Ms. Castañeda:

On behalf of myself and homeowners in the 1000-foot notification zone, I formally request a continuance of the hearing for the related Minor Resort Conditional Use Permit (CUP). The CUP application is currently scheduled for July 2nd based on the Board of Supervisors meeting on May 21st at the request of the applicant. We ask that it be continued until the August 19, 2019 Board of Supervisors meeting.

July 2nd is part of a holiday week and in the middle of summer where many residents will be out of town. Holding the hearing on July 2nd would be unfavorable to the neighbors and other interested parties that want to attend and voice their respective positions to the Board of Supervisors.

We respectfully request that this topic be an agenda item on the June 18, 2019 Board of Supervisors meeting. Or, alternatively, a decision granted and communicated to us prior to the July 2nd hearing similar to the notice that was given to the applicant prior to the May 21st hearing.

Sincerely,

Jeff Bruce
