

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: December 17, 2019

Title: Regular Session Agenda Item: Regional Wastewater Reclamation

Introduction/Background:

A.R.S. § 49-391(C) provides that a comment period of 30 days must be provided before any pretreatment Consent Decree or Negotiated Settlement Agreement (NSA) is made final. The proposed NSA with LHM CORP TDR is a result of enforcement action by the Industrial Wastewater Control (IWC) section of the Pima County Regional Wastewater Reclamation Department. Publication of the announcement on the December 17, 2019, agenda will meet the requirement for the action listed below.

Discussion:

The Department and LHM CORP TDR propose an NSA to settle violations of the County's wastewater discharge limitations at LHM CORP TDR automotive dealership and repair facility. As part of the agreement, LHM CORP TDR will pay a penalty of \$2,000 for violating the Industrial Wastewater Ordinance, and will send at least one representative to IWC'S Pollution Prevention School within one year from the date of this agreement in accordance with the Industrial Wastewater Enforcement Response Plan.

Conclusion:

If approved, the Negotiated Settlement Agreement will be ratified in accordance with the requirements of A.R.S. § 49-391(C) and the discharge limit violation will be resolved as set forth in the Agreement.
