

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: February 20, 2018

Title: Broadway Boulevard and Freeman Road All-Way Stop

Introduction/Background:

The Pima County Department of Transportation received requests from citizens, and Saguaro National Park representatives for the installation of an all-way stop at Broadway Boulevard and Freeman Road. The intersection is currently a two-way stop, with vehicles on Freeman Road stopping for those on Broadway Boulevard.

Discussion:

Broadway Boulevard and Freeman Road are both classified as urban collector roadways. The northbound and southbound approaches on Freeman Road consist of the majority of the average daily traffic, sixty-two percent, yet these approach directions are currently stop controlled. A fatal crash occurred at this intersection on September 27, 2017 when a westbound vehicle hit a northbound vehicle that ran the stop sign. Since 2008, nine of the twelve crashes that were reported at the intersection are types of crashes for which an all-way stop can be a countermeasure.

Conclusion:

Based on the requests received, the average daily traffic at the intersection, and the crash history, Broadway Boulevard and Freeman Road is recommended to be an all-way stop.

Recommendation:

The Pima County Department of Transportation recommends the intersection of Broadway Boulevard and Freeman Road be designated as an all-way stop intersection.

Fiscal Impact:

Minimal.
