Subject: Support for resolution regarding services for undocumented people

This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

I write to urge the board of supervisors to adopt the resolution that will be considered next week stating that all people -- regardless of citizenship status -- should have equal access to COVID-19 related services, programs and benefits.

The illness does not distinguish between documented and undocumented. For one of us to be safe, all of us must be safe. Protect me and my loved ones by protecting all of us.
