

BOARD OF SUPERVISORS AGENDA ITEM REPORT

Requested Board Meeting Date: February 16, 2021

Title: Speed Regulation - Pima Mine Road

Introduction/Background:

The Pima County Department of Transportation received a constituent request to increase the 40 mph posted speed limit on Pima Mine Road west of Interstate 19 following recently completed pavement repair. This segment of Pima Mine Road provides mine access and terminates at the west end.

Discussion:

The Pima County Department of Transportation conducted a speed study as a result of the request. The speed limit on Pima Mine Road west of Interstate 19 was reduced to 40 mph in 2010 as the roughness of the road was not conducive to a higher speed limit.

Conclusion:

The Pima County Department of Transportation recommends the posted speed limit on Pima Mine Road west of Interstate 19 be increased from 40 mph to 50 mph based on field observations, data review and the speed study results. The Pima County Sheriff's Department provided concurrence with the speed limit increase.

Recommendation:

The Pima County Department of Transportation recommends Ordinance 2010-36 be repealed and a 50 mph speed limit be established on Pima Mine Road from 3 miles west of Mineral Hill Road to the Town of Sahuarita Limits.

Fiscal Impact:

Minimal
