# MEMORANDUM

---

Date: April 12, 2019

To: Julie Castañeda  
Clerk of the Board of Supervisors

From: C.H. Huckelberry  
County Administrator 

Re: **Operation Stonegarden (OPSG) Program Award for Federal Fiscal Year 2018**

I know that we have transmitted the BOS-AIR for both the OPSG grants to you and had tentatively scheduled these items for the Board meeting of April 16, 2019.

Please pull these items from the draft addendum and place them on the Board meeting of May 7, 2019. The Sheriff is unavailable to attend the April 16, 2019 Board meeting to discuss these grants and their applicability to his department on that date. He has indicated he will be available to address this matter on May 7, 2019.

I will also be forwarding a recommendation to the Board regarding these grants early next week, several weeks ahead of the May 7, 2019 meeting when this matter will be on the agenda for discussion and action.
