Re: Comprehensive Plan Amendment for Bopp Road & San Joaquin Road, item #28 on you agenda for the October 15, 2019 meeting.

We would like this comprehensive plan amendment denied because it is inappropriate at this time. This type of store is more appropriate for a major intersection. This is not even a major crossroads as both Bopp & San Joaquin Roads dead end not far from where they intersect.

We have lived in this area 41 years and understand that this side of town is slated for growth, but, the current growth is no where near this intersection. Please do not burden us with a low-grade convenience store that sales inferior product.

Please say no to this comprehensive plan at this time.

Sincerely

Dreama Hubbard
