Hello,

My name is Sarah Kiser and I am a resident of Pima County who is writing to urge you to support the Predevelopment Services Agreement with Knott Development, which is on the Board of Supervisors agenda for 4/20/2021. As part of the Junior Roadrunners family, we stand in support of the proposal by Knott Development to bring a leading ice facility to Southern Arizona. We have spent many weekends traveling to the Phoenix area, spending dollars on food and ice rink use. We would be thrilled to save precious travel time and resources and keep our dollars in Pima County with a local ice rink. We utilized the city's winter ice rink multiple times and witnessed large crowds which indicate a strong interest in this activity. Tuesday, please vote in support of the Development Services Agreement, and bring this long overdue facility to Pima County.

Sincerely,
Sarah Kiser
