or Procurement Director Award ☐

***Contractor/Vendor Name/Grantor (DBA):**

Office Depot, LLC (Headquarters: Boca Raton, FL)

***Project Title/Description:**

Janitorial Supplies

***Purpose:**

Award: Master Agreement Nos. MA-PO-21-032. This Master Agreement is for a nine (9) month initial term in the annual award amount of \$3,000,000.00 (including sales tax) and includes four (4) one-year renewal options.
Administering Department: Sheriff's

***Procurement Method:**

Pursuant to Pima County Procurement Code 11.24.010, Cooperative procurement authorized, for Requisition No. 21-009, the Procurement Director approved the use of the University of California Contract No. 2020002300, which was awarded through competitive procedures reasonably similar to those set forth by Pima County Procurement Code.

County is intending to award two separate janitorial contracts, both with the same NTE amount as it cannot be predicted which contract will be the most beneficial to the County. It is not anticipated that the full annual award amount will be utilized within a one (1) year period. However, due to the unpredictable circumstances of the recent global pandemic and supply shortages, it is in the County's best interest to secure two separate contractors in sufficient award capacity to avoid the inability to meet the County's needs of janitorial supplies in the future.

PRCUID: 384301

Attachments: Master Agreement and Cooperative Procurement Agreement

***Program Goals/Predicted Outcomes:**

To purchase reliable and consistent janitorial supplies for County departments in the most efficient and cost effective way.

***Public Benefit:**

To maintain a safe and healthy environment for public visitors and County employees.

***Metrics Available to Measure Performance:**

Vendors will provide competitive pricing and on-time delivery of goods, measured by accurate billing and arrival of supplies.

***Retroactive:**

10. **Non-Appropriation of Funds.** Notwithstanding any other provision in this Contract, County may terminate this Contract if for any reason there are not sufficient appropriated and available monies for the purpose of maintaining County or other public entity obligations under this Contract. In the event of such termination, County will have no further obligation to Contractor, other than to pay for services rendered prior to termination.
11. **Public Information.** Pursuant to A.R.S. § 39-121 et seq. all documents submitted to County by Contractor, including but not limited to pricing schedules, product specifications, work plans, and any supporting documents, are public records. In the event a public-records request is submitted to County for records marked CONFIDENTIAL, County will notify Contractor of the request as soon as reasonably possible. County will release the records 10 business days after the date of that notice, unless Contractor has, within that period, secured an appropriate order from a court of competent jurisdiction, enjoining the release of the records. Contractor may dispute the results of any inspection.

12.3. **Remedies for Breach of Warranty.** Any breach of Contractor's or any subcontractor's warranty of compliance with the State and Federal Immigration Laws, or of any other provision of this section, is a material breach of this Contract subjecting Contractor to penalties up to and including suspension or termination of this Contract. If the breach is by a subcontractor, and the subcontract is suspended or terminated as a result, Contractor will be required to take such steps as may be necessary to either self-perform the services that would have been provided under the subcontract or retain a replacement subcontractor, as soon as possible so as not to delay project completion. The additional costs attributable directly to such remedial action are the responsibility of Contractor.

12.4. **Subcontractors.** Contractor will advise each subcontractor of County's rights, and the subcontractor's obligations, under this Section 24 by including a provision in each subcontract substantially in the following form:

"Subcontractor hereby warrants that it will at all times during the term of this contract comply with all federal immigration laws applicable to Subcontractor's employees, and with the requirements of A.R.S. § 23-214(A). Subcontractor further agrees that County may inspect the Subcontractor's books and records to ensure that Subcontractor is in compliance with the requirements of A.R.S. § 23-214(A). Any breach of this paragraph by Subcontractor is a material breach of this contract subjecting Subcontractor to penalties up to and including suspension or termination of this contract."

13. **Written Orders.** County will order products or services under this Contract by issuing a Delivery Order ("**DO**") document. Order documents will be furnished to Contractor via e-mail or telephone. If an order is given verbally, the County Department that issued the order will transmit a confirming order document to Contractor within five workdays of the date the verbal order is given.

Contractor must not supply materials or services pursuant to the Contract that are not documented or authorized by a DO at the time of provision. County accepts no responsibility for control of or payment for materials or services not documented by a County DO.

Contractor will establish, monitor, and manage an effective contract administration process that assures compliance with all requirements of this Contract. In particular, Contractor will not provide goods or services other than those described in this Contract, in excess of the NTE Amount, or after the Term of the Contract has ended, without a Contract amendment properly executed and issued by County, as provided below. Any items provided in excess of that stated in this Contract are at Contractor's own risk.
