building providers and found that the cost to move the units was nearly \$40,000. This significant, and unanticipated, increase to move the units did not leave enough funds to complete the onsite improvements and the Food Bank requested assistance in finding additional resources. Concurrently, Pima County was in the process to closeout an underperforming project, effectively recapturing nearly \$40,000 in unexpended funds, and recommends allocating these available resources to this Project increasing the contract to \$80,000. Prior to making federal funding recommendations and contract negotiations, Pima County conducts a risk assessment per Office of Management and Budget Uniform Guidance 2 CFR 200. After conducting this due diligence assessment, staff identified "no findings" and determined it reasonable to recommend allocating an additional \$40,000.00 to further assist the Community Food Bank in its Marana expansion.

**Program Goals/Predicted Outcomes:**

**Goal:** Provide a suitable living environment through improved access to community public facilities.

**Predicted outcome:** Improved access and availability of food bank services at the relocated Marana Community Food Bank, a public facility service low- to moderate-income persons in the Marana Target Area.

**Public Benefit:**

Upon completion, the Project will meet the U.S. Department of Housing and Urban Development ("HUD"), CDBG National Objective to provide area-benefit to the residents of the Marana Community Development Target Area and surrounding unincorporated area, by completing needed public facility improvements.

**Metrics Available to Measure Performance:**

At a minimum, 18,500 persons will be assisted through the provision of quality primary medical care and preventative health services.

**Retroactive:**

Yes, this contract will be retroactive to March 1, 2017 to coincide with subrecipient's bid solicitation process and project completion timeline.
