**Re: March 11, 2019 Community Law Enforcement Partnership Commission**

Honorable Chair and Members of the Board of Supervisors,

As Co-Chairs of the Community Law Enforcement Partnership Commission (CLEPC), we are writing to provide you with our recommendation on a grant that the Pima County Sheriff's Department is seeking from the Governor's Office. The grant (GTAW 19-88) would provide for the purchase of (1) CDR cable kit and one (1) Vericom Accident Investigation Collision system.

We received documents and a presentation from Pima County Sheriff's Department at our March 11th meeting concerning these two items. None of these purchases are expected to convey additional costs to the Pima County taxpayer.

Commissioners voted unanimously to recommend the Board of Supervisors accept this grant.

Respectfully,

*Kristen Landrum*
