

Board of Supervisors Memorandum

Arizona Rangers Outside Agency Contribution

Background

The Green Valley Justice of the Peace, Precinct 7 requests a donation be made to the Arizona Rangers Madera Company in the amount of \$9,000, to cover necessary expenses related to the provision of court security for the Precinct. The Arizona Rangers are a uniformed, law enforcement auxiliary and a non-profit 501(c)(3) statewide organization with local chapters.

Formerly, the Green Valley Sheriff's Department utilized the Sheriff's Auxiliary Volunteers (SAV) and others to provide security services. However, due to the onset of the COVID-19 pandemic, SAV was discontinued, and the Arizona Rangers Madera Company stepped in to assist. This donation will provide financial support to this nonprofit agency through the County's Outside Agency Program to provide the Precinct with necessary security services.

Recommendation

I recommend the Board approve the \$9,000 donation to the Arizona Rangers Madera Company.

Sincerely,
