The Arizona Department of Economic Security Division of Employment and Rehabilitation Services ("AZDES/DERS") administers the Arizona Unemployment Insurance Program ("UI Program") and maintains Unemployment Compensation ("UC") records related to UC benefits paid to Arizona residents. Pursuant to 20 CFR Part 603, UC records are confidential and subject to disclosure only to certain entities and upon certain Conditions. County is a Local Workforce Development Board and is recognized therefore as a "public official" under the meaning described in 20 C.F.R. §603.2. As a public official, County is authorized to receive confidential UC information from UI pursuant to 20 C.F.R. §603.5(e). County and AZDES/DERS entered into Data Sharing Agreement Number 175549 (Pima County Contract No. CT-CS-18-117) ("the AZDES/DERS Agreement") which gives County access to the confidential UC records maintained by the UI Program. Under the Workforce Innovation and Opportunity Act, Pima County operates the One Stop Program (now called ARIZONA@WORK). As a means of determining eligibility for various federal, state and local programs offered through the Pima County ARIZONA@WORK, County must re-disclose certain necessary confidential UC information to Contractor to perform its ARIZONA@WORK functions pursuant to various agreements and contracts with County. Such re-disclosure is authorized by 20 CFR §603.9(c). County designates Contractor as a data recipient and authorizes Contractor to access and receive confidential UC information for the limited purposes stated herein and for no other purpose.

Attachment: Contract Number CTN-CS-19-114.

***Procurement Method:**

This Data Sharing Agreement is not subject to Procurement rules.

***Program Goals/Predicted Outcomes:**

This data sharing agreement allows County and Contractor to do business together. County must re-disclose certain necessary confidential UC information to Contractor to perform its ARIZONA@WORK functions pursuant to various agreements and contracts with County.

***Public Benefit:**

County and Contractor would continue to do business together and continue to provide services to Pima residents.

***Metrics Available to Measure Performance:**

County and Contractor would continue to do business together.

***Retroactive:**

Due to several revisions between Community Services, Pima County Attorney, Contractor & State of Arizona DERS Data Security Unit caused delays. The final version was completed on 1/9/2019. AZDES/DERS Security Unit has requested Pima County ARIZONA@WORK establish Internal Agreements between Public Officials and their Contractors. The data-sharing agreements are intended to authorize access for contracting agent(s) to Unemployment Insurance (UI) data. Without a completed agreement to authorize access to UI data, access will not be allowed.
