

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: April 7, 2020

Title: An Ordinance Adopting a Fee Schedule for Licensing, Shelter, Veterinary Care, and Related Services under Title 6 of the Pima County Code

Introduction/Background:

As part of the redraft of the Pima County Animal Code proposed in a separate ordinance, this ordinance would consolidate fees currently listed in Pima County Code, Chapters 6.04.060 - Shelter and veterinary care fees and 6.04.070 - Dog vaccinating, licensing, and permitting procedure and fees within county limits, in a single fee schedule.

Discussion:

Staff proposes establishing a fee schedule to replace the various listings of fees within the Pima Animal Code. Consolidating all animal service fees in a single schedule will make the information more accessible to the public and enable fees to be amended by a non-code ordinance. Fees have been adjusted to reflect the actual costs incurred by the animal services department, and additional services that the department routinely provides have been added.

Pursuant to A.R.S. §§ 11-251.13 and 11-251.08, notice of the proposed ordinance was posted on the Pima County website on February 5 and is scheduled to be advertised in the Daily Territorial on March 23.

Conclusion:

The proposed ordinance provides necessary revisions to fees charged by the animal services department and consolidates them in a single schedule for better accessibility to users.

Recommendation:

Staff recommends the Board adopt Ordinance 2020-_____ adopting a fee schedule for licensing, shelter, veterinary care, and related services provided by the animal services department under Title 6 of the Pima County Code.
