BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: October 17, 2017

Title: Request for waiver of 2017 real property taxes based on nonprofit tax exemption for Rialto Theatre Foundation

Introduction/Background:

Rialto Theatre Foundation ("Foundation") was organized for the purpose of encouraging and sponsoring arts and cultural event and providing stewardship for and support of historic performance venues (specifically, the Rialto Theatre ("Theatre")) among other purposes. The Foundation is organized as an Arizona nonprofit corporation as of May 3, 2004 and received exempt status from Federal income taxes under 501(c)(3) of the Internal Revenue Code on February 2, 2005.

Discussion:

As of nonprofit, the Foundation is exempt from ad valorem real property taxes. The Foundation owns real property identified by the Pima County Assessor as Parcel 11706168C, address 318 E. Congress Street (aka The Lobby Parcel), and Parcel 11706177B, addresses 50 S. Herbert Avenue and 215 E. Broadway Boulevard (aka The Theatre Parcel) (collectively with the Lobby Parcel, the "Property"). The Foundation received real property tax statements for 2017 and did not file the Pima County Assessor's Questionnaire for Property Tax Exemption Application, which the Foundation would have received exemption pursuant to A.R.S. § 42-1116. As such and pursuant to A.R.S. § 42-11153(B), the Foundation hereby submits the attached petition to the Pima County Board of Supervisors for a waiver of the Foundation's 2017 real property taxes.

Conclusion:

The Foundation requests the Pima County Board of Supervisors allow a waiver of the Foundation's 2017 property taxes.

Recommendation:

Pima County Board of Supervisors grants the Foundation a waiver of its 2017 property taxes based on its nonprofit, exempt status. The Pima County Assessor's Office should be notified.

Fiscal Impact:

As a nonprofit, all revenues generated by the Foundation are reinvested in the Theatre and programming for the Theatre. Any tax expense would deplete funds available for the Theatre and its programming.

- 2.4 A financial interest is not necessarily a conflict of interest. Under Section 3.2, a person who has a financial interest may have a conflict of interest only if the Board decides that a conflict of interest exists.

3. Procedures.

3.1 Duty to Disclose. In connection with any actual or possible conflicts of interest, an interested person must disclose the existence of his or her financial interest

and all material facts to the Directors and participants on committees with board delegated powers considering the proposed transaction or arrangement.

3.2 Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he or she shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee participants shall decide if a conflict of interest exists.

3.3 Procedures for Addressing the Conflict of Interest.

- (a) An interested person may make a presentation at the Board or committee meeting, but after such presentation he/she shall leave the meeting during the discussion of and the vote on the transaction or arrangement that results in the conflict of interest.
- (b) The chairperson of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- (c) After exercising due diligence, the Board or committee shall determine whether the Corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
- (d) If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested Directors whether the transaction or arrangement is in the Corporation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

3.4 Violations of the Conflicts of Interest Policy.

- (a) If the Board or committee has reasonable cause to believe that an individual has failed to disclose actual or possible conflicts of interest, it shall inform the individual of the basis for such belief and afford the individual an opportunity to explain the alleged failure to disclose.
- (b) If, after hearing the response of the individual and making such further investigation as may be warranted in the circumstances, the Board or committee

determines that the individual has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

- 4. Records of Proceedings. The minutes of the Board and all committees with board-delegated powers shall contain:
- 4.1 the names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
- 4.2 the names of the persons who were present for discussion and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.
- 5. Statements. Each Director, principal officer, and participant on a committee with board-delegated powers shall sign a statement which affirms that such person has:
 - 5.1 received a copy of the conflicts of interest policy;
 - 5.2 read and understands the policy;
 - 5.3 agreed to comply with the policy.
- 6. Periodic Reviews. To ensure that the Corporation operates in a manner consistent with its non-profit purposes, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:
- 6.1 Whether compensation arrangements and benefits are reasonable and are the result of arm's length bargaining.
- 6.2 Whether the agreements entered in to further the Corporation's non-profit purposes and do not result in inurement or impermissible private benefit.
- 7. Use of Outside Experts. In conducting the periodic review provided for in Section 6, the Corporation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted.
