Our office has received information requests from your staff regarding the geographic reach and distribution of services provided by the Pima Animal Care Center (PACC). In response, Deputy County Administrator Dr. Francisco García has asked PACC staff to assemble the attached maps that show the combined 2017 and 2018 activity by Supervisorial District:

- Attachment 1 reflects the distribution of all live animal intakes, inclusive of strays, owner surrenders, enforcement-related pickups and Good Samaritan drop-offs.
- Attachment 2 is the geographic distribution of current adoption families.
- Attachment 3 is the geographic distribution of foster families.
- Attachment 4 is the distribution of enforcement- and complaint-related calls, as well as adoption, foster and intake calls received by PACC.
