

Board of Supervisors Memorandum

March 2, 2021

Board of Supervisors Budget Hearing Schedule For Fiscal Year 2021/22

Background

In order to adopt the Fiscal Year (FY) 2021/22 Budget prior to the start of the FY, the following additions to the Board of Supervisors meeting schedule are recommended:

- May 11, 2021 Board Budget Hearings (full day two sessions morning and afternoon)
- May 12, 2021 Board Budget Hearings (full day two sessions morning and afternoon)
- May 18, 2021
 Tentative Budget Adoption
- June 22, 2021 Final Budget Adoption
- August 16, 2021 Adoption of Tax Levy

The above Budget Hearing meetings are in addition to those currently scheduled on the Clerk of the Boards website. A regular Board of Supervisors meeting is scheduled for the morning of May 4, 2021.

Attached is a proposed schedule identifying the departments that are to present their budgets at these hearings and their allocated times for presentation.

Each scheduled department will discuss the following aspects of their budgets:

- Recommended operating department expenditures, revenues and operating transfers;
- Major programs and related services by the department;
- Major costs of providing programs and related services by the department;
- Significant changes in the recommended FY 2021/22 budget versus the FY 2020/21 adopted budget; and
- Major budget issues the department is facing in FY 2021/22.

The information provided by the departments at these hearings will be based on the FY 2021/22 County Administrator Recommended Budget that will be distributed to the Board of Supervisors by April 30, 2021. Working Budget drafts for each County Department and budget are available on the <u>Pima County Budget</u> website.

Note that several smaller County departments, such as each of the five Board of Supervisors budget units, Clerk of the Board, Real Property Services, etc., are not scheduled for a hearing to help make more efficient use of the Board's time. These departments are relatively small and are mainly administrative in function. Each of these departments have simple and straightforward budgets that experience minimal fluctuations from year-to-year. A list of all of the departments not scheduled for presenting is available on the last page of the attached Budget Hearing Schedule. The Honorable Chair and Members, Pima County Board of Supervisors Re: **Board of Supervisors Budget Hearing Schedule for Fiscal Year 2021/22** March 2, 2021 Page 2

In addition, the Contingency, Debt Service, General Government Revenues and Non-Departmental Budgets are also not scheduled for a hearing as these budgets are Countywide versus department specific. They are created as part of the budget process (i.e., recommended General Fund balance, existing debt service payments and recommended debt issues, recommended revenues (i.e., property tax, sales tax, vehicle license tax, etc.), AHCCCS/ALTCS payments, etc.) and are addressed within my Recommended Memo to the Board.

Recommendation

I recommend the Board of Supervisors approve the additional meetings shown above as part of the FY 2021/22 Budget Adoption process.

Additionally, in order for departments to be able to timely prepare for discussions of their budgets, I am requesting that the Board of Supervisors approve the attached department Budget Hearing Schedule for the upcoming budget hearing sessions.

Sincerely,

C. Duletoury

C.H. Huckelberry County Administrator
