Agreement

NOW THEREFORE, the Parties, pursuant to the above recitals reflecting the intent of the Parties, and in consideration of the matters and things hereinafter set forth, do mutually agree as follows:

1. **Purpose.** The purpose of this Intergovernmental Agreement is to set forth the responsibilities of the Parties for the design, construction, maintenance and operation of the Project and to address legal and administrative matters among them.

2. **Project.** The Project consists of construction to widen Houghton Road between Valencia Road and Mary Ann Cleveland Way, Tucson, Arizona.
3. **Design and Construction Responsibilities.** City shall be responsible for the complete design and construction of the Project in accordance with Design Standards included in the American Association of State Highway and Transportation Officials and Federal Highway Administration Standards for highway engineering and construction, the PAG Standard Specifications for Public improvements, and City's municipal design guidelines. City shall advertise, award, execute and administer the design and construction contracts for the Project. City shall have the usual rights of the owner of a public construction contract, including the authority to approve changes and make payments.
4. **Utility Relocations.** City shall coordinate all utility relocations within the Project boundaries. City shall be responsible for all costs of relocation of any Tucson water lines and hydrants installed as part of the Project.
5. **Rights-of-Way and Construction Easements.** City shall acquire any rights of way and construction easements necessary for the Project, either by voluntarily negotiations or by the exercise of eminent domain to the extent permitted by law.
6. **Project Permits.** City shall acquire all permits required in connection with the Project at no cost to the Project.
7. **Public Art.** Public art shall be included in the Project in accordance with the standards set forth in the County's Bond Improvement Plan for the November 4, 1997, Special Bond Election, unless otherwise agreed by the Parties.
8. **Public Participation.** City shall manage all public participation processes for design and construction of the Project.
9. **City and County Representatives.** City shall furnish a representative to perform the functions of a Project Manager, and County shall furnish a representative available to cooperate and consult with the City concerning all matters of the Project.
10. **Financing of the Project.**
 - a. *Allocation of County bond funds.* A total of \$20,000,000.00 in County bond funds was allocated for Houghton Road between Interstate 10 and Golf Links in the 1997 Bond Improvement Plan adopted by voters at the November 4, 1997, Special Bond Election. No County funds authorized by the November 4, 1997 bond election in excess of \$20,000,000.00 may be expended for the Project without the prior amendment of County Bond Ordinance 1997-80 by the Pima County Board of Supervisors and an amendment of this Agreement by the Parties. The County has previously paid \$9,831,298 for design and construction of Houghton Road between Interstate 10 and Golf Links. The County shall pay the remaining

\$10,168,702 in County HURF bond funds to the City in the period from fiscal year

(FY) 2021 through 2022. The expenditures in each of the referenced bond program periods are intended to comply with the terms of the May 7, 2004, Memorandum of Understanding between City and County. City hereby acknowledges that County bond funds may be limited for City projects in any given fiscal year because actual revenues available to the County do not meet expectations due to a variety of reasons, such as actions of the Arizona Legislature to reduce state shared revenues, increased commodity costs of construction materials or fuels, or general economic conditions.

Subject only to the possible limitations above, the County will use its best efforts to provide County bond funds in accordance with the schedule identified in this section and does not foresee, based upon present conditions, any difficulty in meeting the bond disbursement schedule.

- b. *City responsibility for excess costs.* City shall pay all costs of design, right-of-way, and construction of the Project in excess of \$10,168,702 of County Bond funds available for the Project.
- c. *Transaction Privilege Tax.* City agrees that any transaction privilege and use taxes levied by the City on the Project shall be contributed to the Project as a portion of City's share of the costs of the Project. City shall provide an accounting to County of the total amount of transaction privilege and use taxes collected by the City for the Project.

11. Reporting and Payment Responsibilities.

- a. *Reimbursement Schedule.* Upon award of a construction contract for the Project, City shall provide to County a reimbursement schedule for the construction phase of the Project (the "Construction Cost Reimbursement Schedule") specifying the anticipated dates and amounts of requests from the City for reimbursement of the construction costs incurred and paid by the City for the Project. The Construction Cost Reimbursement Schedule may be combined with the Construction Schedule.
- b. *Reimbursement Requests.* Within 25 days of the end of each month, starting on the date indicated in the Reimbursement Schedules, City shall submit to County a Reimbursement Request, together with supporting documentation, in accordance with the Reimbursement Schedule, for Project expenses paid by City since the last Reimbursement Request. As Project Manager, City shall be responsible for verifying the accuracy of all invoices submitted by contractors, and shall, as part of its Reimbursement Requests, certify that said invoices have been paid by City (less any retention held by City) prior to requesting reimbursement from the County.
- c. *Payment of Reimbursement Requests.* County shall review each monthly Reimbursement Request and if County does not approve the request, County shall notify City of its disapproval and the reason for it, within seven (7) days after receipt of the Reimbursement Request. If County does not disapprove the Reimbursement

Request, County shall pay the Reimbursement Request within twenty-one (21) days after receipt of the Reimbursement Request (except as set forth below with respect to

the final accounting and payment.

- d. *Monthly Progress Reports.* Each month, at the same time the City submits its Reimbursement Request, it shall also submit a progress report (the "Progress Report").
- e. *Submittal of Reports.* All Reimbursement Requests and Progress Reports shall be submitted to:

Pima County Department of
Transportation
201 N. Stone, 4th Floor
Tucson, Arizona 85701

- f. *Delays.* City shall promptly notify the County at any time that City becomes aware of a potential Project delay that may cause a deviation from the Reimbursement Schedules and/or the Construction Schedule. In the event of any deviation from the Reimbursement Schedules, County and City shall establish a new Reimbursement Schedule, consistent with Federal Treasury Regulations. Upon notification by City that work on the Project can resume at a mutually agreed upon time and in accordance with the amended Reimbursement Schedule approved by the Parties, the County will resume reimbursing City for Project costs.
- g. *Final Report & Accounting.* Within ninety (90) days after completion and final acceptance of the Project by City, City shall submit to County: (1) a final report describing the Project as constructed and summarizing its history (i.e., who designed, constructed, provided public art, funding sources, description of public participation, purpose and public benefit of the Project, etc.), along with photographs and final as built drawings; (2) a detailed final accounting statement of the funds expended on the Project, along with a final Reimbursement Request if needed. County shall have fifteen (15) days after receipt of this final accounting to disapprove the Reimbursement Request. If County does not disapprove the Reimbursement Request, it shall pay the request within forty-five (45) days of receipt.

12. Establishment of County Highway.

- a. *Petition to Establish County Highway.* Pursuant to A.R.S. § 28-6701(B), the Tucson City Council has petitioned the Pima County Board of Supervisors to establish a County highway for the Project as described in attached Exhibit A attached hereto and made a part hereof by reference.
- b. *Establishment of County Highway.* The Pima County Board of Supervisors shall take the actions required by A.R.S. § 28-6702 and § 28-6703 to establish the Project as County highway.
- c. *Establishment for Funding Purposes Only.* The establishment is solely for the purposes of allowing County to contribute HURF bond funds to the Project, and County at no time will be responsible for any activities associated with design, right

of way acquisition, permitting, utility relocation, constructing or maintaining the roadway.

13. Regulation of the Project During Construction. City will have responsibility for and control over highway access, traffic regulation and signing during construction.

14. Ownership, Operation and Maintenance.

- a. *City inspection.* City may inspect all Project construction relating to its facilities for substantial compliance with drawings and specifications.
- b. *Abandonment of County Highway Within City.* Upon completion in substantial compliance with drawings and specifications and acceptance of the Project construction contract by City, County will abandon pursuant to A.R.S. § 28-7212 all of the Project roadway lying within the limits of City.
- c. *Acceptance of the Project by City.* Upon completion in substantial compliance with drawings and specifications and acceptance of the Project construction contract by City, City will accept control and maintain, at its own cost and expense, the Project. County shall have no responsibility for the portions of the Project lying within the limits of City beyond a one-year construction guarantee period.
- d. *Insurance; Repair and replacement.* City agrees to insure or self-insure the Project facilities after conveyance to City and to repair or replace the Project if damaged or destroyed.
- e. *Ownership of Installed Materials, Equipment and Appurtenances.* Upon completion of all work under this Agreement, ownership and title to materials, equipment and appurtenances installed within City's right of way will automatically be vested in City. No further agreement will be necessary to transfer ownership.

15. Events Requiring Amendment of Bond Improvement Ordinance 1997-80.

- a. If, after a public hearing, the City's governing body determines that events require amendment of the Pima County Ordinance No. 1997-80, City shall notify the County in writing and shall formally request the Pima County Board of Supervisors to hold a public hearing on the necessary bond ordinance amendment.
- b. City's Bond Ordinance amendment request shall contain all of the following; 1) a detailed discussion of the modification requested; ii) an explanation of the reasons for the request; iii) an indication of any related adjustments in the cost of the

Project resulting from the modification; and iv) a request that the Board of Supervisors schedule a public hearing on the matter.

- c. Following the public hearing, the Board may approve an amendment of the Bond Ordinance and a corresponding amendment *to* this Agreement.

16. Federal Treasury Regulations. City acknowledges that County manages the expenditures of bond proceeds in order to qualify for a spending exception to the arbitrage rebate requirements of Sections 148 through 150 of the Internal Revenue Code of 1986 and the related regulations found in 26 CFR Part 1, §§1.148 through 1.150 as may be modified from time to time (such statutes and regulations hereinafter referred to as the "Tax Exempt Bond Rules"). City further acknowledges that arbitrage rebate is affected by both the use of bond proceeds and by the timing of bond related expenditures. Notwithstanding any other provision of this Agreement, County may, in County's sole discretion, either (i) reallocate Project funds to other projects funded with County bonds, or (ii) terminate this Agreement if, in County's sole determination, such reallocation or termination is necessary or advantageous to the County under the Tax Exempt Bond Rules either (a) to qualify for a spending exception to the arbitrage rebate requirements, (b) to reduce the amount of any potential arbitrage rebate or penalty, or (c) to manage the County's bond proceeds.

17. Effective Date and Term

- a. This Agreement shall be effective on the date it is signed by the last Party to sign this Agreement.
- b. This Agreement shall remain in effect through completion of the Project and completion of all payments required under this Agreement.

18. Legal Jurisdiction. Nothing in this Agreement shall be construed as either limiting or extending the legal jurisdiction of the County or City.

19. No Joint Venture. It is not intended by this Agreement to, and nothing contained in this Agreement shall be construed to create any partnership, joint venture or employer-employee relationship between the Parties. No Party shall be liable for any debts, accounts, obligations or other liabilities whatsoever of the other Party as a result of this Agreement, including (without limitation) any Party's obligation to withhold Social Security and income taxes for itself or its employees.

20. No Third Party Beneficiaries. This Agreement shall not create any right to any person or entity as a third party beneficiary.

21. Force Majeure. A Party shall not be in default under this Agreement if it does not fulfill any of its obligations under this Agreement because it is prevented or delayed in doing so by reason of uncontrollable forces. The term uncontrollable forces shall mean, for the purpose of this Agreement, any cause beyond the

control of the Party affected, including but not limited to floods, earthquakes, acts of God, or orders of any regulatory government officer or court (excluding

orders promulgated by the Party itself), which, by exercise of due diligence and foresight, such Party could not reasonably have been expected to avoid. A Party rendered unable to fulfill any obligations by reason of uncontrollable forces shall exercise due diligence to remove such inability with all reasonable dispatch.

22. Laws and Regulations.

- a. Compliance with Laws. The Parties shall comply with all federal, state, and local laws, rules, regulations, standards and Executive Orders, as applicable.
- b. Licensing. City shall require its contractors and subcontractors to be adequately insured and appropriately licensed to provide the services hereunder.

24. Termination.

- a. For cause. Either Party may terminate this Agreement for material breach of the Agreement by the other Party. Prior to any termination under this paragraph, the Party allegedly in default shall be given written notice by the other Party of the nature of the alleged default. The Party said to be in default shall have forty-five days to cure the default. If the default is not cured within that time, the other Party may terminate this Agreement. Any such termination shall not relieve a Party from liabilities or costs already incurred under this Agreement.
- b. A.R.S. § 38-511. This Agreement may be terminated pursuant to A.R.S. § 38-511 in certain instances involving a conflict of interest.
- c. Non-appropriation. It is acknowledged that, notwithstanding any other provision contained herein, this Agreement may be terminated if for any reason the Pima County Board of Supervisors or the City of Tucson Mayor and Council fails to appropriate sufficient monies for the purpose of maintaining this Agreement. In the event of such cancellation, the County and the City shall have no further obligation to each other, other than for payment for services rendered prior to such termination.
- d. Ownership of property upon termination. Any termination of this Agreement shall not relieve a Party from liabilities or costs already incurred under this

Agreement, nor affect any ownership of the Project constructed pursuant to this Agreement.

25. **Indemnification.** Each party (as Indemnitor) agrees to indemnify, defend and hold harmless the other party (as Indemnitee) from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "claims") for bodily injury of any person (including death) or property damage, but only to the extent that such injury or damage is caused or alleged to be caused by a negligent or intentionally wrongful act or omission of the Indemnitor, or of any of its officers, officials, agents, employees, or volunteers. This indemnity will survive the expiration or termination of this Agreement.
