Re: December 3, 2018 Community Law Enforcement Partnership Commission

Honorable Chair and Members of the Board of Supervisors,

As Co-Chairs of the Community Law Enforcement Partnership Commission (CLEPC), we are writing this letter to inform you of the unanimous passage of a motion to ask the Board of Supervisors to clarify the role, scope and mission of the CLEPC.

There has been some debate over whether we are strictly a community grants review board or if our mission includes components of our previous duties, including examining potential discriminatory contacts within certain communities.

We are honored to serve you and our county in every way that we can, and feel the need for stronger guidance so we might fulfill this responsibility to its fullest.

Respectfully,

Zaira Livier Serrato
