*Project Title/Description:

AZ Dept. of Economic Security Community Action Agency - Emergency Services Network (ESN). The contract and amendments can be found in OnBase by searching Contracts 18*400 in Doc_ID_AMS.

*Purpose:

Salvation Army, a subrecipient, assists households with emergency utility and rental/mortgage financial assistance through case management services including eligibility determination for several funding sources, as well as referral and advocacy services to eligible, low-income households experiencing a temporary financial crisis in order to prevent homelessness and utility disconnection. Funding is ultimately used to ensure households become and remain self-sufficient.

Short Term Crisis Services/Temporary Assistance for Needy Families (STCS/TANF) funds are to be used for eligibility determination and case management services for households with minors facing eviction or foreclosure. STCS/TANF funds can also be used to pay the following: delinquent utility bills to prevent utility shut off and work related expenses such as vehicle, dental and eye related services as needed to secure or maintain employment. This determination can be used to write vouchers to landlords or mortgage companies from Community Services Block Grant (CSBG) funds as well as STCS/TANF. Utility shut-off eligibility case management is conducted under the Low Income Home Energy Assistance Program (LIHEAP). Based on review of the LIHEAP application, County guarantees payment and issues a voucher to the utility company. County also received a \$575,000 grant from the Arizona Department of Housing (ADOH) for the Housing Trust Fund (HTF) - Eviction Prevention Pilot Program.

This amendment will provide additional funding for the period of July 1, 2019 to June 30, 2020.
