Dear Board of Supervisors,

We are 72 and 74 years of age and longtime Tucson residents.

It is shocking that Pima County may not be following federal guidelines to make the COVID vaccine available to all 65 and over.

I have asthma and my husband is a triple coronary artery bypass survivor.

I shall be advocating for adherence to the guidelines so all in Pima County, age 65 and over, can get the vaccine now.

Genie Stoker
