Friends on the Board of Supervisors,

Please acknowledge my whole-hearted support of the proposed resolution that would guarantee access to Covid-19 related services to all Pima County residents regardless of immigration status.

We all know where Richard Elias would stand on this question. Please honor him and all hard-working residents of Pima County by passing the resolution.

Respectfully,

Jim Walsh

And if you see no present fruit, yet persevere.
Be not overcome with evil, as all are who avenge themselves.
But overcome evil with good.
