### Financial Narrative / Loans

There is no loan specific to any locations.

GPM Investments, LLC and its subsidiaries including GPM Southeast, LLC ("GPM") have various financing in place to fund its operations, but none are tied specifically to alcohol sales or a specific location. As of December 2019, GPM operated or supplied fuel to over 1,400 locations and had annual revenue of approximately \$4.3 billion. Following the acquisition of the business of Empire Petroleum Partners, LLC, of which this location is a part of, GPM will operate or supply fuel to approximately 3,000 locations and anticipates annual revenue of approximately \$6.8 billion. GPM will be acquiring only 11 stores in Colorado with alcohol licenses so this will be a small portion of our operations.

In particular, GPM currently has a working capital line of credit with PNC Bank, N.A. currently in the amount of up to \$110 million which is anticipated to be increased to up to \$150 million in connection with the addition of the over 1,500 Empire locations.

GPM also currently has a term loan from PNC Bank, N.A. and funding from its affiliates Arko Holdings, Ltd. and GPM Member, LLC. All of that financing is being refinanced by a loan from Ares Capital Corporation of \$162 million, which credit agreement is anticipated to be entered into in early February 2020. Additionally, the Ares Credit Agreement will allow GPM to borrow up to an additional \$185 million in delayed draw term loans to be used for acquisitions, remodeling stores, and other corporate purposes.

We have enclosed audited consolidated financial statements of GPM to demonstrate our financial wherewithal.
