**Subject:** Greater Soldier Camp Association HOA Support for Mount Lemmon Fire Department

**CAUTION:** This message and sender come from outside Pima County. If you did not expect this message, proceed with caution. Verify the sender's identity before performing any action, such as clicking on a link or opening an attachment.

To Whom it May Concern -

The Greater Soldiers Camp Association (GSCA) stands united with the rest of the Mount Lemmon citizens, as well as our Summerhaven businesses and other local HOAs in supporting the proposed IGA to provide increased funding for the Mount Lemmon Fire Department (MLFD).

This IGA approval, at increased funding levels is critical. The MLFD needs additional revenues so that MLFD can continue to provide the Mt. Lemmon Community and its visitors the manpower and the equipment "To minimize the threat to life and property due to fire, medical or other emergencies".

As Pima County leadership is aware, MLFD has suffered a decline of almost \$60,000 over the last 3 years due to declining tax revenues due to a drop in property values.

Unfortunately, as a majority of the support provided to the Mount Lemmon community by MLFD goes to work associated with visitors to our mountain, or in responding to severe, and unpredictable major events like the Bighorn Fire of last year, the current decrease in the MLFD's revenues is unsustainable.

The Greater Soldier Camp Association HOA is a tract of 55 United States Forest Service Recreation Residences, who pay Pima County Personal Property Tax on our cabins. The GSCA urges Pima County and State Leadership to approve this IGA at increased funding levels to maintain the critical support by MLFD to our community, visitors, and to the Mount Lemmon environment.

Regards -
