# MEMORANDUM

---

Date: Revised May 23, 2017

To: The Honorable Chair and Members  
Pima County Board of Supervisors

From: Jan Leshner, Chief   
Deputy County Administrator

Re: **May 17, 2017 Budget Hearing Summary**

During the absence of the County Administrator, I am continuing his practice of providing the Board of Supervisors a summary memorandum regarding issues or questions raised during budget hearings. The following is a summary of the departmental budgets reviewed at the May 17, 2017 Budget Hearing.

## Summaries by Object and Differences with Explanations

Attachment 1 contains summaries by object for each of the departments or agencies where increases, decreases or significant variances in year-to-year budget comparisons are provided. They all have some explanation associated with significant variances, which should assist the Board's review of the summary reports.

Attachment 1 is compiled in accordance with the appearance of the budget presentations.

## Department/Agency Presentation Materials

Attachment 2 includes the presentation materials provided by each of the eight departments below that presented to the Board of Supervisors on May 17, 2017.

### 1. Capital Projects Fund

At one time, 480 projects were identified as capital improvement projects. There are currently 154 projects being developed with a budget of \$170 million. It is anticipated this will decrease to \$64 million in the next three to four years.

Staff responded to questions noting that a \$2.179 million grant was received from the Arizona Department of Transportation for SpacePort Tucson. Staff also reported that \$200,000 has been budgeted for the design of improvements on Thornydale Road between Cortaro Farms and Sumter Drive in Fiscal Year (FY) 2017/18. The remainder of the \$4.77 million allocated for the project will be spent by the end of FY 2019/20.

Of the Highway User Revenue Fund (HURF) bonds authorized by the 1997 bond election, a total of \$73,375,000 remains authorized but unspent.

2. Regional Wastewater Reclamation

The proposed budget was developed prior to the approval of a fee increase, which is documented in a footnote to the budget. Department Director Jackson Jenkins noted that the Department pays water companies to distribute the County's sewer bills, and a 320 percent increase is proposed by the water utilities in the new fiscal year, which is not included in the current budget. It is hoped the County can negotiate lower rates early in the fiscal year.

It was noted the budget included \$49,257,735 in proposed capital expenditures. Attachment 1 contains a list of the 46 projects for which funding is requested in the next fiscal year. In addition to these 46 projects, another 34 projects, or 80 projects, comprise the Five-year Capital Improvement Project Plan.

3. Development Services

There were no unanswered budget questions raised.

4. Natural Resources, Parks and Recreation

An inventory of ranch lands indicating acquisition date, total acreage, County acreage and lease dates is contained in Attachment 2. The cost to the County is being developed by staff and will be provided to the Board of Supervisors when finalized.

5. Office of Sustainability and Conservation

Attachment 2 includes responses to the following questions:

- A. Please provide an inventory of open space lands, including the cost of acquisition.  
What is the total amount the County has in open space land?
- B. Please provide an inventory of all ranches and include the amount of acquisition, acreage, income generated and cost to maintain.
- C. What is the full cost of implementation and oversight related to the MSCP Section 10 Permit? Staff, required reports, etc.

6. Regional Flood Control District

There were no unanswered budget questions raised.

7. Transportation

A question was raised about the remaining unsold amount of 1997 HURF bonds. There is \$73,375,000 remaining in HURF bonds from the 1997 authorization.

8. Environmental Quality

Other Professional Services is proposed to increase from \$2,915 to \$314,133. In response to a question, Director Ursula Nelson indicated the increase was to accommodate projected expenses related to a grant from the Arizona Department of Environmental Quality (ADEQ).

Subsequent to development of the budget, the County's Department of Environmental Quality learned it did not receive the ADEQ grant. Following the Budget Hearing, Ms. Nelson met with representatives of Grants Finance, and an appropriate adjustment will be made to the budget to address the modification.

## SUMMARY BY OBJECT

Department: Regional Wastewater Reclamation

Object Name	2015/2016 Actual	2016/2017 Adopted	Actuals Thru Feb 28 2017	2017/2018 Recommended	Increase / Decrease	Explanation
<b>EXPENDITURE OBJECTS</b>						
<b>5400</b> Salaries & Wages	20,702,868	22,836,694	14,134,591	22,881,781	45,087	Due to approved salary increases
<b>5401</b> Overtime	878,590	888,079	592,270	1,033,292	145,213	Due to vacancies
<b>5402</b> On Call Pay	135,727	151,605	89,200	156,347	4,742	
<b>5403</b> Shift Differential	41,818	67,352	27,163	66,120	(1,232)	
<b>5404</b> Temporary Help	11,695	51,544	8,947	52,572	1,028	
<b>5406</b> Holiday Worked Pay	137,717	159,802	113,791	175,706	15,904	Due to approved salary increases
<b>5407</b> Special Assignment Pay	18,951	19,207	11,164	18,584	(623)	
<b>5408</b> Vacancy Saving	-	-	-	1,247	1,247	
<b>5409</b> Social Security & Medicare	1,641,419	1,689,433	1,103,382	1,752,751	63,318	Due to approved salary increases
<b>5410</b> Unemployment Insurance	22,943	17,225	11,661	16,029	(1,196)	
<b>5411</b> Health Insurance Premiums	3,302,660	4,071,555	2,681,843	3,236,464	(835,091)	HSA now budgeted in 5457; premium decrease of \$144,944
<b>5412</b> Workers Compensation	556,072	532,954	356,093	570,461	37,507	Due to approved salary increases
<b>5413</b> Life Insurance	13,589	15,334	9,649	15,453	119	
<b>5415</b> Employer Paid Subsidy	4,640	4,900	2,907	5,490	590	
<b>5416</b> Arizona State Retirement	2,549,114	2,520,519	1,711,427	2,631,946	111,427	Due to approved salary increases
<b>5422</b> Dental Insurance Premiums	46,923	50,330	34,224	51,454	1,124	
<b>5423</b> Interdepartmental Salaries - Charged out/Credit	(3,694)	-	-	-	-	
<b>5424</b> Interdepartmental Salaries - Charged in/Debit	588,688	730,220	479,011	750,559	20,339	Due to MOUs, such as CHH, DSD, SUS, Water Policy, and allocation for Premium Accela Services
<b>5425</b> Interdepartmental Fringe - Charged out/Credit	(3,881)	-	(1,792)	-	-	
<b>5426</b> Interdepartmental Fringe - Charged in/Debit	133,328	146,449	113,504	219,811	73,362	Due to MOUs, such as CHH, DSD, SUS, Water Policy, and allocation for Premium Accela Services
<b>5427</b> Labor Distribution Fringe Charged out/Credit	(184,496)	(187,754)	(169,140)	(304,860)	(117,106)	Due to fringe charged to CIP
<b>5428</b> Labor Distribution Fringe Charged in/Debit	12,544	319,871	322	290,010	(29,861)	Anticipated internal payroll charge outs of special pay
<b>5429</b> Labor Distribution Salaries Charged out/Credit	(572,067)	(938,769)	(524,041)	(1,007,087)	(68,318)	Due to salaries charged to CIP
<b>5430</b> Labor Distribution Salaries Charged in/Debit	37,640	-	871	-	-	
<b>5431</b> Budgeted Benefits	-	151,105	-	-	(151,105)	Used in FY16/17 for benefits due to approved salary increases
<b>5435</b> Parking Subsidy	620	1,300	604	1,040	(260)	
<b>5439</b> Paid Parental Leave	-	-	7,760	-	-	
<b>5440</b> Sick Payout	149,672	170,907	33,712	-	(170,907)	Not budgeting this year, to be covered by vacancy savings

## SUMMARY BY OBJECT

### Department: Regional Wastewater Reclamation

Object Name		2015/2016 Actual	2016/2017 Adopted	Actuals Thru Feb 28 2017	2017/2018 Recommended	Increase / Decrease	Explanation
5441	Vacation Payout	115,825	157,749	59,005	-	(157,749)	Not budgeting this year, to be covered by vacancy savings
5457	HSA Contribution - Employer	-	-	-	609,001	609,001	Previously budgeted in 5411

## SUMMARY BY OBJECT

### Department: Transportation

Object Name	2015/2016 Actual	2016/2017 Adopted	Actuals Thru Feb 28 2017	2017/2018 Recommended	Increase / Decrease	Explanation
<b>5142</b> Postage & Freight	15,834	15,448	4,218	15,118	(330)	
<b>5143</b> Printing & Microfilming	9,391	22,920	6,407	17,750	(5,170)	
<b>5145</b> Security	48,311	50,000	52,298	50,000	-	
<b>5146</b> Moving and Storage Fees	111	-	226	500	500	
<b>5147</b> Leases & Rental - Real Estate - Internal	295,739	905,050	143,627	211,421	(693,629)	Decrease in Leases and Rental as change in object code for heavy equipment rentals. Only internal County rent remains in this object.
<b>5148</b> Leases & Rental - Real Estate - External	840,675	213,677	109,199	6,000	(207,677)	Change in object code for internal County rent. Now at 5147.
<b>5149</b> R&M-Machinery & Equipment Services	646,437	778,350	454,380	685,600	(92,750)	Previously ongoing maintenance costs for wireless communications systems for remote monitoring and control of traffic signals was budgeted in here. This cost is now paid by PAG and therefore the budget was reduced.
<b>5150</b> R&M Building Services	324,122	282,338	124,502	272,338	(10,000)	Monies for construction of new restroom were included in FY17 budget.
<b>5151</b> R&M Grounds and Landscaping	2,657,757	3,119,118	1,619,045	2,750,209	(368,909)	Did not budget any pavement preservation monies in FY17, were hoping for bond to pass. Bonds did not pass therefore budgeting for this in FY 2018.
<b>5152</b> Other Professional Services	49,261	125,085	50,675	125,372	287	
<b>5157</b> Data Processing	-	-	2,995	-	-	
<b>5159</b> Lobbying Services	45,767	55,000	14,912	55,000	-	
<b>5160</b> Banking Credit Card Fees and Charges	75,173	74,100	43,129	80,972	6,872	
<b>5161</b> Printing Costs for Promotional Items	-	500	-	500	-	
<b>5162</b> Advertising	4,389	7,050	1,657	7,200	150	
<b>5163</b> Laundry & Linen Services	9,307	37,450	26,617	50,500	13,050	No budget in unit 1494 in FY17 and \$9K was budgeted in this unit in FY18.
<b>5167</b> Leases & Rental - Other Mchnry Telecomm etc	8,494	-	471,662	773,350	773,350	
<b>5200</b> Interdepartmental Supplies & Services - Charged Out/Credit	(3,203,779)	(2,193,859)	(1,960,389)	(2,157,588)	36,271	Decrease due to diminishing CIP projects.
<b>5202</b> Departmental Overhead - Charged Out/Credit	(1,192,548)	(1,653,880)	(813,045)	(1,122,249)	531,631	Decrease in Interdept. Overhead Charged Out due to diminishing CIP projects.
<b>5203</b> Interdepartmental Supplies & Services - Charged In/Debit	3,011,731	1,954,317	1,869,661	1,955,383	1,066	
<b>5205</b> Departmental Overhead - Charged In/Debit	56,485	94,716	48,130	186,336	91,620	FY18 DSD MOU overhead is \$93K. Overhead for DSD MOU was not budgeted in this object in FY17.
<b>5206</b> County Administrative Overhead	2,710,641	2,984,667	1,989,776	2,247,294	(737,373)	Change in process, PWA Allocation now included in County Administrative Overhead allocation.

## SUMMARY BY OBJECT

### Department: Transportation

Object Name	2015/2016 Actual	2016/2017 Adopted	Actuals Thru Feb 28 2017	2017/2018 Recommended	Increase / Decrease	Explanation
<b>5208</b> PWA Overhead Expense	794,316	661,473	440,984	1,066,107	404,634	Change in process, PWA Allocation now included in County Administrative Overhead allocation.
<b>5300</b> Telephone & Internet	231,308	256,052	156,427	-	(256,052)	Change in process; new objects created for ports, cell phones, outside internet, outside telephone.
<b>5301</b> Electricity	477,500	582,172	320,129	570,000	(12,172)	Anticipate usual increase in electricity costs.
<b>5302</b> Water & Sewer	157,331	182,300	110,003	165,200	(17,100)	Anticipate usual increase in water and sewer costs.
<b>5303</b> Natural Gas	11,966	11,550	6,514	11,550	-

## Capital Projects Fund      FY17/18

Pima County's Capital Fund includes all capital projects for all departments and service areas except those classified as Enterprise Funds. The Enterprise Fund areas include the Regional Wastewater Reclamation Department, Fleet Services, Facilities Garages, and Telecommunications. Despite the different accounting classifications, all capital projects are managed in a similar fashion using the Pima County Project Delivery Process. All projects receive the same oversight and require the same reporting.

<b>Capital Improvement Plan and Capital Projects Fund</b>	<b>FY 2016/2017 Budgets</b>	<b>FY 2017/2018 Budgets</b>	<b>Difference</b>
Transportation	\$50,896,922	\$58,643,855	\$7,746,933
Facilities Management	31,441,543	40,094,909	8,653,366
Sheriff's Department	300,000	0	-300,000

<b>Total Capital Improvement Plan</b>	<b>\$51,954,215</b>	<b>\$51,317,996</b>	<b>(\$636,219)</b>
<b>Total Combined Capital Improvement Plan and Capital Projects Fund</b>	<b>\$157,433,384</b>	<b>\$170,280,461</b>	<b>\$12,847,077</b>

## Capital Projects Fund      FY17/18

The 2017/2018 budget includes a total of 154 projects. Projects are delivered by the originating department or the Project Management Office.

The Pima County's Capital Improvement (CIP) Program continues to decline from its high of \$480 million in 2012/2013 to approximately \$170 million for 2017/2018. The decline can be attributed to the completion of the County's single, largest capital investment to date, the Regional Optimization Master Plan that improved the outdated facilities at Roger Road and Ina Roads, and the majority of the voter-approved bond programs.

The County's CIP Program is in a rapid decline due to the lack of capital funding. The projected FY 2021/2022 CIP budget is \$64 million. The infrastructure departments are currently working on an Integrated Infrastructure Plan, which identifies the future capital investment needed to maintain the current and proposed County assets. This information will be available in the fall of 2017.

The CIP Program is funded from a variety of sources. These include:

- General Obligation Bonds
- RWRD Obligations
- Operating transfers
- HURF Revenue Bonds
- State Revenue
- Impact Fees
- Flood Control Tax Levy
- Certificates of Participation
- Intra-Fund Transfers Grant Funds
- Regional Transportation Authority (RTA) Sales Tax, City Operating Revenue and Other Miscellaneous Revenue

## Regional Wastewater Reclamation Department Fiscal Year 2017/18

### Requested Department expenditures, revenues, and operating transfers:

	FY 16/17 BUDGET	FY 17/18 BUDGET	PERCENT CHANGE
<i>Personnel</i>	\$ 33,627,611	\$ 33,224,171	(1) %
<i>Supplies and Services</i>	\$ 49,411,598	\$ 47,954,044	(3) %
<i>Capital Equipment &gt;\$5,000</i>	\$ 1,524,598	\$ 2,220,359	46 %
<i>Debt Service (Interest Only)</i>	\$ 21,918,926	\$ 15,452,880	(29) %
<i>Contra Assets</i>	(\$ 1,524,598)	(\$ 2,220,359)	(46) %
<i>Depreciation</i>	\$ 51,413,463	\$ 54,909,208	7 %
<b>Operating Expenditures</b>	<b>\$156,371,598</b>	<b>\$151,540,303</b>	<b>(3) %</b>
<b>Operating Revenues<sup>1</sup></b>	<b>\$171,557,547</b>	<b>\$168,040,114</b>	<b>(2) %</b>
<b>Operating Transfers</b>	<b>\$24,725,270</b>	<b>\$23,982,776</b>	<b>(3) %</b>
<b>Total FTEs</b>	<b>457</b>	<b>457</b>	<b>0 %</b>

- **The *Personnel Services* budget reflects a \$403,440 decrease from last fiscal year.**
  - RWRD did not budget for sick and vacation payouts, with the anticipation that vacancy savings will cover the cost of all retirement and termination payouts for FY 2017/18.
- **The *Supplies and Services* budget reflects a \$1,457,554 decrease from last fiscal year.**
  - Reduced Administrative Overhead costs accounts for the *Supplies and Services* decrease (\$1,873,292).
- ***Operating Capital* and *Capital* budgets are projected to increase a total of \$695,761.**
  - *One (1) Combo Truck*: The existing combo truck is reaching the end of its life cycle and is out of warranty. If it becomes unusable, the scheduled maintenance of the sanitary sewer collection system will be compromised and potentially result in unexpected Sewer System Overflows (SSOs). A new unit will not only operate more efficiently, but will also prevent workers' compensation claims by minimizing the need to manually clean sanitary sewer reaches, manholes, catch basins, and pump station wet wells.
  - *Three (3) Rodder Units*: The existing units are reaching the end of their life cycles and are out of warranty. If the existing equipment becomes unusable, the scheduled maintenance of the sanitary sewer collection system will be compromised and potentially result in unexpected SSOs. New units will not only operate more efficiently but also reduce costly overtime.
  - *One (1) Forklift*: The addition of a new forklift will improve Division efficiency and provide adequate/safe load capacity when distributing/stocking supplies. The one existing forklift does not have sufficient capacity, and moving the forklift from one property to another is inefficient, time consuming, and accelerates wear and tear of the vehicle.

<sup>1</sup> A Board-approved 3% increase for user and connection fees will be included in the tentative budget, for a total projected revenue of \$172,471,432.

# Regional Wastewater Reclamation Department Fiscal Year 2017/18

---

## Major programs and related services provided by the Department:

- **Treatment Operations:** Operate and maintain water reclamation facilities to treat sanitary sewage including associated biosolid facilities. Implement, in partnership with the Compliance and Regulatory Affairs Office (CRAO), the Environmental Protection Agency (EPA) mandated industrial pretreatment program through permitting, inspection, sampling, and enforcement. Conduct investigations and studies on treatment related issues and concerns.
- **Conveyance System:** Provide required services to repair, rehabilitate, and construct sanitary sewage collection, conveyance, treatment, disposal or reuse, and odor control facilities in compliance with federal, state, and local regulatory requirements. Maintain Best Management Practices to ensure that the highest operating standards in the quality of service, environmental protection, and occupational health and safety are continually met. Provide project planning, management, oversight, coordination, and required construction services for the Department's Capital Improvement Program.
- **Planning & Engineering:** Provide engineering review, inspection, and connection of sewerage and sewer service elements for new wastewater customers and manage sewerage design standards. Develop and maintain a regional long-range facility plan and provide project planning services and inspection for the department Capital Improvement Program. Provide conveyance capacity information from metering and hydraulic modeling and evaluate the availability of sewer capacity to serve new development. Develop GIS tools and maintain connection records and maps of the public sewer system.
- **Administration and Compliance and Regulatory Affairs Office:** Supervise, monitor, and direct Department operations, annual budget planning, strategic planning, and process improvement planning. Coordinate community services, facility security, quality control, sustainability/energy management, and employee services functions for the Department. Operate a state-licensed laboratory to test samples for regulatory compliance. Collect samples and prepare requisite reports and submittals in accordance with federal and state permit requirements. Administer regulatory compliance and permitting programs including inspection of industrial sites requiring wastewater control. Conduct operational and technical training programs and activities.

		<b>\$83,398,574</b>

Significant changes in the requested FY 2017/18 budget versus the FY 2016/17 adopted budget:

- None

## Regional Wastewater Reclamation Department Fiscal Year 2017/18

---

### Major budget issues the Department is facing in FY 2017/18:

- On April 18th, the Board approved a 3% increase in user fees and a 3% increase in connection fees. This is less than the recommendation from the Finance and Risk Management Department which consisted of a 4% user fee increase in each of three consecutive years (2017, 2018, and 2019).
- The Fund Impact is currently estimated at (\$7,482,965) in the recommended budget and will be a reduction to the fund, or cash balance. The tentative budget will include the Board-approved 3% increase to user and connection fees, which will lessen the fund impact to (\$3,091,647); however it is still a negative impact.
- Wastewater flows continue to decrease, an average 2% each year since 2006/07. This will be a continuing factor in revenue projections going forward. The Department is currently evaluating rate structure alternatives in an effort to address revenue stability while maintaining sensitivities to conservation and efficiency.
- For Fiscal Year 2017/18, three of the four sewer billing contracts are increasing up to 32%. This is an unexpected cost for the Department and discussions are currently underway with the Department, Pima County Finance and Risk Management, and the water companies (Tucson Water, Oro Valley, and Metro Water).

### Any requests for supplemental funding over and above the base budget amount:

- None

# **Regional Wastewater Reclamation Department Fiscal Year 2017/18**

---

## **Various issues related to FY2017/18 budgets administered by the Department:**

### **Main Operating Budget**

- RWRD's requested budgets reflect careful and difficult decisions in an effort to limit expenditure growth.
- It is RWRD's intent to fulfill budgeted performance commitments without exceeding budget targets.
- RWRD's goal is to achieve between 97 percent and 100 percent of our budget target.
- RWRD believes this budget authorization allows us to achieve all levels of service required.

### **Special Program Budgets**

- None

### **Grants Program Budgets**

- \$40,000 Water Innovation Challenge

### **Capital Improvement Program Budgets**

- 80 Projects proposed with a Budget of \$ \$49,257,735
  - 19 Projects scheduled to be under design or construction in FY 17/18
  - 26 Projects scheduled to close in FY 17/18
  - 35 Project scheduled to start beyond FY 17/18

### **Internal Service Fund Budgets**

- None

## Development Services FY17/18

### Requested Operating Department Expenditures, Revenues and Operating Transfer

DEVELOPMENT SERVICES FUND 5004	FY16/17 BUDGET	FY17/18 BUDGET	\$ CHANGE	PERCENT CHANGE
Operating Expenditures	\$ 6,934,222	\$ 6,918,170	\$ (16,052)	-0.2%
Operating Revenues	\$ 7,588,303	\$ 7,758,075	\$ 169,772	2.2%
Operating Transfers	\$ (515,955)	\$ (767,735)	\$ 251,780	32.8%
FTE	58.00	56.00	(2.00)	-4%

Operating Revenues are budgeted to reflect the 2% annual fee increase and a slight increase of .2% to reflect continued modest improvement in overall economic conditions.

Operating Expenditures have decreased a modest .2% primarily due to savings in personnel. As noted above, the department has reduced total FTEs by 2 (4%).

Operating Transfers are increasing from \$515,955 to \$767,735, as the department continues to pay back the General Fund for support during the recession. The repayment in FY16/17 was \$500,000, which leaves a balance of \$4,560,526 and the expected annual repayment for FY17/18 and beyond is \$750,000 until the support is paid back.

### Major Programs and Related Services Provided by the Department

DSD Major Programs and Initiatives	Services/Contributions to Economic Development
Building and Site Permitting	Ensure conformity of buildings, subdivision plats, and site construction plans with adopted codes.
Planning	Ensure conformity of land use with adopted policies and codes.

## Development Services FY17/18

### Major Costs of Providing Programs and Related Services by the Department

MANDATE	PROGRAM	COST	REVENUE
ARS Title 11: Chapter 2: Board of Supervisors; Article 9: Building Permits; Chapter 6: County Planning and Zoning; Chapter 8: Development Fees; and, Chapter 9, Protected Development Rights. Pima County Code: title 15: Buildings and Construction; and, Title 18: Zoning	Building Inspection	\$ 928,546	
	Building and Site Permitting	\$ 2,925,173	\$ 7,438,844
	Planning	\$ 1,788,399	\$ 291,663
	Code Enforcement	\$ 773,583	\$ 11,614

Note: Building Inspection revenue is a part of the building and site permitting revenues. Code enforcement has judgments, interest and fines.

### Significant Changes in the Requested FY2017/18 Budget versus the FY2016/17 Adopted Budget

- Total Personnel expenses have decreased \$43,258 from FY16/17.
  - Three PCNs were removed from DSD due to efficiencies.
  - One PCN was transferred in from Transportation to enable movement of the Right of Way Permitting function to DSD.
  - Net effect is a decrease in two FTEs for DSD resulting in overall cost savings.
- Operating expenses have increased \$27,206 from FY 16/17. Notable changes to this year's budgeted expenditures include:
  - \$52,199 - 8% increase in Administrative Overhead from FY16/17
  - (\$10,058) - 4% decrease in Public Works Administration Overhead from FY16/17
  - \$46,515 - 14% increase in ITD charges
- Changes to object codes for leases and rentals occurred after FY17 budget adoption. Building rent in the Adopted FY17 budget was in object code 5148. The actual expense is now charged to object code 5147. Building rent remains unchanged from FY17 at \$247,489 and is included in object code 5147 for the Recommended FY18 budget. Copier leases of \$10,800 were in object code 5147 in the Adopted FY17 budget.

## Development Services FY17/18

### Major Budget Issues the Department is Facing in FY2017/18

- Revenues: Building permitting revenue makes up 89% of DSD revenues with site development constituting 8% and planning revenues 3. Maintaining enough revenue to sustain the department will be the greatest challenge. Permitting revenues are comprised of 74% single family permits, 25% commercial permits and 1% multifamily permits. For 16/17, DSD is projected to surpass the budgeted revenues by approximately \$144,000. In 15/16 DSD generated less revenue than budgeted.
- Housing Market: Although home permitting volume for the region has increased 15% over last year, in unincorporated Pima County, new single-family permits have fallen slightly behind last year to date (July through May 15th); 638 new homes compared to 612 for this year. Currently Pima County's market share for new homes is 25% of the market. Historically it has been around 40%.
- Major planned developments such as Rocking K with 3,600 units and Pomegranate, with 2600 units will impact volume in the future when they begin lot improvements. Other developments in the southwest, Star Valley and Diablo Village and the southeast (Rancho del Lago) will provide additional lot inventory.
- Notable large projects permitted this year include the Northwest Hospital expansion (\$147,000 fee), assisted living facility (\$393,000 fee) and apartment buildings phased in over the year.
- Development Services is pursuing new revenue streams such as passport processing and expanded plan review services for the City of Tucson. Currently DSD reviews around 10 City plans a month. Development Services reviewed the Raytheon expansion plans and is expected to review the Caterpillar project.
- A comparison of permit activity through May is provided below.

### Any Requests for Supplemental Funding Over and Above the Base Budget Amount

No supplemental funding requests have been submitted for the Development Services Department.

## Natural Resources, Parks & Recreation Department FY17/18

### Requested operating department expenditures, revenues and operating transfers:

	FY 16/17 BUDGET	FY 17/18 BUDGET	PERCENT CHANGE
<b>GENERAL FUND</b>			
Operating Expenditures	\$17,531,562	\$17,606,783	0.4%
Operating Revenues	\$989,550	\$989,550	0%
Operating Transfers	\$100,185	\$71,442	-29%
FTEs	273	275.4	2.4
<b>SPECIAL REVENUE FUND</b>			
Operating Expenditures	\$3,900,904	\$2,438,780	-37.50%
Operating Revenues	\$863,761	\$94,000	-89%
Operating Transfers In/(Out)	(\$860,289)	(\$393,878)	-54%
FTEs	3	3	0
<b>GRANTS FUND</b>			
Operating Expenditures	\$377,000	\$382,000	0.01%
Operating Revenues	\$359,500	\$340,000	-0.05%
Operating Transfers In/(Out)	(\$17,500)	(\$42,000)	140%
FTEs	0	0	0
<b>TOTAL NRPR FTEs</b>	<b>276</b>	<b>278.4</b>	<b>2.4</b>

The NRPR general fund expenditure budget increased \$75,221 from FY17 to FY18. This is due to annualization of the 2016/17 Board approved pay adjustments. This increase represents 0.4%.

The NRPR Special Revenue Fund budget decreased by \$1,462,124 from FY17 to FY18 due to acquisition of the 276-acre Frick property that occurred in the current fiscal year. In addition, debt service has been budgeted in FY 2017/18 in the amount of \$566,667 for repayment of Frick acquisition from Starr Pass environmental enhancement fund.

Total Department FTE increased by 2.4 from FY16/17 to FY17/18. We are hiring a Trails Program Coordinator for our Trails division; a Trades Maintenance Specialist for the linear park system to manage additional Loop segments and a part time Volunteer Coordinator to oversee and manage our large cadre of volunteers.

# Natural Resources, Parks & Recreation Department FY17/18

---

## Major programs and related services provided by the department:

- Environmental Education Programs  
Outcome: Environmental Education creates environmentally aware citizenry that make responsible decisions and respect our unique desert environment.
- Natural Resource Parks (i.e. Tucson Mountain Park, Agua Caliente Park, Colossal Cave MP, Tortolita MP)  
Outcome: Natural Resource Parks provide open space recreation areas highly valued by the citizens, enhance the health and wellness of the community and support ecotourism.
- Open Space Lands Management  
Outcome: Open Space lands are required to implement the Multi-Species Conservation Plan, which protects sensitive plants and animals and provides diverse outdoor recreation opportunities.
- Urban Parks
  - Fields (Soccer, Football, Softball, Baseball, Multi-use) for tournament and youth league use
  - Playgrounds, Ramadas, Special Events
  - Dog ParksOutcome: Pima County's urban park system was developed through voter-approved bonds. Prior to receiving bond funds, each urban park underwent a master planning effort that included numerous public meetings to garner public input. It is Pima County's responsibility to maintain and operate these amenities so that the public may enjoy them for years to come. Social, health and wellness benefits of a robust park system cannot be overstated.
- Trails
  - World class hiking, biking, equestrian, running, walking trails  
Outcome: New and better trails, volunteer opportunities, and trail events for the thousands of non-motorized trail users of Pima County and visitors from all over the world.
  - The Loop – monitoring, maintenance and management.  
Outcome: Bringing the country's best recreational corridor and commuter route to bicyclists, walkers, hikers and equestrians and providing a terrific opportunity for health and wellness activities. Reported significant financial benefit in addition to local wellness benefit.
- Recreation
  - Aquatics (Pools, Splash Pad, Swim Lessons)  
Outcome: Our aquatics program provides water safety education, swim lessons, and provides a low impact activity that provides many physical and mental health benefits.
  - Shooting Sports (Rifle and Pistol Range, Trap and Skeet, Archery)

## Natural Resources, Parks & Recreation Department FY17/18

---

Outcome: NRPR's shooting sports program provides a positive experience for novice/experienced shooters, promotes safe and ethical use of firearms and helps foster involvement of the entire family with the goal of strengthening families through the participation in lifelong recreational activities.

- Community Center Programs(Leisure Classes, After School Programs)

Outcome: Community Centers offer countless benefits to residents. They serve as an affordable place for people to exercise, enjoy nature, and spend time with their family and friends.

- Special Projects and Support Services

- Native Plant Nursery

Outcome: Department operates a native plant nursery whereby plants are either salvaged or propagated and then used to landscape Pima County projects such as parks, roadway medians, river parks, detention basins, etc.

- Facility Signage

Outcome: Provides skilled trades to all areas of the department. Also performs special projects such as creation/erection of facility signage or other small construction projects.

- Information Management

Outcome: Department is striving to improve its information management to provide the public with complete, accurate and reliable information. Additionally, this program improves departmental organizational efficiency.

- Historic Hacienda de la Canoa

Outcome: Department is slowly (due to limited funding) continuing its rehabilitation efforts and is providing tours to educate the public about this historic ranch.

### Major costs of providing programs and related services by the department:

PROGRAM	COST	REVENUE
Natural Resources	\$2,725,946	\$170,500
Urban Parks	\$6,471,206	\$295,050
Recreation	\$4,449,979	\$524,000
Trails	\$178,432	\$0
Special Projects & Support Services	\$3,781,220	\$0

### Significant changes in the requested FY2017/18 budget versus the FY 2016/17 adopted budget:

No significant changes in the general fund budget. Increase of \$75,221 represents 0.4%.

NRPR Special Revenue fund expenditures decreased by 37.5% due to Frick acquisition in current fiscal year.

## **Natural Resources, Parks & Recreation Department FY17/18**

---

FTE's increased by 2.4 staff to include additional staff for Loop maintenance, trails coordinator and volunteer coordinator.

No significant changes in the NRPR Grant budget.

### **Major budget issues the department is facing in FY2017/2018:**

Unfunded supplemental budget request may lead to program and/or service reductions.

### **Any requests for supplemental funding over and above the base budget amount:**

Supplemental Package B requested \$134,649 to address increased motor pool costs and minimum wage costs. Recent correspondence from County Administrator reduced the amount of the proposed motor pool increase thereby reducing the unmet portion of our supplemental package request to \$62,289.

### **Various issues related to FY2017/2018 budgets administered by the Department:**

#### **Main Operating Budget**

- NRPR does not foresee any issues with providing existing programs/services within our existing budget. However, failure to fund the supplemental budget request may affect programs/services.

#### **Special Program Budgets:**

- None

#### **Grants Program Budgets:**

- None

#### **Capital Improvement Program Budgets**

- None

#### **Internal Service Fund Budget**

- None

## OSC/ NRPR Summary for 5/17/2017 BOS Budget Hearing

### Office of Sustainability & Conservation:

#### 1. Please provide an inventory of open space lands including the cost of acquisition. What is the total amount the County has in open space land?

A list of open space lands acquired with 1997 and 2004 bonds is provided below, but other large open space tracts like Tucson Mt. Park were acquired as early as the 1920s and are not shown here.

#### Pima County Conservation Acquisition Bond Programs List of Properties

1997 – On May 20, 1997, Pima county voters approved funding in the amount of \$27.9 million for the acquisition of properties for conservation. To date, 27 properties have been purchased, totaling 7,200 acres.

2004 – On May 18, 2004, voters approved \$164.3 million in bond funds for conservation purposes. To date, 50 properties have been acquired, totaling 45,300 acres in fee lands and 127,000 acres of grazing leases. Approximately \$7 million remains in this program.

#### 1997 and 2004 Bond Acquisitions

*\*Acquisition cost includes non-bond funding and/or donation.*

The County controls and manages a total of approximately 230,000 acres of open space; roughly 100,000 acres in fee, including about 50,000 ranch acres in fee, and about 143,000 acres held through state and federal grazing leases. Acquisition of these open space acres (including grazing leases to continue ranching use) executes direction from the public expressed in the 1997 and 2004 bond elections.

**2. Please provide an inventory of all ranches and include the amount of acquisition, acreage, income generated, and cost to maintain.**

Pima County has acquired 16 ranches, 14 of which continue to operate as working ranches (See Table 1). County ranches total over 192,000 acres with approximately 49,600 acres owned in fee; the balance of nearly 143,000 acres controlled via state and federal grazing leases. However, the impetus for engaging in ranch conservation extends back to the very foundation of the Sonoran Desert Conservation Plan.

In an October 21, 1998 memo to the Board of Supervisors, the County Administrator presented the Sonoran Desert Conservation Plan (SDCP) as a response to the Board's discussions on "... urban growth issues and the need to balance economic, environmental, and human interests." The SDCP contains 6 elements: 1) ranch conservation, 2) historic and cultural preservation, 3) riparian restoration, 4) mountain parks, 5) habitat, biological and ecological corridor conservation, and 6) critical and sensitive habitat preservation.

Ranch conservation is a focal point because ranches are critical in defining our metropolitan urban area, represent unique facets of our Western culture and heritage, and maintain a rural economy. Minutes from the October 27, 1998, Board of Supervisors meeting reflect a unanimous (5-0) vote approving the SDCP. In subsequent implementation of the Ranch Conservation Element, the County has almost exclusively relied on 2004 Bond dollars to acquire ranches via lease and fee. In most cases, the County uses Ranch Management Agreements that allow the same family to operate the ranch, which usually means that the same family that owned the ranch for many generations stays on the ranch. Ranch Management Agreements are an effective means of promoting the continuation of active ranches and provide a fiscally efficient strategy for the County in managing these lands.

**Table 1. Ranches acquired with Open Space Bonds comprise the majority of County MSCP mitigation lands.**

Ranch*	Acquisition Cost	Acquisition Date	County Fee Acres**	ASLD Lease Acres**	BLM Grazing Lease acres	Working Ranch (Y/N)	Ranch Mgmt Agreement

<b>TOTAL Costs</b>	<b>\$ 135,515,192</b>						
<b>TOTAL Ranch Acres</b>			<b>49,611</b>	<b>130,780</b>	<b>12,030</b>		
* All acquired with voter-approved 1997 and 2004 bond funds with \$500,000 from a Federal Scenic Transportation grant for Bar V; \$352,989 US Fish & Wildlife Service grant for Old Hayhook; Flood Prone lands funds for part of Bucklew Farm; and some properties include donations.							
** Designated as MSCP Section 10 Permit Mitigation Lands with partial credit for ASLD lands.							

Pima County received its Section 10 Permit of the Endangered Species Act in July 2016, which provides "insurance" coverage through the implementation of the Multi-species Conservation Plan. County ranches have also taken on added importance, as these ranchlands comprise the majority of the County's MSCP mitigation lands. If the County were unable to rely on our ranches for MSCP mitigation, we would

lose at least 85% of our capacity to mitigate for the 36,000 acres of development impacts allowed under the MSCP. The County would either have to find another way to replace that lost mitigation capacity, or be forced to similarly reduce the number of development acres we cover under the MSCP.

### **3. What is the full cost of implementation and oversight related to the MSCP Section 10? Staff, required reports, etc.**

Open space management and MSCP ecological monitoring of mitigation lands are two complementary components of preserving the conservation values of these open space lands while allowing public access, recreation, hunting and ranching to continue.

- **“Open Space Management”** actions are largely handled by the County Natural Resource Parks & Recreation and are necessary to manage these open space lands for the public’s benefit. Some of these tasks include the following:
  - Inventory existing buildings, trails, roads, fencing, water features, utilities, and other infrastructure.
  - Inspect and maintain infrastructure to ensure public access and safety.
  - Work with ranchers and manage ranch management agreements to ensure compliance.
  - Conduct range and forage conditions and usage.
  - Maintain, repair, improve, and add water systems to more evenly distribute livestock grazing use.
  - Ensure that the public in natural areas and trails is observing park rules.
  - Identify and assess levels of use and impacts from recreational and other permitted uses of County conservation lands, as well as illegal use, law enforcement activity, and fire.

Costs for NRPR to manage these open space lands during the current fiscal year FY16-17 are \$370,000 with an average cost of about \$1.61 per acre. Revenues, with minor exceptions from cattle sales, are not part of the Ranch Management Program. Estimated costs for Open Space Management for FY17-18 are \$620,000 or \$2.69 per acre.

- **“MSCP Section 10 Permit Implementation”** is largely handled by Sustainability & Conservation and include the following tasks to meet the terms of the Permit.
  - Providing Section 10 Permit coverage for County capital Improvement projects and private development projects, including the private sector development Certificate of Coverage Program.
  - Compliance monitoring to ensure that development impacts are appropriately mitigated and in compliance with the terms of the U.S. Fish and Wildlife Service Section 10 Incidental Take Permit
  - Ecological monitoring and field collection of scientific data on different animal and plant species, soils, and natural conditions to document and analyze ecological health of mitigation lands, species population trends, and habitat conditions.
  - Required reports include annual, biennial, and decadal reports to the US Fish & Wildlife Service and provide a public record to disclose actions relating to covered development impacts, mitigation provided, ecological monitoring results, management and conservation measures, and compliance monitoring issues.

Costs for OSC to implement these MSCP tasks during the current fiscal year FY16-17 are about \$375,000 with an average cost of \$1.63 per acre, which is about 64 % of staff time and costs related to MSCP efforts. Estimated costs for MSCP Implementation for FY17-18 are approximately \$458,000 or \$1.99 per acre.

- **Combined estimated costs for Pima County to manage open space and implement the MSCP in FY17-18 is \$1,078,000 or \$4.68 per acre.**

It is instructive to understand the level of effort and costs associated with Pima County's commitments relative to other Habitat Conservation Plan (HCP) permittees. Table 2 shows a number of large-scale HCPs—primarily located in the western United States—to compare the scope of their management and monitoring commitments and associated costs.

**Table 2. Comparative MSCP Implementation and Open Space Management Costs of other multi-species conservation plans, including estimated costs for Pima County in FY 2017-18 (in red).**

Program	Open Space Acres Under Management	MSCP Implementation Cost		Open Space Management Cost	
		Per Year	Per acre/year	Per Year	Per acre/year
Balcones Canyonlands (TX) MSCP	30,000	\$1,100,000	\$37.00/ac	\$1,100,000	\$37.00/ac

Coachella Valley (CA) MSHCP	60,000	\$1,000,000	\$17.00/ac	\$650,000	\$11.00/ac
East Contra Costa County (CA) HCP	25,000	\$700,000	\$28.00/ac	\$1,900,000	\$76.00/ac
Lower Colorado River (AZ, CA, NV) MSCP	8,100	\$5,000,000	NA	\$500,000	\$62.00/ac
Orange County (CA)	18,000	\$380,000	\$21.00/ac	\$626,000	\$35.00/ac
<b>Pima County</b>	<b>230,000</b>	<b>\$458,000</b>	<b>\$1.99/ac</b>	<b>\$620,000</b>	<b>\$2.69/ac</b>
San Diego County (CA)	18,000	\$1,000,000	\$56.00/ac	\$3,700,000	\$206.00/ac
Santa Clara County (CA)	46,000	\$600,000	\$13.00/ac	\$1,900,000	\$41.00/ac
Western Riverside (CA)	27,000	\$1,200,000	\$44.00/ac	\$878,000	\$33.00/ac
<b>Average Costs (excluding Pima County)</b>	<b>28,456</b>	<b>\$1,372,000</b>	<b>\$31.00/ac</b>	<b>\$2,317,000</b>	<b>\$100.00/ac</b>

Of all of the HCPs reviewed, Pima County has the largest conservation land program. Average annual monitoring costs vary widely among HCPs, from a low of \$380,000 per year (Orange County) to a high of almost \$5,000,000 per year (Lower Colorado River). Pima County's average monitoring costs for the first 5 years year of operation are scheduled to be approximately \$458,000. When these cost figures are compared against a common currency—in this case acres—the picture changes considerably. Here, Pima County's monitoring commitment will have the lowest annual cost per acre (\$1.99) while the highest is San Diego County (\$56). The average annual, per acre cost for monitoring (\$31) is over 15 times what Pima County has pledged.

Annual management costs range from \$500,000 (Lower Colorado River) to \$9,600,000 (San Diego Open Space Management Program). When factoring in the number of acres, the average annual cost per acre ranges from \$2.69 (Pima County) to \$400 (San Diego Open Space Management Program), and averages \$100 per acre among programs. The median annual cost (i.e., the middle observation, which does not take into account the highest and lowest figures) is \$41 per acre.

## Regional Flood Control District FY 2017/18

### Requested operating department expenditures, revenues and operating transfers:

	<b>FY 16/17 BUDGET</b>	<b>FY 17/18 BUDGET</b>	<b>PERCENT</b>
<b>REGIONAL FLOOD CONTROL SERVICES FUND 2005</b>			
Operating Expenditures	\$16,472,029	\$16,548,778	0.5
Operating Revenues <sup>1</sup>	\$23,580,779	\$24,582,376	4.2
Operating Transfers (Out) <sup>2</sup>	\$ 7,172,860	\$ 8,404,443	17.2
FTEs	58	59.2	2.1
<b>CANOA RANCH IN-LIEU FEE SPECIAL REVENUE FUND 6002</b>			
Operating Expenditures	\$ 967,900	\$ 840,500	-13.2
Operating Revenues	\$ 1,000,000	\$ 1,000,000	.0
Operating Transfers (Out) <sup>3</sup>	\$ 0.0	\$ 400,000	+100
<b>REGIONAL FLOOD CONTROL DISTRICT GRANTS FUND 2042</b>			
Operating Expenditures	\$ 212,501	\$ 107,500	-49.4
Operating Revenues	\$ 190,000	\$ 0.0	-100
Operating Transfers (In) <sup>4</sup>	\$ 22,501	\$ 107,500	377.8
<b>TOTAL FTE's</b>	<b>58</b>	<b>59.2</b>	<b>2.1</b>

<sup>1</sup>Based on secondary property tax rate of \$0.3335 per \$100 assessed value.

<sup>2</sup>Regional Flood Control District Services – Operating Transfers (Out) consist of: \$8,000,000 for Capital Improvements Program, \$189,602 for the Stadium District for maintenance of the KINO detention basin and environmental restoration project, \$107,500 for Grants, \$77,341 for Debt Services for PimaCore COPs 2010, \$20,000 for Tucson Clean & Beautiful and \$10,000 for Special for Native Plant Nursery.

<sup>3</sup>Canoa Ranch In-Lieu Fee Special Revenue – Operating Transfers (Out) are for Capital Improvement Program (CIP) projects, \$400,000.

<sup>4</sup>Regional Flood Control District Grants – (EPA Region 9 Wetland Program Development) – Operating Transfer (In) is the matching grant portion transferred from Flood Control Fund 2005.

## Regional Flood Control District FY 2017/18

### Major programs and related services provided by the department:

Regional Flood Control District (RFCD) services provides for:

- Floodplain management to meet federal and state requirements;
- Flood control improvements to protect the public health safety and welfare;
- The maintenance of over \$330,000,000 in flood control infrastructure including over 100 miles of bank stabilization on the major watercourses;
- The operation of Pima County's flood warning system and coordination with Emergency Management and other flood response agencies; and
- The enforcement of riparian habitat regulations and implementation of environmental restoration projects.

RFCD Major Programs and Initiatives	Services/Contributions to Economic Development
Floodplain Management	Pima County residents can purchase low cost insurance, receive disaster relief and secure real estate loans.
Flood Control Improvements	Minimize future damage to public infrastructure and the need for rescue and relief.
Flood Control Infrastructure and Bank Stabilization on Major Watercourses	Ensure the flood control improvements meet the flow capacity required for major floods and are structurally sound.
Operation Of Flood Warning System and Coordinates with Emergency Management And Other Flood Response Agencies	Provides timely data to potential first responders and assist the National Weather Service in providing real-time flood warning information to the public.
Enforcement of Riparian Habitat Regulations and Implement Environmental Restoration Projects	Support Pima County's Sonoran Desert Conservation Plan and federal programs under the Endangered Species Act and Clean Water Act.

## Regional Flood Control District FY 2017/18

### Major costs of providing programs and related services by the department:

PROGRAM	MANDATE	COST	TRANSFERS	REVENUE
<b><u>Flood Control:</u></b>  Maintenance off flood control infrastructure, operation of flood warning system, enforcement of floodplain management and riparian habitat regulations.	Management and enforcement of the Federal Flood Insurance Program by local communities under the Code of Federal Registry 44, Section 59-78.  Administration and management of the county flood control district, a special taxing agency, as established under Arizona Revised Statute (ARS), Title 48, Chapter 21, Article 1, Sections 48-3601 through 3628 and 3641 through 3650.	\$16,548,778	\$8,404,443 (Out)	\$24,582,376
<b><u>Canoa Ranch In-Lieu Fee:</u></b>  Cooperation with the US Army Corps of Engineers to provide compensatory mitigation for compliance with Section 404 of the Clean Water Act.	Provisions of the federal Clean Water Act including Section 404 for protection of waters, and natural and water resources, ARS 48-3621 duties of flood control districts to cooperate with state and federal agencies to preserve floodplain and provide ecosystem restoration.	\$ 840,500	\$ 400,000 (Out)	\$ 1,000,000
<b><u>Grants:</u></b>  EPA Region 9 Wetlands for Clean Water Act Program for the study of the Santa Cruz River.	Provisions of the federal Clean Water Act for protection of waters, and natural and water resources, ARS 48-3621 duties of flood control districts to cooperate with state and federal agencies to preserve floodplain and provide ecosystem restoration.	\$ 107,500	\$ 107,500 (In)	\$ 0
<b>TOTAL</b>		<b>\$17,496,778</b>	<b>*\$8,804,443</b>	<b>\$25,582,376</b>

\*Transfer Out from Flood Control Fund 2005 of (-\$107,500) goes as a transfer into the Grants Fund 2042 as +\$107,500.

## **Regional Flood Control District FY 2017/18**

### **Significant changes in the requested FY 2017/18 budget versus the FY 2016/17 adopted budget:**

1. FY 2017/18 has a 1.20 FTEs Increase from FY 2016/17 (1 FTE – Program Coordinator, 0.10 FTE – Youth Crew Leader And 0.10 FTE – Youth Worker)
2. FY 2017/18 Budget Increased by \$76,749 or 0.47% from FY 2016/17
  - \$1,014,542 – Wage increase is partially offset by changes to the Employee Medical Deductions and the Interdepartmental Charged-In from other Pima County Departments.
  - (\$727,793) – Operational Expenditures Decreased Primarily for:
    - Engineering Services (\$257,049)
    - R&M Machinery and Equipment Services (\$118,645)
    - Other Professional Services (\$106,787)
    - Water/Sewer (\$105,585)
    - Overhead (\$139,727)
  - Capital Equipment Decreased (\$210,000)

### **Major budget issues the department is facing in FY 2017/18:**

- RFCD does not anticipate any difficulties regarding either revenues or reimbursements.
- No discretionary area services exist, floodplain management is a federal and state requirement and the state mandates each county provide flood control as well as floodplain management.
- RFCD expects to achieve all services.

### **Any requests for supplemental funding over and above the base budget amount:**

No supplemental funding requests have been submitted for RFCD Services, Canoa Ranch In-Lieu Fee Special Revenue or RFCD Grants.

## **Regional Flood Control District FY 2017/18**

### **Various issues related to FY 2017/18 budgets administered by the Department**

#### **Main Operating Budget**

The RFCD consistently meets or exceeds mandates, works to meet grant-related service metrics, and provides public services to as many economically vulnerable Pima County residents as possible, and will continue to do so in FY 2017/18

The RFCD has worked to better manage its budget and resources, finishing each year under budget (inclusive of FY 2016/17).

#### **Special Program Budgets**

Special Program Budgets are indicated above and on Page 1.

#### **Grants Program Budgets**

Grants Program Budgets are indicated above and on Page 1.

None

## Regional Flood Control District FY 2017/18

### Capital Improvement Program Budgets

Operating transfer with a total of \$8,400,000 for Capital Improvement Program (CIP) from Fund 2005 and 6002.

Recommended CIP budget expenditures is \$13,212,097. Capital improvements for control of flood hazards including erosion and watershed management. Specific roles and responsibilities of county flood control districts are specified in ARS 48-3603 and include providing flood control capital improvements and watercourse planning.

PROJECT	COST
Pantano Wash: Fort Lowell Park to Tanque Verde Road	\$ 2,680,000
Santa Cruz River Maintenance	\$ 2,464,113
El Corazón de los Tres Rios del Norte	\$ 2,010,000
Roger Road and I-10 Drainage Improvements	\$ 1,774,470
Tohono O'odham Nation Drainage	\$ 893,511
Floodprone Land Acquisition Program	\$ 500,000
Riparian Mitigation Project	\$ 500,000
Canoa Ranch Restoration	\$ 400,000
Catalina Ridge Drainage Channel Improvements	\$ 350,000
Green Valley Drainageway #6 Repairs	\$ 350,000
Ruthrauff/Gardner Lane UPRR Culvert	\$ 340,000
Airport Wash – El Vado Wash Drainage Improvements	\$ 200,000
Rillito River Maintenance	\$ 200,000
Rillito River Property Right Assessments	\$ 150,003
Santa Cruz Living River Management Plan	\$ 150,000
Santa Cruz River Property Rights Assessment	\$ 100,000
Continental Ranch Bank Protection	\$ 100,000
Tres Rio del Norte US Army Corps of Engineers Study	\$ 50,000
<b>TOTAL</b>	<b>\$13,212,097</b>

—w—  
**REGIONAL FLOOD  
CONTROL DISTRICT**

—w— **PIMA COUNTY, ARIZONA**

# OVERVIEW of the DISTRICT

To comply with federal law, the state of Arizona passed the Floodplain Management Act of 1973. This act authorized Arizona counties to adopt rules and regulations concerning management of floodplain areas. The Arizona State Legislature subsequently authorized flood control districts to levy taxes on real property to finance operating expenses. The Board organized the District on June 5, 1978. The District became operational on July 1, 1978.

Provisions of state legislation also allow incorporated cities and towns within Pima County to

undertake their own floodplain management duties and regulatory functions. In Pima County, the incorporated areas of the City of Tucson, the Town of Oro Valley, the Town of Marana, and the Town of Sahuarita have elected to assume floodplain management duties in their respective jurisdictions. The District is responsible for floodplain management activities for the remainder of unincorporated Pima County (with the exception of national forests, parks, monuments, and Indian Nations) and the City of South Tucson.

---

## Mission

The District is a regional agency whose mission is to protect the health, safety, and welfare of Pima County residents by providing comprehensive flood protection programs and floodplain management services. These services emphasize fiscal responsibility, protection of natural resources, and a balanced multi-objective approach to managing regional watercourses, floodplains and stormwater resources.

## Vision

The District will continue to be a leader in providing quality flood protection and floodplain management services within Pima County.

# Goals and Objectives

The goals and objectives of the District represent both flood control and resource protection. The District's approach varies from traditional flood control approaches because of its multi-benefit public philosophy. The District recognizes that it is necessary and desirable to maintain a balanced relationship between human communities and the land and resources that sustain them. To that end, the following policy goals and objectives have been adopted by the Board of Supervisors as part of the District's Floodplain and Erosion Hazard Management Ordinance (Ordinance):

- Minimize flood and erosion damages.
- Meet or exceed state and federal requirements relating to floodplain management.
- Establish minimum flood protection elevations and damage protection requirements for structures and other types of development.
- Regulate encroachment and building development within areas subject to flooding or erosion.
- Encourage the most effective expenditures of public money for flood control projects.
- Minimize damage to public facilities, utilities and streets located in regulatory floodplain and erosion hazard areas.
- Help maintain a stable tax base by providing for the protection of regulatory flood and erosion hazard areas.
- Inform the public when property is in a regulatory floodplain or erosion hazard area.
- Encourage the preservation of natural washes and enhancement of the riverine environment.
- Emphasize overall watershed management.
- Protect, preserve and enhance groundwater recharge.

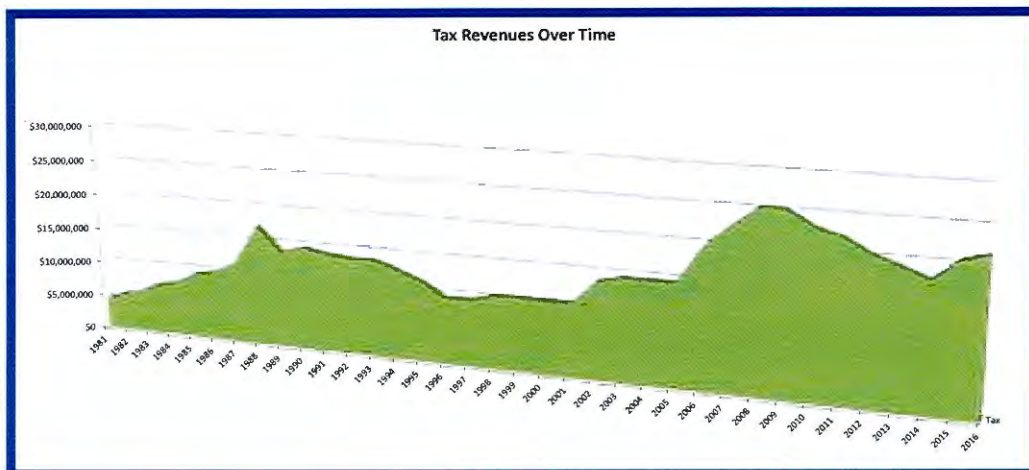

# FINANCIAL OVERVIEW

## Revenues

Although the District receives assistance from state and federal agencies to construct major capital facilities, 98% of the District's funding was generated from the property tax levy this year. General Obligation Bond sales are authorized by the electorate. Information on the District's tax levy rate is shown in the table to the left.

## Expenditures

The table on Page 19 provides information on CIP expenditures for projects completed during FY 2015/16. The remainder of the District 16 expenditures go toward debt service and operating expenses, which include funds allocated for maintenance of flood control structures, floodplain management, planning and administration activities.

## Department of Transportation FY17/18

---

### ❖ Requested Operating Department Expenditures, Revenues and Operating Transfers

	<b>FY 16/17 Adopted Budget</b>	<b>FY 17/18 Requested Budget</b>	<b>Percent Change</b>
Operating Expenditures	\$41,393,385	\$43,493,572	+5.07
Operating Transfers Out	\$24,513,108	\$19,815,991	-19.16
Operating Revenues	\$60,347,896	\$62,014,600	+2.76
Operating Transfers In	\$121,799	\$121,799	0.0
FTE's	286	286	0.0

### ❖ Significant Changes in the Requested FY2017/18 Budget versus the FY2016/17 Adopted Budget

- Budget Revenues (Requested): Increased \$2.1 M (Includes both HURF and VLT, projected based on historical models provided by Pima Association of Governments).
- Transfers Out decreased 19% due to reduction of \$4.7 M transferred out for Pavement Preservation.
- Overall, expenditures increased by \$2.1 M; significant changes include \$1.6 M for personnel services related to Fair Labor Standards wage increases and decreased inter- and intra- departmental reimbursements; and \$800,000 for a planned Department of Transportation Technology Application Upgrade to replace legacy systems.
- No change in FTE's.

## Department of Transportation FY17/18

### ❖ Major Programs and Related Services Provided by the Department and their Contribution to Pima County Economic Development

#### Major Programs & Services

- Roads
  - Capital Improvement Program
  - Roadway Maintenance
  - Roadway Design (Design Std's, Public Art, Native Plant Salvage Prog.)
  - Adopt-A-Roadway
  - Graffiti Abatement
  - Neighborhood Traffic Management Program
- Traffic Engineering (Roadway Signing, Striping, Traffic Signals, Counts, Crash Statistics, Ordinances)
- Bicycles and Pedestrian Program and Public Transit
- Transportation Planning
  - Major Streets and Scenic Routes Plan
  - Studies and Reports
  - Public Involvement
- Documents and Maps (Maps and Records)
- Airports
- Permits and Fees (Roadway Impacts, Right of Way Use, Special Events, Oversize/weight Vehicle Permit)

#### Contribution

Transportation systems provide the backbone for all economic activity.

- Improved access to employment sites, hospitals, schools, and markets; improved comfort, speed, and safety; and lower vehicle operating costs
- Supports job & business to expansion
- Allows businesses to manage & transport goods more efficiently and at lower costs
- Consumers benefit from lower priced goods

These services are crucial in ensuring accessibility for all individuals.

These services are vital in planning sustainable developments and assure that important local/regional needs are met.

Engineering information is available to the public and agencies.  
Operation of the Ajo Airport

Control of Right-of-Way

## Department of Transportation FY17/18

### ❖ Major Costs of Providing Programs and Related Services by the Department

Program	Cost (millions)	
<u>1997 HURF Bonds:</u> Voter approved \$350 M in bonds to fund 57 DOT projects. HURF revenues are used to repay debt.	\$19.6	Mandated
<u>Roadway Maintenance:</u> General maintenance of the county's transportation systems that includes pothole repair, crack sealing and overlays, vegetation maintenance and storm response. (Does not include pavement preservation program for repair and resurfacing of degraded roads.)	\$15.3	Mandated
<u>Traffic Engineering:</u> Roadway signs, signals, striping, traffic studies, bike & pedestrian, and safety systems.	\$ 6.8	Mandated
<u>Transit:</u> Public transportation services (Sun Tran and Sun Van) in the unincorporated county.	\$ 6.6	Mandated
<u>Administrative Support:</u> Overall Department and various transportation-related projects & programs, including Information Technology systems, Summer Student Program; Mapping & Records; Graffiti Abatement & Community Relations.	\$10.2	Mandated & Discretionary
<u>Engineering and Planning:</u> Planning & design services on county roads and bridges.	\$ 1.8	Mandated
<u>Field Engineering:</u> Construction inspection and public right-of-way compliance services.	\$ 2.6	Mandated
<b>Mandates: ARS-11-251.29, ARS-11-561, ARS-11-562, ARS-11-806.01E, ARS-11-821C.2, ORD No. 1997-80 (The referenced mandates are representative of those which regulate the County Transportation Programs.)</b>		

## Department of Transportation FY17/18

### ❖ Major Budget Issues the Department is Facing in FY2017/18

#### Highway User Revenue Funds (HURF)/Vehicle License Tax (VLT)

- Revenues are do not cover all department operational needs.
- Arizona's gas tax has not increased since 1991.
- Motor vehicles continue to become more fuel-efficient and cause further reductions in revenue.
- Arizona State Legislature HURF sweeps have hurt revenues in the past ten years and continue to threaten future years.
- \$250 M is needed to fix the approximately 60% of existing paved roads in failed condition.

#### Capital Improvement Program (CIP)

- Facing major reductions in available funds with completion of RTA projects
- Future HURF/VLT monies available for the CIP are expected to be minimal.
- PAG Regional Funds for fiscal years 2020 thru FY2026 (seven years) will be dedicated to RTA needs. This represents a reduction of approximately \$12 M to \$14 M annually.
- Many of the County RTA funded projects are completed; therefore, future RTA funds will be reduced.
- 20% of 1997 HURF Bond projects remain to be completed. Remaining projects are mainly in the City of Tucson.

#### 1997 HURF Bond Program

- Debt Service is approximately \$20 M per year, nearly 33% of total department HURF/VLT revenues.
- To limit increases in annual debt service, the sale of future '97 bonds will be spread out to extend beyond FY 2020.
- All but three of the 57 projects identified in the ordinance have been completed or are underway.

### ❖ Any Requests for Supplemental Funding Over and Above the Base Budget Amount

No supplemental funding requests have been submitted.

## Public Works: Department of Environmental Quality FY17/18

### Requested operating department expenditures, revenues and operating transfers:

	FY16/17 BUDGET	FY 17/18 BUDGET	PERCENT CHANGE
<b>ENVIRONMENTAL QUALITY FUND 2043</b>			
Operating Expenditures	\$3,359,957	*\$3,500,657	+4.2

Operating Transfers	-	-	0.0
FTEs	3	3	0.0
<b>TOTAL ENVIRONMENTAL QUALITY FTEs</b>	<b>42</b>	<b>42</b>	<b>0.0</b>

\*Environmental Quality Fund increased by \$140,700 due primarily to increase in ITD/ISF allocation, insurance, repair maintenance buildings and credit card fees with a partial offset of overhead expenses.

\*\*The General Fund Subsidies include the Wildcat Dumping Program of \$250,515 and the Air Monitoring Program of \$456,545.

Subsidies increased for port charges, ITD/ISF allocation and insurance expenses.

\*\*\*The Grant Fund increased by \$469,914 due to the anticipated award of the V2R2 Program, which is no longer planned and will not be needed.

\*\*\*\*The Solid Waste Fund decreased by \$73,831 due to adjustments to port charges, ITD/ISF and benefits partially offset by an increase in salary adjustments.

### Major programs and related services provided by the department:

- EQ Special Revenue Fund supports 18 units within five programs - G037-Administration; G038-Air; G039-Communications and Outreach; G040-Enforcement; and G041-Water and Waste.

## Public Works: Department of Environmental Quality FY17/18

---

Preserve and protect the environment of Pima County for the long-term benefit of residents' health, welfare, safety, and quality of life. Identify and respond to environmental issues by providing services including monitoring, enforcement, information, and education for the protection of water, air, and land from pollutants.

- EQ Grants Special Revenue Fund supports three units within two programs - G038-Air; G039-Communications and Outreach.

Obtain grant funding for mandated and necessary services in the Environmental Quality Department. Administer grant programs and services in accordance with grant guidelines.

- Tire Program Management Special Revenue Fund supports one program – G183-Tire Recycling Program.

Oversee contract for the planning, management and operation of the Tire Recycling Program.

- Solid Waste General Fund supports one program – G272-Solid Waste Management.

The County owns four landfills: Ina Road, Tangerine, Sahuarita and Ajo. The County also owns transfer stations at Sahuarita, Ryan Field and Catalina as well as rural collection centers at Arivaca and Sasabe. These facilities are operated by the county's solid waste contractor, Tucson Recycling and Waste Services, under supervision by the County. Tasks include plan, manage, and perform solid waste operations, compliance, closure, temporary closure, and remediation activities. Comply with all environmental requirements. Remediation includes investigation, design, and construction for remedial activities associated with historic waste sites.

- Department expects to meet its goals of public health and the environmental protection.
- Mandates: Recycling and Waste Reduction; Title 49, Chapter 3: Air Quality, Article 1: General Provisions, 49-402: State and County Control; Article 3: County Air Pollution Control; and Pima County Code Title 7: Environmental Quality; Title 13: Public Services; Title 17: Air Quality Control; and ARS 49-107: Local Delegation of State Authority. Federal Regulations in Clean Air Act. SW General Fund - ARS 49-701-49-881, administrative rules R18-13-201 through R18-13-2703, 40 CFR 258.1 through 258.75, Appendix I, Appendix II to Part 258 and ARS 49 Chapter 3.

### **Significant changes in the requested FY2017/18 budget versus the FY 2016/17 adopted budget:**

#### **Environmental Quality Special Revenue Funds**

- Requested expenditures are up \$501,986 primarily due to the Voluntary Vehicle Repair Grant Program; however, funding will not be necessary, as Arizona Department of Environmental Quality will be administering the program.

## Public Works: Department of Environmental Quality FY17/18

---

- The Wildcat Dumping Program budget increased \$5,000 to \$250,500; funding coming from the General Fund. Subsidies increased for port charges, ITD/ISF allocation and insurance expenses.
- The budget includes \$1,094,322 for Interdepartmental Charges from County Overhead, Development Services, PC Attorney's Office, Lobbyists, Ports, ITD Leasing, Rent, Motor Pool, and Self Insurance. This reflects an increase of \$124,173 from FY16/17.
- The Tire Fund requested budget includes \$1,113,025 for payments to CRM of America to operate the Waste Tire Collection Facility and the transport and recycling of the waste tires. This allocation includes a 5% inflator for possible FY18 increase. The FY17 increase was 4.71% over prior year.

### **Environmental Quality General Fund**

- Requested expenditures are down \$73,831 mainly due to ITD ISF charges for Server and Storage being budgeting in Environmental Quality Operations fund vs. the General Fund.
- TRWS has proposed modifications of the currently approved fee ordinance beginning July 1, 2017. The proposal consists of the elimination of planned facility entry fees increases.

### **Major budget issues the department is facing in FY 2017/18:**

- **Anticipated difficulties with revenues/reimbursements**

There are no anticipated difficulties with revenues or reimbursements.

Overall, Permit Fee revenues are budgeted to remain stable, with a slight increase based on the FY 16/17 projected totals.

The Division's Federal and State grant funding for air quality monitoring plus pollution control activities are budgeted at \$1,289,360, relatively stable compared to current funding levels.

- **Identification of discretionary service areas and associated costs**

The FY 17/18 budget includes a vacation and sick payout contingency of \$53,000, which is approximately 50% of all retirement eligible costs.

## Public Works: Department of Environmental Quality FY17/18

---

All discretionary spending categories (Supplies, Printing, and Travel) have been reduced to reflect minimum expenditure to meet minimum programmatic needs.

- **Ability to achieve expected service delivery with proposed budget**

PDEQ expects to meet its goals of public health and the environmental protection.

### **Any requests for supplemental funding over and above the base budget amount:**

No supplemental funding requested have been submitted for Department of Environmental Quality.
