Greetings:

It has come to my attention that Jeremy Lasher has filed to be considered for the interim appointment for Precinct 8 constable, to fill the vacancy left by Ms Dorgan.

I have known Jeremy Lasher for several years and have grave reservations about his character. I know him to be misogynist. I know him to have anger issues that have escalated publicly on more than one occasion in my presence (but not toward me). I think Mr Lasher is an angry man. I question whether Mr Lasher would be a suitable or safe choice for an office that requires cool judgement and an even temperament. I would dread to see him armed, in a public capacity, with decision-making authority over citizens.

These comments should not be construed as an endorsement for any other person who has put himself or herself forward for this position.

Thank you.

May 3, 2019

Good morning,

I am writing today with a sense of great urgency and personal concern about the candidacy of Jeremy Lasher.

In my role as a volunteer for the Democratic Party and also as Chair of Pima Dems, I have had numerous interactions with Mr. Lasher over the past five years. None of them have been pleasant or productive.

Mr. Lasher never addressed me personally about any issues he had with me; even when I would ask him, directly and in private, about his concerns. Instead I would hear from others about his displeasure. I encourage his potential employer to do a thorough review of his social media postings. (I am frustrated that I erased the comments Mr. Lasher has written about me, but I needed to do so in order to maintain calm in my life.)

Disagreements are a part of life. High anxiety and tensions are a part of life. In my dealings with Mr. Lasher I feel strongly he has no skill level to handle any of these situations with diplomacy or maturity.

In my opinion, it would be a terrible disservice to the people of Tucson to give Mr. Lasher a job that requires even minimal interaction with the public.

(This letter of concern DOES NOT IMPLY an endorsement of any other applicant.)

Greetings:

It has come to my attention that Kristen A Landrum has filed to be considered for the interim appointment for Pct 8 Constable.

I have known Ms Landrum since January 2017. I have worked closely with her in several public endeavors in that time and consider her a personal friend.

I know Ms Landrum to be a person of the highest personal probity. She is of an even temperament, she listens, she is respectful of other people's perspectives, and she is a creative problem solver. She has faced adversity in her life and I believe that has given her a realistic view of how the world works, while also providing her with empathy.

I believe the Board of Supervisors knows Ms Landrum and is aware of her ethics and her manner of comportment. I urge you to give strong consideration to appointing Ms Landrum to the open post.

Sincerely,
Greer Warren

To Whom it May Concern:

My name is Bonnie Heidler and I am the Chair of LD10 Democrats. It is my understanding that Mary C. Dorgan is retiring requiring that someone be appointed until the 2020 election. Kristen A. Landrum has applied for the position. I know that Kristen would make a great Constable.

Kristen pays attention to detail, which I think would be important in this position. She understands how government works and how Constable fits into the structure.

I hope you will select Kristen Landrum to fill Mary Dorgan's position.

To Whom It May Concern:

I would like to voice my support for Kristen A. Landrum to be appointed to the vacated Constable position.

I worked with Kristen on one project within our community, and I have watched her lead several more. She is smart, conscientious and fair minded.

She would make an excellent choice for Constable.

Hi --

I write to offer my support and praise for Kristen Landrum, who is applying for appointment as Constable in Precinct 8.

Having worked with her over the last couple of years, I know her to be a person of the highest honor, integrity, insight, leadership, courage, compassion, and energy.

Having served on various graduate-school fellowship committees and as a D-level manager and recruiter at Bell Labs, I know what it is like to recruit the top 1% of the top 0.1%. I know the real deal when I see it. Ms. Landrum is the real deal. Beyond extraordinary.

Yours truly -- jsd

John S. Denker, PhD, CFII, Precinct Committeeman
