INDEPENDENT CONTRACTOR AGREEMENT

2019-20 Utility Assistance Programs
Contract No. 07012019-20

This INDEPENDENT CONTRACTOR AGREEMENT (this "Agreement") is entered into as of the Effective Date set forth below by and between **Pima County, on behalf of the Pima County Community Action Agency** (hereinafter "Contractor") and Arizona Community Action Association DBA Wildfire, an Arizona nonprofit corporation DBA Wildfire (hereinafter "Wildfire").

RECITALS:

A. Wildfire is a nonprofit organization that, as part of its mission to promote economic self-sufficiency for low-income Arizonans, administers energy program funding to provide weatherization services, utility repair and replacement, utility deposits and bill assistance.

B. Wildfire is receiving or expects to receive during the term of this Agreement funding from the fund sources in ***Section 1*** (the "Fund Sources") pursuant to Program Documents (as defined in ***Section 4***).

C. Wildfire desires to subcontract with Contractor to obtain assistance with fulfilling Wildfire's obligations under the Program Documents and Contractor desires to receive the funding described herein and use it to provide services in accordance with the Program Documents and this Agreement. **The total amount of contract is \$288,030.00.**

THEREFORE, in consideration of the terms and conditions set forth in this Agreement and intending to be bound, Wildfire and Contractor hereby agree as follows:

1. Services and Programs.

1.1 **Services.** Contractor agrees, under the terms and conditions of this Agreement, to perform the following services for the programs listed in ***Section 1.2***: (i) conduct application intake services, (ii) make eligibility determinations, and (iii) where applicable, conduct weatherization work, utility deposits, repair and replacement work, and (iv) bill assistance. Contractor shall perform the foregoing services during the term set forth in ***Section 2***. Wildfire will not exercise control over the specific methods used by Contractor or the specific manner in which Contractor performs services under this Agreement, but Contractor shall follow Wildfire's instructions as to the result to be achieved. Contractor will receive Wildfire's instructions through an employee of Wildfire who is appointed to manage the program ("Program Manager"). Contractor may also receive instructions from a Wildfire employee designated to serve as a liaison between Wildfire and Contractor ("Monitor").

1.2 **Fund Sources.** For purposes of this Agreement, the programs, Fund Sources and amount of funding to be allocated to Contractor will be as set forth in Attachment 1.

Attachment 1, which highlights certain provisions of the Program Documents, is provided for Contractor's convenience and is not intended to be an exhaustive description of all material terms of the Program Documents. Contractor is advised to carefully review the Program Documents in their entirety. In the event of any conflict between this summary and the Program Documents, the terms of the Program Documents will control.

1.3 Training. Contractor will participate in any training provided by Wildfire on dates and times selected by Wildfire.

1.4 Program Modification. Wildfire and the Fund Sources reserve the right to modify program eligibility guidelines and Program Documents. Contractor agrees to implement and comply with any and all modifications immediately after receipt of written notice of such modifications.

2. Term and Termination.

2.1 Term. Unless sooner terminated pursuant to **Section 2.2**, the term of this Agreement will be for one year beginning on the later of full execution of this Agreement on **July 1, 2019** (the "Effective Date") and ending on **June 30, 2020**.

2.2 Termination. Either Wildfire or Contractor may terminate this Agreement at any time, for any or no reason, by giving thirty (30) days written notice to the other party of its election to terminate. If a Fund Source terminates a program or otherwise discontinues funding to Wildfire, then this Agreement will automatically terminate as to any services to be provided for that Fund Source.

2.3 Effect of Termination; Survival. Upon termination, Contractor's obligation to perform further services for Wildfire shall terminate and Wildfire's obligation to provide funding to Contractor for such services shall terminate, but the remainder of this Agreement shall continue in full force and effect.

2.4 Non-Appropriation. Notwithstanding any other provision of this Agreement, this Agreement may be terminated if for any reason, there are not sufficient appropriated and available monies for the purpose of maintaining County or other public entity obligations under this Agreement.

3. Funding; Expenses; Nature of Relationship.

3.1 Funding; Payments to Contractor. Not later than the 15th day of each month, Contractor will ensure that all services performed during the prior month are represented correctly in the Wildfire Grants Management System (GMS) as required by **Section 4**. After the 15th day of each month, Wildfire will endeavor to review Contractor's activities from the prior month and give notice to Contractor of any disallowed items within ten (10) business days. Wildfire will submit all approved portions of Contractor's activities to the applicable Fund Sources. Contractor acknowledges and agrees that all activities are subject to approval by the Fund Sources and Wildfire's approval does not bind any Fund Source or constitute a guarantee by Wildfire of payment to Contractor.

3.2 Request for Additional Funds. Contractor may submit in writing a request for additional funds to Wildfire no earlier than November 30 of the current contract year. Requests for additional funds will be submitted to the Home Energy Assistance Fund Advisory Board of Directors on the next available agenda. Approval of request(s) will be based on: a) there are adequate funds available; b) agency is at an expenditure rate to ensure any additional funds will be expended; c) request is not being used to cover over expenditures.

All approved requests will be submitted to the Wildfire Board of Directors on the next available agenda for final review and approval.

3.3 Reimbursement of Expenses. Wildfire may provide certain materials and supplies to Contractor for use in performing services under this Agreement. Except for such materials and supplies, and except to the extent the Program Documents permit reimbursement of expenses from the Fund Sources, Contractor shall be responsible for expenses that it incurs in performing services under this Agreement, and shall not be entitled to reimbursement from Wildfire.

3.4 Expenditures. Wildfire reserves the right to terminate, reduce, or reallocate funds to another Contractor within the service territory, if Contractor's expenditure rate is not at a percentage to ensure one hundred percent expenditure of funds within the contract period. Wildfire will conduct a review of agency expenditures on a quarterly basis, and will notify the Contractor of any concerns. It is the responsibility of the Contractor to monitor all contract expenditures and to ensure that no over expenditures occur. If an over expenditure occurs, the Contractor is responsible for absorbing and/or returning the amount of the payment.

3.5 Advance Payments. Contractor may request a one-time advance in accordance with the established One-Time Advance Payment Policy approved by the Home Energy Assistance Advisory Board of Directors and the Wildfire Board of Directors. Contractor may request the Advance Request Form through Wildfire, if needed.

3.6 Nature of Relationship. As between Wildfire and Contractor, Wildfire shall have the same rights as the Funding Sources have under the applicable Program Documents. Contractor shall have only those rights expressly provided to Contractor under this Agreement. The relationship between Wildfire and Contractor shall be that of independent contractors for purposes including tax law purposes and employment law purposes and not that of employer-employee, partners, joint ventures, or otherwise. Contractor acknowledges and agrees that Contractor shall have no right or opportunity to participate in any employee benefits plans, compensation plans, or other benefits that Wildfire may offer to its employees, and that Contractor will not be treated as an employee for purposes of workers compensation laws, employment laws, or tax laws, including without limitation federal and state income tax laws, social security tax laws and unemployment contribution laws. Contractor agrees to comply with all laws applicable to independent contractors including, but not limited to, professional and tax licensing requirements and reporting and payment of applicable federal, state and local taxes, including without limitation income taxes and self-employment taxes.

3.7 Indemnification. To the extent provided by law Contractor agrees to indemnify, defend and hold Wildfire and its directors, officers, employees and agents harmless for, from and against any tax or other liabilities, losses, costs, expenses (including attorneys' fees and court costs), penalties, claims, demands resulting from or arising out of a breach of this Agreement by Contractor or Contractor's employees or agents, or resulting from or arising out of rendering services under this Agreement by Contractor or Contractor's employees or agents or to the extent caused by the negligence or intentional misconduct of Contractor or Contractor's employees or agents. Wildfire agrees to indemnify, defend and hold Contractor and its directors, officers, employees and agents harmless for, from and against any liabilities, losses, costs, expenses (including attorneys' fees and court costs), penalties, claims, demands to the extent caused by the negligence or intentional misconduct of Wildfire or Wildfire's employees or agents.

3.8 Insurance.

3.8.1 Contractor and any subcontractors shall procure and maintain, until all of their obligations have been satisfied, insurance against claims for injury to persons or damage to property which may arise from or in connection with the performance of the services hereunder by Contractor or Contractor's agents,

representatives, employees or subcontractors. Contractor shall also procure and maintain all additional insurance coverage required by the Program Documents.

3.8.2 The insurance requirements herein are minimum requirements for this Agreement and in no way limit Contractor's indemnity obligations contained in this Agreement. Wildfire makes no representation or warranty that the minimum limits contained herein are sufficient to protect Contractor from liabilities that might arise out of the performance of the work under this contract by Contractor, its agents, representatives, employees or subcontractors, and Contractor is free to purchase additional insurance.

3.8.3 Contractor shall provide coverage with limits of liability not less than those stated below.

a) Commercial General Liability – Occurrence Form

General Aggregate: The policy will have a combined single limit of \$2,000,000 for each occurrence for bodily injury and property damage. The policy shall include bodily injury, property damage, personal injury and broad form contractual liability.

- The policy shall be endorsed to include the following additional insured language: *"Arizona Community Action Association (dba Wildfire) shall be named as additional insured with respect to liability arising out of the activities performed by or on behalf of the Contractor"*.
- The policy shall contain a waiver of subrogation against Arizona Community Action Association (dba Wildfire) and its officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

b) Automobile Liability

Bodily Injury and Property Damage for any owned, hired, and/or non-owned vehicles used in the performance of this Agreement.

- Combined Single Limit (CSL) \$ 1,000,000
- The policy shall be endorsed to include the following additional insured language: *"Arizona Community Action Association DBA Wildfire shall be named as additional insured with respect to liability arising out of the activities performed by or on behalf of the Contractor, involving automobiles owned, leased, hired or borrowed by the Contractor"*.

c) Worker's Compensation and Employers' Liability

The policy will cover all obligations imposed by federal, state and local statutes with jurisdiction over Contractor's employees.

- The policy shall contain a waiver of subrogation against Arizona Community Action Association (dba Wildfire) and its officers, officials, agents, and employees for losses arising from work performed by or on behalf of the Contractor.

3.8.4 Wherever additional insured status is required, such additional insured shall be covered to the full limits of liability purchased by the Contractor, even if those limits of liability are in excess of those required by this Agreement. The Contractor's insurance coverage shall be primary insurance with respect to all other

available sources. Coverage provided by the Contractor shall not be limited to the liability assumed under the indemnification provisions of this Agreement.

3.8.5 Each insurance policy required by the insurance provisions of this Agreement shall provide the required coverage and shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days prior written notice has been given to Wildfire.

3.8.6 Insurance is to be placed with duly licensed or approved non-admitted insurers in the state of Arizona with an "A.M. Best" rating of not less than A- VII. Wildfire makes no representation or warranty that the above-required minimum insurer rating is sufficient to protect Contractor from potential insurer insolvency. If Contractor utilizes the Social Service Contractors Indemnity Pool (SSCIP) or other approved insurance pool for insurance coverage, SSCIP or the other approved insurance pool is exempt from the A.M. Best's rating requirements listed in this Agreement. If Contractor chooses to use SSCIP or another approved insurance pool as its insurance provider, Contractor would be considered in full compliance with insurance requirements relating to the A.M. Best rating requirements.

3.8.7 Contractor shall furnish Wildfire with certificates of insurance (ACORD form or equivalent approved by Wildfire) as required by this Agreement. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by Wildfire before services commence. Each insurance policy required by this Agreement must be in effect at or prior to commencement of services under this Agreement and remain in effect for the duration of the term of this Agreement. Failure to maintain the insurance policies as required by this Agreement, or to provide evidence of renewal, is a material breach of contract.

3.8.8 Contractor's certificate(s) shall include all subcontractors as insureds under its policies or Contractor shall furnish to Wildfire separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to the minimum requirements identified above.

3.8.9 Wildflower acknowledges that the Contractor is self-insured and that such self-insurance satisfies all insurance requirements for this Agreement.

4. Compliance with Terms of Funding.

4.1 Contractor's Compliance with Terms of Funding. Contractor acknowledges that Contractor's services will be part of the programs funded by the Funding Sources in **Section 1** pursuant to the Program Documents. Contractor agrees it will be bound by and will comply with all terms and conditions of the Program Documents, including to the extent permitted by law all indemnification and insurance obligations subject to paragraph 3.8.9 above. The "Program Documents" consist of the Attachments and Exhibits hereto and any written policies and procedures that Wildfire may send to Contractor from time to time, all of which are incorporated herein by this reference. The Program Documents require Wildfire to submit certain periodic reports to the Fund Sources. Contractor agrees to cooperate with Wildfire in preparing these reports. In addition, Contractor agrees to comply with all other reporting obligations under the Program Documents.

The protective action described in the preceding sentence shall be undertaken (if at all) in the sole discretion of Wildfire and/or its counterparties, and a protective order or other appropriate relief must be obtained within ten (10) business days from the date that notification of the public records request is delivered by Contractor to Wildfire. Mission

The Home Energy Assistance Fund (HEAF) at Wildfire develops and coordinates resources through education, advocacy, financial assistance, and local partnerships throughout the state of Arizona to help families meet their basic energy needs and move toward economic stability.

Purpose and Principles

This fund has been established to provide assistance to Arizona households needing assistance in managing their energy burdens. The purposes of the fund include:

- Alleviate crisis situations by preventing disconnection and/or facilitating reconnection of utility services
- Supplement currently existing energy assistance resources
- Identify new/additional sources of support

Fund Sources Currently in Distribution

- | | |
|---|---|
| • APS Crisis Bill Assistance | • Global Water LIRT |
| • SRP Bill Assistance | • TEP Bill Assistance |
| • Southwest Gas LIEC | • UNSE Electric |
| • Southwest Gas Energy Share – Bill Assistance | • UNS Gas & Electric Warm Spirit Fund |
| • Southwest Gas Energy Share – Repair/Replacement | • Utility Repair, Replacement and Deposit |

Target Population

Individuals and families throughout the state of Arizona, who find themselves in a position of economic crisis, are encouraged to seek assistance from a community partner organization with access to these funds.

Local organizations under contract with Wildfire to distribute these funds are encouraged to provide outreach services to increase awareness of this program among the target population who reside within the borders of their service area, including Native Americans living on tribal reservations.

Intake and Application

Local partner agencies should utilize efficient and accessible intake processes while serving clients at sites that are geographically accessible to all households in their service areas. An appropriate intake/application form is recommended for use in the intake process to facilitate prescreening and client data gathering.

Agencies should also provide low-income individuals who are not able to travel to the intake site the means to submit an application without leaving their residence. Reasons for inability to travel might include illness or disability, caregiving duties, or other such circumstances.

Grants Management System (GMS)

Appropriate data provided by clients in the application process must be entered into the Grants Management System (see the GMS User Manual) at the time of application or on a monthly basis by way of a pre-arranged, data integration process.

Monthly transfers of applications from partner agencies utilizing the data integration process must be received by the 10th day of the month, following any activity in the previous month.

All partner agencies must ensure that, by the 15th day of the month, applications in GMS from the previous month reflect accurate and complete information.

Repair/Replace jobs may take longer than the 15th day of the following month; however, expenditures should be entered into GMS as soon as they occur. If other fund sources are utilized, it is not necessary to wait until the entire job is completed to enter expenditures into GMS.

Household Eligibility

Specific eligibility requirements for utility assistance vary by fund source. Comprehensive outlines for these fund sources can be found in the Program Summaries attached to the end of this document (see Attachment 2). The following eligibility topics apply to all fund sources.

Frequency of Assistance

For most fund sources, each household may only receive assistance once in a 12-month period. Clients may return within that timeframe to seek additional assistance but are not eligible to receive assistance from the same fund source more than once in a 12-month period, unless otherwise specified by the program summary of the fund source. Please note that current and past-due charges of the same fund source may be combined but should not exceed the maximum fund source amount.

Agencies using GMS can determine whether a client has been served by a different agency in the same year.

Household Members

Each person living in the home is considered a household member. Income level and eligibility will be determined based on the entire household, including roommates. Boarders, not related by blood or law to the homeowner, are not considered household members for purposes of eligibility determination.

For clarification, boarders pay rent to someone living in the same home, while roommates pay rent to someone living outside the home. Income from each roommate is counted toward total household income, while income from boarders is not.

Household Income

All income for household members 18 years of age and older must be counted toward total household income, as well as the income of all household members 16 and 17 years of age who do not attend school full time.

In cases of domestic violence, the income and resources of the abuser are not counted as long as the client does not have access to the abuser's income and resources.

Income Eligibility

Each fund source specifies an income threshold for households seeking assistance. These thresholds are based on either the Federal Poverty Level (FPL) guidelines or the State Median Income (SMI) guidelines. Updated information outlining these guidelines will be attached to community partner contracts and should be adhered to throughout the entire fiscal year.

Condition of Crisis

When required by the fund source, eligible clients must be experiencing a crisis in order to qualify for services. There is no required timeframe wherein the crisis must have occurred. If a crisis reason is not clearly stated in the client file a client affidavit form should be used to allow the client to attest to the validity of their crisis reason. The form must be signed by the client.

Applicable crisis reasons

1. Loss or reduction of income or public assistance benefits or a delay in receiving public assistance benefits.
 - a. Examples include: loss of employment, theft of income, serious illness which causes a loss of income, divorce, abandonment or death of a wage earner, reduction of benefits or public assistance monies.
2. Unexpected and/or unplanned expenses that cause a lack of resources.
 - a. Examples include: car repairs, medical bills, natural or man-made disasters, death in the immediate family, court fines.
3. A condition that endangers the health and safety of the household.

- a. Examples include: lead poisoning, condemned property, infestation, domestic violence, asbestos, a medical condition that requires uninterrupted utility service for life-saving equipment such as oxygen machines, heart monitors, breathing machines, etc.

Document Verification

Identity Verification

The identity of the applicant must be verified before services can be provided. Any of the documents listed below can be used for identity verification.

Identity Verification Documents

1. Driver's license
2. Work or school ID
3. ID card from health benefits or social service program
4. Social Security card
5. Voter registration card
6. Wage stubs
7. Birth certificate
8. Family census card
9. Other reasonable sources

In addition, the utility service address must be verified to match the applicant's residential address.

Citizenship Verification (URRD and HEAF only)

The Utility Repair Replacement Deposit (URRD) and the Home Energy Assistance Fund (HEAF) both require that the primary applicant be verified as a U.S. Citizen or Legal Permanent Resident. Information concerning this verification process and a list of all federally accepted documents can be found in Appendix B of this document.

Income Verification

In order to determine the eligibility of applicants, all household income must be accounted for and verified. The most recent 30 days (up to and including the day of application) of countable income for each household member must be verified. This includes earned and unearned amounts. In addition, gross income amounts (not net income) must be counted, unless otherwise noted.

In cases where all attempts to obtain necessary income verification have failed, a client affidavit form can be used to allow the client to attest to the validity of their income information. The form must be signed by the client.

Some sources of income do not count against total household income. The following lists include the most common sources of both countable and excludable income. For comprehensive lists, please refer to Appendix A of this document.

Countable Income Sources

1. Earned income: employment, self-employment¹
2. Benefit income: SSA, SSI, TANF-CA, VA, UI, GA,
3. Pensions
4. Worker's compensation
5. Child support
6. Work study
7. Other unearned income: rental income, and endowments or legal settlements.
8. Tribal per capita

Excludable Income Sources

1. Food stamps
2. Medicare

7. Cash gifts of \$50 or less per month per household member
8. Insurance payments
9. Foster care payments and adoption subsidies
10. Housing and Urban Development (HUD) benefits.

Steps to Calculate and Verify Household Income

1. Identify the 30-day period prior to and including the application date.
2. Determine the number of sources of countable income received by all household members during this 30-day period.
3. Determine the amounts of countable income received from each source for each household member during this period.
4. Combine these amounts to reach the total, 30-day household income.
5. Compare this amount to the chosen fund source's income threshold, based on the number of household members.
6. Verify each amount from each income source using documents provided by the client and preserve a copy of each document for the client's file.

¹ Net income will be counted for self-employment income (gross income less business related expenses).

Payment Guarantee Process

Once a decision to approve a client's application has been made and all documents have been obtained and verified, a payment guarantee can be initiated on behalf of the client. Each fund source has its own point of contact for receiving these guarantee requests. This information can be found in Attachment 1: Payment Guarantee Contact Information. Payment guarantee requests should include all of the information listed below and a hard copy of the guarantee placed in the file.

Information Included in Payment Guarantee Requests

1. Account number
2. Customer name on account
3. Customer address
4. Date of guarantee and guarantee amount
5. Fund source (if possible)
6. Name of case worker requesting the guarantee
7. Name of organization requesting the guarantee

Agency Reimbursement Process

All guarantees and payments made by local partner agencies on behalf of clients are eligible for reimbursement from Wildfire on a monthly basis. These guarantees and payments must be accompanied by complete and accurate applications recorded properly in the Grants Management System (GMS) in order to receive reimbursement from Wildfire. See the GMS User Manual for clarification on this process.

Agencies will receive reimbursement for the amounts guaranteed plus any program delivery amounts, as specified in contract. Funds received for guarantees made are dedicated funds only for the purpose of paying for the guarantees and must be paid to the respective utility company as soon as possible. Funds received for program delivery have no restrictions and may be used at the discretion of the agency.

Record Keeping

The applicant has the primary responsibility to provide all required documents. In situations where it is difficult for the applicant to obtain documents needed to complete the eligibility determination, the local partner agency should offer assistance to the client in obtaining the information.

In cases where all attempts to obtain necessary documents have failed, a client affidavit form can be used to allow the client to attest to the validity of any eligibility information provided. The form must be signed by the client. The affidavit cannot be used to verify U.S. Citizenship or Legal Permanent Resident status.

Case Files

Supporting documentation for each client application must be kept in individual case files. Each file must contain all of the necessary documents to support the eligibility determination decision reached by the agency. Case files for every fund source must contain the documents listed below. Electronic records are sufficient.

Documents Included in Case Files²

1. Intake sheet with client info and name of caseworker
2. Verification document for ID of client
3. Citizenship verification of primary applicant (for HEAF and URRD only)
4. Utility bill (or receipts for purchases of fuel)
5. Income verification
6. Crisis documentation (if required by fund source)
7. Client affidavit form (if utilized)
8. Statement of truth and release of information form, signed by the client
9. Copy of completed payment guarantee request

Additional documents may be required by certain fund sources when indicated on the fund source program summary.

Maintaining Records

Local partner agencies are required to maintain supporting financial records, documentation, and statistical records for three years.

Payments Made to Ineligible Households

If assistance is provided to an ineligible household due to a caseworker's error, an over-expended fund source, or if the client was found to be ineligible after the payment was made, the award to the household must be honored and the partner agency will be responsible for repaying the award amount to Wildfire and paying the guarantee using funds other than those provided to the agency by Wildfire. The partner agency has the right to appeal any repayment determination directly to Wildfire.

Fraudulent Information and Conflict of Interest

If a client is found to be fraudulent in his/her application and the payment has not been sent to the utility, the payment must be stopped and the client appropriately informed.

² Agencies may be granted reasonable exemptions from including certain documents in case files. Contact Wildfire staff for exemption requests.

Relatives of Applicants

Caseworkers are not permitted to complete applications for their own relatives to the first-cousin level including step and in-law relatives. Specifically, parents, siblings, spouses, aunts, and uncles are to be interviewed by another caseworker or supervisor. Upon request, and when possible, Wildfire staff may provide application intake.

Agency Employees

Agency employees should not be denied the right to apply for and receive services through this program. These individuals or members of their households may apply for assistance; however, a supervisor must conduct the application intake process. Upon request, and when possible, Wildfire staff may provide application intake.

Policy Changes and Clarifications

Revisions to any policies ~~and procedures~~ will be reviewed and approved by the Wildfire Home Energy Assistance Fund Advisory Board and the Wildfire Board of Directors. All revisions will be sent to local partner agencies as they occur. Partner agencies have the responsibility to update their own information as revisions are received. Issues regarding policy and/or procedures must be submitted in writing.

Distributing Funds and Monitoring Balances

Local partner agencies are responsible for monitoring the ongoing balances of each fund source under contract with Wildfire, throughout the course of the contract year. All funds must be distributed to eligible clients by the end of the contract year and over-expenditures must not be allowed. Any over-expenditure incurred by the agency must be repaid to Wildfire using funds other than those provided to the agency by Wildfire.

URRD invoices should be submitted at the time of completion of repair and replacement, even if part of the larger weatherization job may not be finished. If crossing over into next fiscal year, the URRD dollars become ineligible.

Monitoring/Audit Process

Partner agencies are responsible for ensuring that all policies and procedures are being followed. Wildfire staff will conduct an audit of application and case files during annual monitoring visits. The following four, general elements are reviewed in every audit.

General Elements of an Audit

1. Accuracy of information
2. Client eligibility, based on the fund source utilized
3. Completeness of the client file (all required documents included)

4. Timeliness and accuracy of the guarantee/payment process

Cooperation

Applicants must cooperate in all aspects of the application process. Applicants must provide requested information or verification and complete and sign an application. If the applicant refuses, the application will be denied. The partnering agency should document the lack of cooperation by the applicant for proper notation in refusal of assistance.

Confidentiality

All information, regarding an applicant or recipient, is confidential and may be disclosed only for purposes of determining eligibility, providing services, or investigating suspected fraud in connection with the program. Applicants authorize access to their records by signing the release of information form. Anyone not authorized on the application must have the applicant's written approval to access information.

Information that can be divulged must pertain to the eligibility of the applicant, and excludes items that do not address eligibility, i.e. personal details. Inappropriate disclosure of information can result in severe disciplinary action or could result in the suspension of the partnering agreement.

Access to information by inappropriate, unauthorized individuals or parties shall be considered a violation of the individual's right to confidentiality. The Contractor shall take reasonable steps to safeguard, secure and maintain the confidentiality of any and all individual information in its possession, and to protect such information from unauthorized access, use or disclosure, utilizing the same degree of care it uses to protect its own confidential information and, in no event, less than a commercially reasonable degree of care. All records shall be open to any and all federal, state, and contractor auditors and/or examiners in the course of their regular audits.

In the event that an agency receives a request to produce or disclose documents that contain any confidential information pursuant to a valid public records request, or other applicable law, order, or court ruling, the agency must promptly notify Wildfire before honoring the request.

General information, policy statements, or statistical materials that cannot be directly identified with any individual or family are not considered confidential. They may be given to, or provided by: agencies, helping organizations, or contracted parties (unless restricted by Arizona statutes, federal regulations, or court orders).

Non-Discrimination Policy

In compliance with Title VI of the Civil Rights Act of 1964 and Executive Order 12250, no individual in Arizona shall be excluded from participation in, denied benefits from, or subjected to discrimination under any program or activity receiving federal funds because of: race, color, national origin, disability, religion, or sex, or sexual orientation.

In compliance with the Age Discrimination Act of 1975, no individual shall be denied services or participation or be subjected to discrimination in any of its programs or activities on the basis of age.

Appeals Policy

The client/agency has the right to appeal a denial of assistance or an awarded grant amount. Appeals by the client must follow the policies of the intake partner agency and will be addressed by Wildfire administrative staff.

Complaints regarding the service of the administering agency, discrimination or other issues directly related to the administering agency and staff must be addressed to the office where the application was made.

URRD HVAC WAIVER PILOT

PROGRAM SUMMARY

Overview of the Program:

Participants in this pilot program are able to use URRD funds in excess of the normal \$3,000.00 limit for a single household, in order to repair or replace an existing HVAC unit in emergency situations. Under this program the limit for these jobs will be **\$6,000.00**.

Guidelines:

- Up to 20% of a participating agency's URRD allocation for the fiscal year may be utilized in this pilot program. An alternate percentage may be negotiated with Wildfire, if required.
- Waivers must be reserved for heating and cooling emergencies and must not preclude or supplant the weatherization process for clients who qualify for weatherization services.
- The minimum energy efficiency rating for replacement units is 14 SEER.
- Participating agencies agree to provide an analysis of eligible clients left unserved at the end of the pilot program.
- All other existing guidelines of the URRD fund source remain the same.

Procedure:

1. Before any work is performed, an URRD HVAC Waiver application (see below) must be submitted by email to the Energy Program Manager at Wildfire.
2. Approval or denial of the application will be remitted via return email.
3. Client data for each job performed in this program must be entered into GMS directly or by monthly batch, in the same manner as other URRD jobs.
4. All funds included in these waiver applications will count toward the agreed-upon funding limit for the pilot program, as defined in the contract.
5. When the pilot program ends, each participating agency will be required to provide an estimate of the number of clients that were left unserved.
