RE: Tax Waiver 2014-2017

Properties: Parcel 138-28-042F; Personal Property Accounts: 17011156806 & 17011156807

Dear Clerk of the Board,

I am requesting a Tax Waiver for the above referenced property for the years 2014-2017. The **Arizona District of the Assemblies of God** has operated a church on this property since 2006. The name of the church is **Oasis Assembly of God** and is located at **7651 S. Gila Ave, Tucson, AZ 85746**. During the years of 2014-2017, we thought the tax rolls were being tended to by the current Pastor of the church, but they were not. We were not getting tax statements either due to an incorrect address listed with the county. This situation has now been brought to our attention and we desire to get it resolved immediately.

Through 2014-2017, as with the entire history of the church; the property, buildings and mobile units have all been used solely for church purposes.

Thank you for your consideration.

Sincerely,

Brenda S. Cosentino

OF THE
ARIZONA DISTRICT COUNCIL
OF THE
ASSEMBLIES OF GOD**

Exhibit A

ARTICLE 1. RELATIONSHIPS

Section 1. General Council

The Arizona District Council is an integral part of The General Council of the Assemblies of God, Inc., with headquarters in Springfield, Missouri. Therefore, the principles of unity and cooperative fellowship set forth in the Constitution and Bylaws of the General Council are the principles which shall govern the Arizona District Council.

Section 2. General Council Constitution and Bylaws Compliant

The Arizona District directors shall annually update its bylaws to reflect changes made by the General Council. The updates shall be posted on the Arizona District Council website within 30 days following action of the district directors.

Section 3. Arizona Ministry Network ("AMN") Replaced the District Council

As of the Effective Date defined the attached Restated Bylaws, AMN assumed all ecclesiastical duties and responsibilities formerly exercised by the Arizona District.

ARTICLE 2. LOCAL ASSEMBLIES

A. All District Affiliated Assemblies

Section 1. The local assembly (or church) is recognized as God ordained (1 Corinthians 1:2; 1 Thessalonians 1:1; Philippians 1:1; Revelation 1:11, 20). Group of believers holding the Pentecostal standards and associating themselves in local bodies, accepting their full personal share of responsibility for maintenance of scriptural order in the local body and having a standard of membership in keeping with scriptural principles, shall be recognized as local assemblies and eligible for affiliation with AMN.

Section 2. Local assemblies shall be set in order by the district officary (AMN), and shall be amenable to the District in doctrine, in conduct, and all other matters that affect the peace and harmony of the fellowship. They shall have a standard for membership, which may be determined either by the local assembly itself, or by agreement with AMN. They shall support the district organization (AMN) and send properly accredited delegates to the Sectional and District Councils held by AMN.

Section 3. The District Council recognizes the sovereignty of the local assembly in accordance with Article II of the General Council Constitution. Affiliation with the District shall not destroy this sovereignty.

Section 4. The district superintendent, assistant superintendent, secretary-treasurer, and sectional presbyter of AMN are hereby authorized by the Arizona District Council to serve as trustees for local dependent congregation in all legal matters involving that congregation. These officers have the authority to make decisions in all such matters.

Section 5. The local assembly shall recognize that AMN or the General Council of the Assemblies of God has the right to disapprove unscriptural doctrine and conduct and the authority to withdraw its certificate of membership if deemed necessary. When conditions arise in any local assembly which in the judgment of the district officials prevents that church from governing itself according to the rules of order set forth in the AMN Bylaws regarding church order, or when the voting membership of any assembly drops below twenty, the affairs of the church automatically revert to the district officer, AMN.

Section 6. It may become advisable for the district officer to appoint a pastor to a local assembly whose membership is not sufficient in number to elect a pastor or govern themselves according to the Bylaws set forth by the Arizona District. After such appointment, the annual business meeting shall be conducted in such assembly by a district officer. A vote of confidence may be taken at said business meeting by the presiding district officer to determine the effectiveness of the appointee. The voting shall be by secret ballot, and the results shall not be disclosed to the congregation. Such review shall continue until such time as the church is able to elect its pastor and conduct its business.

Section 7. All affiliated local churches of the Arizona District Council shall bear the name Assembly of God. They shall be issued a certificate of fellowship from AMN.

Section 8. All General Council churches adopting a constitution and/or bylaws shall file a copy of same with the district office of AMN. Said constitution and/or bylaws must be approved by the district Executive Presbytery of AMN. All district Arizona missions and district affiliated churches shall operate under the constitution and/or bylaws provided by the Arizona District Council, as approved by AMN.

Section 9. All new churches affiliating with the Arizona District beginning May 1, 2007, shall include the "Reversion Clause" (set forth in the Bylaws, Article XVI, Section 3, Part D) in the deed to all real property owned or controlled by the church or its subsidiaries, related or affiliated companies, joint ventures, or "Support Organizations" as defined by Section 501 (c) (3) or Section 509 (a) (3) of the Internal Revenue Code.

It is also required that all churches of the Arizona District include this Reversion Clause in their bylaws and in the deed to all real property owned or controlled by the church or its subsidiaries, related or affiliated companies, joint ventures, or Support Organizations:

"If the Arizona District Council of the Assemblies of God or its successor Arizona Ministry Network (collectively or individually, the "Arizona District") determines in its sole and absolute ecclesiastical, theological, and scriptural discretion that the grantee has ceased to be an Assemblies of God church in "good standing" with the Arizona District or its successor for a period of not less than 45 days after notice to the grantee and opportunity to cure, then the real property shall forthwith revert to the grantor upon recording of a "Declaration of Default and Failure to Cure" in the office of the local recording authority stating that the Arizona District, or its successor, has determined that the grantee is no longer in good standing with the Arizona District. This provision may be waived in writing by the grantor."

Section 10. Support. It is recognized that for any organization to survive and serve effectively it must have the moral and financial support of its constituency.

- a. *District.* Each church should support AMN monthly with an offering in the amount of two percent (2%) of their general fund monthly income.
- b. *General Council.* Logically, support of the General Council follows support of AMN. If practical, let each assembly take one offering each year, or designated monthly support, for the upkeep of the national headquarters office and the travel expense of the executive officers.
- c. *Campground.* Each church should support Granite Hills Retreat and Conference Center monthly with an offering in the amount of one percent of their general fund monthly income.
- d. *Assemblies of God Missions.* Each church desiring to affiliate with the General Council will be required to demonstrate a willingness to contribute to Assemblies of God missions.

Incorporation

- a. An affiliated assembly shall request assistance and guidance from the Arizona District in becoming a proper religious non-profit corporation from the state with particular attention paid to the reversionary clause.
- b. Upon approval of the district presbytery of AMN, the application for affiliation shall be forwarded to the general secretary of the General Council of the Assemblies of God. Recognition of affiliation shall be regarded as completed upon receipt by the assembly of an official Certification of Affiliation issued by the general secretary. In the event an application for affiliation is declined by a district presbytery, appeal may be made by the church to the General Council Executive Presbytery, whose decision shall be final.
- c. Church Disaffiliation – A church is required to have a two-thirds vote of the membership or a more restrictive rule prescribed by the governing documents of the church or AMN to disaffiliate. (For more information, see the Disaffiliation Percentage Resolution. General Council Bylaws, Article VI. Assemblies, Section 4, d.)

Section 2. Prerogatives and Privileges

- G. Representation.** The right of representation at the meetings of the General Council by one officially appointed and registered delegate, and at meetings of the AMN.
- H. Other Benefits.** The right to benefit from approved General Council institutions such as colleges, divisional and departmental ministries, publications, etc.

Section 3. Responsibilities

- A. Limited Sovereignty.** The fact that a local assembly is affiliated in the association of a District Council or The General Council of the Assemblies of God shall in no wise destroy its sovereignty. However, there are certain responsibilities to the fellowship that should be recognized.
- B. Adherence to General Council Principles and Doctrine.** It shall be the duty of the local assemblies to support by every means possible the basic principles upon which the fellowship is founded, including that of "voluntary cooperation," and strict adherence to the Statement of Fundamental Truths.
- C. Maintenance of Scriptural Order and Conduct.** Local assemblies shall accept their full share of responsibility for the maintenance of scriptural order in the local body and uphold a scriptural standard of conduct.
 1. *Regular Support of Churches Encouraged.* In order to support and develop the work and ministries of the Assemblies of God in the U.S. and abroad, all its churches shall be encouraged to send offerings at regular intervals.
 2. *Combined Report for all Offerings.* A combined report of all offerings, which are designated for departments, shall be given under the caption of World Ministries Giving. The intent is to provide recognition for contributions to all ministries of The General Council of the Assemblies of God, to place each appeal and ministry on an equal basis, and to lend encouragement to churches and individual contributors to determine the appeal to which they will respond under the leading of the Spirit.
- D. Annual Church Ministries Report (ACMR).** Each church of the Assemblies of God shall be requested to keep an up-to-date record of its membership, and a report of the same shall be sent annually, on forms provided, to AMW, to the office of the district secretary and the General Council secretary.
- E. Safeguarding the Assemblies from Unapproved Ministries**
 1. It is known that many unreliable and unsafe teachers and preachers go about seeking entrance into assemblies without any recommendation; therefore, all pastors, workers, and leaders of assemblies should make proper investigation regarding those persons not known to them, and the platform be denied strangers until proper recommendations be forthcoming.

2. Since the use of non-Assemblies of God evangelists may bring confusion and problems detrimental to the fellowship, it is recommended that Assemblies of God churches use Assemblies of God evangelists.
3. The advice and counsel of the AMN Presbytery should be sought in all matters of importance. Pastors, presbyters, and district officials should maintain a reciprocal exchange of information relative to unreliable persons seeking ministry in our assemblies.

F. Transfer of Local Church Membership

1. It is recommended that the member shall request a letter of introduction from the church of which he/she is a member to be sent by mail to the church where affiliation is desired.
2. It is recommended that the receiving church shall give an acknowledgement of transfer to the former church.

C. District Affiliated Assemblies

Section 1. Churches

A. New Churches

1. All assemblies established with the approval of the AMN Arizona Missions Department shall be considered District Council Affiliated.
2. *Procedures for Starting a New Church.* Anyone desiring to start a new work must submit an application to the AMN Arizona Missions director, who shall forward it to the Sectional Arizona Missions Committee for their review and recommendation to the AMN Presbytery, after consultation with pastors of churches who may be affected. The AMN Presbytery must then grant final approval.
3. Initiative may be taken in opening new works by:
 - a. The AMN Arizona Missions Committee.
 - b. Established churches starting new works.
 - c. Individuals in cooperation with AMN Arizona Missions Committee.

- B. All churches not having obtained General Council status, or who have lost that status through circumstances requiring district intervention, or failing to continue to meet General Council criteria, shall be considered District Affiliated.

Section 2. Government

- A. District Affiliated Churches are governed by the Constitution and Bylaws for District Affiliated Churches as provided by the Arizona District Council and/or by AMN
- B. District Affiliated Church policies are subject to review and approval by a board, comprised of the district superintendent, district secretary-treasurer, sectional presbyter, and pastor of the church.

Section 3. Monthly Activity Report

All District Affiliated Churches shall submit a Monthly Activity Report to their AMN sectional presbyters, and shall cover areas of finances, income and expenses, attendance in services, progress or regress, and other items pertinent to making an overall realistic evaluation.

The report will be formulated by the district superintendent and the sectional presbyters, and shall cover areas of finances, income and expenses, attendance in services, progress or regress, and other items pertinent to making an overall realistic evaluation.

Section 4. District Affiliated Church Pastored by an Appointed U.S. Missionary

All churches under the leadership of an appointed U.S. missionary shall be accountable to the district superintendent. Those churches qualifying may, upon the recommendation of the district superintendent and approval of the Executive Presbytery, be granted the privilege of electing a pastor or other officers.

Section 5. Annual Business Meeting

An annual business meeting shall be conducted by a district officer, or the pastor with permission from the district officials. A vote of confidence may be taken at the business meeting, after consultation with the pastor, by a presiding district official to determine the effectiveness of the pastor. The voting shall be by secret ballot, and the results shall not be disclosed to the congregation. This review shall continue until the church becomes a General Council affiliated church.

Section 6. Relationship to the District

- A. District affiliated churches are entitled to one lay delegate at the AMN Sectional and District Councils.
- B. District affiliated churches shall remain in this status until sufficient growth and maturity has been demonstrated to qualify for General Council affiliation.

An application for same shall be filed with the AMN district secretary and approved by the AMN Presbytery. (See General Council Bylaws Article VI, Section 5).

Section 7. Title to Property

The title to property of District affiliated churches shall be held by the Arizona District Council unless, in the joint judgment of the District and of the AMN Executive Presbytery, the church is qualified to be incorporated and hold the title of its own property.

Section 8. Reversion of General Council Affiliated Church to District Affiliated Status

- A. When General Council affiliated church's active voting membership has dropped below twenty, the church shall be notified that, unless the membership is increased to the minimum requirement of twenty active voting members within one year, the church shall revert to district affiliated status.
- B. They shall remain District affiliated until the recommendation of their board is made to reapply for General Council status and approval is given by the AMN District Presbytery Board.

Section 3. Arizona Missions (or Dependent Church) Properties

- A. All real or personal property used by the Arizona District or by Arizona Missions or by dependent churches may be optioned, owned, leased, mortgaged, sold, or otherwise alienated by the Arizona District as specified by the District Presbytery. For example (but not in limitation of its powers), the District Presbytery may authorize the use of one or more related, affiliated or similar legal entities, including, but not limited to, subsidiaries, joint ventures, or "Support Organizations" (as defined by the Internal Revenue Code) to hold title to district real and/or personal property or to otherwise promote and protect the activities of the Arizona District or of the local church(s).
- B. The AMN District Superintendent and the district secretary-treasurer may serve as trustees of local church property or may make other appropriate arrangements, including, but not limited to, trusts, options, leases, deed restrictions, etc., to hold title to, or grant use rights for, the property until it is deeded or leased to the local assembly by authorization of the AMN District Presbytery.
- C. The AMN District Presbytery retains full and independent discretion and control over the determination of the time at which, and the conditions under which, a local church has been "set in order" as a General Council church. The phrase "set in order" refers to prayerful determination of spiritual and ecclesiastical issues based on the application of the scriptures to the particular circumstances of each local church. One of the conditions for being "set in order" is the absence of outstanding third party claims against the local congregation and the absence of outstanding claims against the AMN, Arizona District and/or the General Council (including, but not limited to, their respective officers, agents and directors) arising from the local congregation. Nothing

contained herein shall create a lien, equitable claim, or other legal or equitable right on the part of a third-party claimant to require transfer of any interest in the property from the Arizona District (or from any other owner of the property being used by the local church) to the local church. A local congregation may request the Arizona District's assistance in causing a transfer of title to the property which it uses for worship to its local church, but the local church has no enforceable, legal, or equitable right to require a transfer.

- D. When the AMN District Presbytery determines, in its sole and absolute ecclesiastical, theological, and scriptural discretion, that a church is ready to receive title to real property (or a long term lease thereof), then the deed transferring title (or the lease granting long term use rights) to the property to the local church (whether from the Arizona District or otherwise), shall contain this "Reversionary Clause":

"If the Arizona District Council of the Assemblies of God or its successor AMN (the "Arizona District") determines in its sole and absolute ecclesiastical, theological, and scriptural discretion that the grantee has ceased to be an Assemblies of God church in "good standing" with the Arizona District or its successor for a period of not less than 45 days after notice to the grantee and opportunity to cure, then the real property shall forthwith revert to the grantor upon recording of a "Declaration of Default and Failure to Cure" in the office of the local recording authority stating that the Arizona District, or its successor, has determined that the grantee is no longer in good standing with the Arizona District. This provision may be waived in writing by the grantor."

General Council of the Assemblies

1445 Boonville Avenue
Springfield, Missouri 65802

Gentlemen:

We have considered your request for a group ruling holding your subordinate units exempt from Federal income tax as organizations described in section 501(c)(3) of the Internal Revenue Code of 1954.

Our records disclose that you were held exempt from Federal income tax under section 231(6) of the Revenue Act of 1921 on April 15, 1922. On September 14, 1935 you were held exempt under section 101(6) of the Revenue Act of 1934, which ruling was affirmed under the Revenue Act of 1936 on April 27, 1938. On September 20, 1955 the District Director held that since section 501(c)(3) of the 1954 Internal Revenue Code contains the same provisions as section 101(6) of the prior Revenue Acts, previous rulings are held to be applicable under the 1954 Code.

Based upon the information presented, it is held that your subordinate departments, district councils, churches, institutions, organizations, schools and colleges, whose names appear in your Directory, revised to January 1, 1964, are exempt from Federal income tax as organizations described in section 501(c)(3) of the Internal Revenue Code of 1954 as it is shown that they are organized and operated exclusively for religious purposes.

You and your subordinate units are not required to file Federal income tax returns so long as a tax exempt status is maintained.

It will not be necessary for you and your subordinate units to file the annual information return, Form 990-A, generally required of organizations exempt under section 501(c)(3) of the Code, as the specific exceptions contained in section 6033(a) of the Code are applicable.

General Council of the Assemblies of God

Contributions made to you and your subordinate units are deductible by the donors as provided by section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to or for the use of you and your subordinate units are deductible for Federal estate and gift tax purposes as provided by sections 2055, 2106 and 2522 of the Code.

You and your subordinate units are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless waiver of exemption certificates are, or have been, filed as provided in that Act. Inquiries about the waiver of exemption certificates should be addressed to the District Director concerned. You and your subordinate units are not liable for the taxes imposed under the Federal Unemployment Tax Act.

For next year, and for each succeeding year thereafter, please send us the following information not later than forty-five days after the close of your annual accounting period:

1. Lists showing the names and mailing addresses of your new subordinate units and the names and addresses of any units which have ceased to exist or have changed their names or addresses. The names should be arranged in alphabetical or numerical order. In lieu of the lists referred to above you may furnish us with a copy of your published directory. Please send us one copy of the list or directory for this office and one copy for each district in which your subordinate units are located.
 2. A statement signed by one of your principal officers stating whether or not the information upon which your original group ruling was based is applicable in all respect to the new subordinate units.
 3. A statement if, at the close of the year, there were no changes in your roster.
-

-3-

General Council of the Assemblies of God

4. A statement of any changes in the character, purposes or method of operation of your organization or those of your subordinate units.

5. Duplicate copies of amendments to charters or bylaws of your organization or those of your subordinate units.

You should advise each of your exempt subordinate units of the exemption and the pertinent provisions of this ruling including the liability, if any, for filing information or other returns.

The District Directors concerned are being advised of this action.

Very truly yours,

Chief, Exempt Organizations Branch
