Dear Ramon Valadez,

I have previously sent an email to you via the email address dist2@pima.gov. I was advised to send it to the above address as well.

I have been advised to send a request to you regarding our plight as a small business.

Our line of business is in the concert industry, and as I am sure you are fully aware, we were in the front line of closures.

We have lost all of our income and had to lay off all of our employees.

This would have been our busiest season, but with the Pima County Fair announcing it's closure, that was the final nail in the coffin.

I am requesting that we could possibly have an extension of time put on to our second payment of taxes due. We do not see our business getting back until the fall.

July and August are our quiet season again.

If there is anyway that we, as a business, can work with you on this, it would be very much appreciated. Smaller incremental payments spread over time or the delinquency date pushed out for a few months. Anything.

Our State code is: 19012183936. Our delinquency date is May 1st and we owe \$2977.06.

Please don't hesitate to contact me directly on: 5206039999.

Many thanks - Maria Zettelmeyer (Treasurer)
